July 2023

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to *Create Hope in the World*.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective

step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and **Create Hope in the World**.

MESSAGE TO DG RTN NIHIR DAVE & TEAM SAARTHI

**DISTRICT GOVERNOR: 2023-24
RTN NIHIR DAVE
FIRST LADY RTN VAISHALI DAVE**

DEAR DG RTN NIHIR DAVE AND THE FIRST LADY RTN VAISHALI DAVE and All Our Team Saarthi Members
HAPPY BIRTHDAY TO OUR DG RTN NIHIR DAVE!

We hope and pray that you all are in best of health and having enough strength and energy to work for next 11 months, which shall be full of hectic schedules and challenging events.

The christening of the team is very apt, as they are the Sarathi's of the DG to Create Hope in the World.

On the dawn of July 1, 2023, the first ray of the sun was dedicated to each one of us team members. Since that morning, we were filled with renewed hope to bring vigour, dedication, enthusiasm and strength.

It's going to be a great year ahead. What you do this year my friends will resonate for years to come. You are the custodians of Rotary's legacy. There are lots of ideas, tools, and plans which revolves around change and flexibility and as the year unfolds, we expect some new thinking and new ways of doing things.

Dear Saarthies, your passion for service to humanity will never go unnoticed. I am sure your wisdom will work and you will take our diverse District to a greater height. All we need is to reach towards the right direction so that we all must become the guiding force of society and shine with the first ray of the sunlight for the welfare of the people.

Let us strive to instil hope in the world, by planting seeds of hope across the globe and nurturing these seeds with good deeds to yield fruitful results.

The baton has been transferred to my prodigy Rtn Mehul Patel, name has changed but the work will never have a full stop, we will all work with same spirit and same energy and will bring much more service project works as possible.

Friends, one thing that we all are sure off is that the 8,040 short hours that make up the RY 2023-24's remaining 11 months, will be gone before we know it. So, we can't afford to wait, hence let's put our plans in action right from the word go.

We shall also increase as much new members in the younger generation so that they will bring innovative ideas and new project works. On the other hand, we would also try to concentrate on some permanent projects so that we are able to do something good with Rotary Recognition amongst the local public.

Lastly, a very Big Thank You for being to my DG Rtn Shrikant Indani for nourishing the Team WOW to reach above the '*Pinnacle*' what we all '*Imagine*' during the year, deserves a big '*WOW*'. We all at RC Chikhli River Front feel blessed and thankful to the Almighty for all these achievements.

With thanks and with the best wishes and with love and Rotary Greetings

Yours sincerely

MESSAGE FROM THE PRESIDENT & THE SECRETARY

Greetings to All Our Dear Rotarian Friends and Family Members,
It gives us immense pleasure to publish our tenure's Second Bulletin which shall reflect our services in the very first month, under the immense support from our Past Presidents and Secretaries and Team Saarthi.

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Today, on 1st August 23, being the completion of our first month as club leaders of this glorious Rotary Club of Chikhli River Front, we would like to thank each and every member, donors, supporters, benefactors and also the local NGOs for their moral and personal support during the difficult times we faced throughout the recent flood.

This full co-operation led to many achievements which only District Governor and Team Saarthi will judge but their appreciation verbally suggest that we had performed greatly in performance point of view as we did so many service projects during the month. As the month ends today, I feel proud to inform you that our dynamic Past Presidents has many specialities and prowess to work for the RCCRF has helped us to work even better and with us all by supporting us and our visions, which will achieve much better.

Our Mobile Cancer Detection Unit Service, Blood Collection Van Service and Free Ambulance Service Plus Free Aksharyaan Service are performing well and are serving the people in various areas by organising camps, here we would like to thank so many of you for your co-operation and support.

SANJAY RAMANLAL PATEL MALNOURISHMENT TO NOURISHMENT SERVICE PROJECT: To fulfil the need of 137 Malnourished Infants and Children of Chikhli Taluka by RC Chikhli River Front. The work has started and the children are now eating nourished foods daily at various village Anganwadis through the Asha Worker Sisters who ensures us that the children get proper food input which will create the atmosphere of nourished children in the Chikhli Taluka.

PROUD MOMENTS: when our PP Rtn Hassan Mayet has been actively participating as an Assistant Governor and is performing well with his assignments with various clubs.

SHRADDHANJALI: With heavy heart, we express our Deepest Condolences and Heartfelt Sympathy to Rtn Naresh Patel and Rtn Ravi Patel and Family Members as they have lost their mother and grandmother respectively on 30th July 23. We pray for the family for this sad and difficult times of the family.

May God bless you all and may Almighty bless us all with many more successes in future and may we all achieve much more goals and the goals which were not even set...let us all reach to a new horizon by working hard for the welfare of the community and mankind.
