ROTARY PRESIDENT 2023-24
RTN GORDON MCINALLY MESSAGE– JANUARY 2024

R. Gordon R. McInally
President 2023-24

January 2024

In difficult times like these, it's impossible to avoid feeling heartbroken over the devastation and loss of life caused by war and destruction.

Rotary always stands against harming and displacing civilian populations and using armed aggression instead of pursuing peaceful solutions. We advocate for the observance and respect of international law. We believe in strong action to defend and promote peace, even in the darkest of times. But we also take our position as an international, nonpolitical, nonreligious organization seriously. To respect the global perspectives and experiences of our members, and to work most effectively in our peacebuilding efforts, we do not choose sides in conflicts.

Rotary is made up of 1.4 million people in communities all over the globe who are united in our commitment to building a peaceful world. We strive to ensure that our words and actions prioritize the health and safety of our global membership and the communities where we live and serve.

Our members seek to offer humanitarian assistance to those affected by conflict, and our global reach requires that we promote peacebuilding and conflict prevention with cross-cultural, cross-border connections and friendship through Rotary.

For decades, Rotary has harnessed these connections to carry out service projects, support peace fellowships and scholarships, and establish programs like Rotary Peace Centers to help build lasting peace. Our members also take action to promote Positive Peace, addressing the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Rotary members who wish to wage peace can use district grants and Rotary Foundation global grants to support projects with other Rotary members that help refugees and displaced people, provide medical support, and more worldwide. Members can also work with or join peace-focused Rotary Action Groups, Friendship Exchanges, Fellowships, and intercountry committees. And District Designated Funds or district cash can support our peacebuilding and conflict prevention efforts.

Members and non-members alike can learn more about peacebuilding through the Rotary Positive Peace Academy, a free online course available to anyone with an internet connection. You can find it at positivepeace.academy/rotary.

There is no denying that incidents of violence and atrocities being perpetuated around the world seem to be escalating. Global peace is fragile, and the stakes are getting higher.

Still, we know that it is possible to bring all people together to work toward a shared goal. Rotary members do so every day in every part of the world. May our ability to unify in common purpose be a spark that helps light the path out of these dark days.

Together, let's *Create Hope in the World*.

MESSAGE TO DG RTN NIHIR DAVE & TEAM SAARTHI

HEARTIEST CONGRATULATIONS TO OUR DG RTN NIHIR DAVE, FIRST LADY VAISHALI DAVE & TEAM SAARTHI FOR MAKING ANAND UTSAV A HUGE SUCCESS!

On the dawn of July 1, 2023, the first ray of the sun was dedicated to each one of us team members. Since that morning, we were filled with renewed hope to bring vigour, dedication, enthusiasm and strength.

2023-24 is going to be a great year for all of us. What you do this year my friends will resonate for years to come. You are the custodians of Rotary's legacy. There are lots of ideas, tools, and plans which revolves around change and flexibility and as the year unfolds, we expect some new thinking and new ways of doing things.

Anand Utsav was a very successful and eye-opener for many of us. We all have learnt so much during this event plus we have gained so many new permanent friends. THANK YOU FOR THE AWARDS.... WHICH ARE ENCOURAGING and shall give very positive message to our team.

Dear Saarthies, your passion for service to humanity will never go unnoticed. I am sure your wisdom will work and you will take our diverse District to a greater height. All we need is to reach towards the right direction so that we all must become the guiding force of society and shine with the first ray of the sunlight for the welfare of the people.

Let us strive to instil hope in the world, by planting seeds of hope across the globe and nurturing these seeds with good deeds to yield fruitful results.

We shall also increase as much new members in the younger generation so that they will bring innovative ideas and new project works. On the other hand, we would also try to concentrate on some permanent projects so that we are able to do something good with Rotary Recognition amongst the local public.

With thanks and with the best wishes and with love and Rotary Greetings

MESSAGE FROM THE PRESIDENT & THE SECRETARY

Greetings to All Our Dear Rotarian Friends and Family Members,
It gives us immense pleasure to publish our bulletin which shall reflect our services during the recent past, thanks to the immense support from our Past Presidents and Secretaries and Team Saarthi.

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Today, on 1st of February 2024, being the completion of our seven months as the club leaders of this glorious Rotary Club of Chikhli River Front, we would like to thank each and every member, donors, supporters, benefactors and also the local NGOs for their moral and personal support during the difficult times we faced throughout the recent flood.

This full co-operation led to many achievements which only District Governor and Team Saarthi will judge but their appreciation verbally suggest that we had performed greatly in performance point of view as we did so many service projects during the month. I feel proud to inform you that our dynamic Past Presidents has many specialities and prowess to work for the RCCRF has helped us to work even better and with us all by supporting us and our visions, which will achieve much better.

Our Mobile Cancer Detection Unit Service, Blood Collection Van Service and Free Ambulance Service Plus Free Aksharyaan Service are performing well and are serving the people in various areas by organising camps, here we would like to thank so many of you for your co-operation and support.

SANJAY RAMANLAL PATEL MALNOURISHMENT TO NOURISHMENT SERVICE PROJECT: To fulfil the need of 137 Malnourished Infants and Children and Several Expectant Malnourished Mothers of Chikhli Taluka by RC Chikhli River Front. The work has started and the children are now eating nourished foods daily at various village Anganwadis through the Asha Worker Sisters who ensures us that the children get proper food input which will create the atmosphere of nourished children in the Chikhli Taluka.

We were also able to contribute with monetary help towards a family who lost everything they belonged due to fire which destroyed their house completely during this month.

PROUD MOMENTS: when our club was conferred with 2 Awards during the recent 54th RID Conference in Indore. We thank PDG Rtn Shrikant Indani and DG Rtn Nihir Dave for these awards.

May God bless you all and may Almighty bless us all with many more successes in future and may we all achieve much more goals and the goals which were not even set...let us all reach to a new horizon by working hard for the welfare of the community and mankind. With deepest regards and gratitude to all of you and our generous donors and supporters.

Sincere thanks to all of you

RCCRF MEMBERS COMES IN RESCUE OF A FAMILY IN DISTRESS

A house was charred due to fire and a family lost all the belongings they had in the house. An appeal was broadcasted amongst the RCCRF members and within few hours a sum was accumulated to help this family in distress and in need.

The Rotary Club of Chikhli River Front is proud to extend its support to Paragbhai Nathubhai Patel of Vad Village, T. Khergam D. Navsari, whose house recently faced a devastating fire. Recognizing his urgent need for assistance, we have contributed ₹65,000.00 to make a significant difference in rebuilding his life.

“In Rotary, your actions
will create your legacy.”

District Governor 2024-25

The "Magic of Rotary" slogan for the Rotary Year 2024-25 likely emphasizes the transformative and positive impact that Rotary International aims to create in communities worldwide. It suggests a sense of wonder and enchantment associated with the organization's efforts in service, fellowship, and community development. Stephanie Urchick's choice of this theme may aim to inspire members and highlight the unique and influential role Rotary plays in making a difference.

Prepare to witness the wondrous essence of service as Rotaract District 3060 takes center stage to showcase 'The Magic of Rotary' in R.I. Year 2024-25! With passion as our wand and unity as our spell, let's craft a year of enchantment, weaving together communities and creating lasting impact through our collective service.

THE EVOLUTION OF ROTARY'S MARK OF EXCELLENCE

The Mark of Excellence - The Rotary Wheel

The Journey of The evolution of the Rotary's Mark of excellence shows how inclusive and democratic Rotary has always been through years, giving space to ideas of all Rotarians...

Here is the Story....

A Simple Wagon Wheel is what it started with

In 1905, Montague M. Bear, an engraver and member of the Rotary Club of Chicago, sketched a wagon wheel with 13 spokes as a club emblem. When fellow club members began to complain that the design was static and lifeless, Bear added flourishes that made the wheel appear to ride on a bed of clouds.

Changes suggested and incorporated

Unfortunately, some members felt the clouds looked like dust, defying the laws of physics by being kicked up on

both sides of the wheel. One observant Rotarian pointed out that a wheel would not generate clouds of dust in front of it, so Montague removed the offending cloud and that design remained

More changes incorporated

In 1910, the Rotary Club of Philadelphia added cogs to create a working wheel, symbolizing members working together, literally interlocked with one another to achieve the organization's objectives. They used 19 cogs in honor of their club, the 19th in Rotary.

Rotarians had more suggestions and it evolved more

In 1918, two Rotarian engineers from the Duluth Club Charles Henry Mackintosh and Oscar Bjorge (formally of Minnesota) petitioned Rotary to amend the design of the wheel. They argued that a cogwheel with 19 cogs would not work. Also, the emblem had square-cornered teeth of disproportionate size, and the cogs were irregularly spaced. Charles called it, "An anachronism to engineers." Oscar called it "an insult to engineering that only the brain of an artist could conceive." Oscar sketched a new wheel, with 6 spokes (symbolizing the 6 Objects of Rotary at that time) and 24 cogs or teeth. This design was presented to the Rotary world in 1920.

The Strength of Rotary - Common Identity being lost due to custom variations

When new clubs formed, they adopted the wheel in symbols of their own. Each club added some element in the Rotary Wheel to create a unique identity for themselves.

It wasn't until 1922 that the Rotary International Association declared that all Rotary clubs should adopt a single design as the exclusive emblem of Rotarians. But, before the approval of Charles and Oscar's gear wheel, the President of Rotary Club of Los Angeles, Will Forker submitted one change: "The 'hub' design of the new 'wheel' is that of an 'idler' wheel or gear, there being no provision for the reception or transmission of power to or from a shaft," he argued. But, he said, incorporating a keyway would make the new wheel "a real worker" Oscar and Charles heartily agreed. So, in 1923 the keyway was added and the design.

The Official Rotary Emblem

At the 1929 Rotary International Convention, it was determined that blue and gold would be the official colors of the organization, so the wheel was designed with these colors. The four blue bands within the outer radius of the gear represent our four avenues of service. And the design which we now know was formally adopted as the official Rotary International emblem.

The Rotary Wheel emblem is a registered trademark protected throughout the world by Rotary International. The Rotary Wheel not only distinguishes Rotary in the community, but also helps Rotarians identify each other, and has become one of the most familiar symbols in the world today.

What we see today...

In 2013 the wheel was updated to a more modern appearance and is the Rotary 'Mark of Excellence'. Additionally, the wheel and the word 'Rotary' were brought together to become the Rotary signature or Masterbrand.

As The Rotary's Mark of excellence and The Rotary Masterbrand Signature evolved through the years, so has Rotary and its members evolved but the core remains the same as it was 29 years back....The Mark of Excellence - The Rotary Wheel
