## ROTARY PRESIDENT 2023-24 RTN GORDON MCINALLY AUGUST MESSAGE

**R. Gordon R. McInally**  
**President 2023-24**

### AUGUST 2023

In President Gordon McInally's August 2023 Message, he reminds us that at the 2023 Rotary International Convention in Melbourne, he asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment. He adds that it is an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization. He says that what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves.

### IN THE SPIRIT OF CARING

To Everyone in our Rotary Family,

At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment. It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

This research suggests what we've known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let's not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years, and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Together, we will *Create Hope in the World*.

**Gordon McInally** *President, Rotary International*

# CREATE HOPE IN THE WORLD

## OF HOPE AND INSPIRATION FROM ROTARY INTERNATIONAL PRESIDENT GORDON MCINALLY

Our theme this year is Create Hope in the World. To create hope, we must continue doing our most important work and do it better than ever before. Together, we will end polio. And we will build on this success with other high-impact projects across our areas of focus that will inspire a new generation of people committed to Service Above Self.

We must also do all we can to build peace across the globe - and that means not just fostering positive peace through our service but also finding that peace within. To accomplish this, I've asked Rotary members this year to place a special focus on mental health. I am confident that we can illuminate mental health needs near and far.

We can help one another feel more supported as fellow Rotary members, and as neighbours, we can advocate for mental health services, and we can build bridges with experts in the mental health space to help expand access to treatment.

Together, we can erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to mental health services.

Thank you for helping me spread this message of hope.

## Peace in practice

**T**he International Day of Peace takes place on September 21. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and ceasefire.

It is not enough, as people of action, to simply avoid war. If we are to *Create Hope in the World*, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met with around 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honours Guru Nanak, the founder of Sikhism, a religion practised in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims

to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club agreements to recognise their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programmes and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so that they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

### ડિસ્ટ્રિક્ટ ગવર્નરની કલમે...

સૌ પ્રથમ તો સૌને સાદર નમસ્કાર!

GML 'આનંદ સેતુ'ના માધ્યમ દ્વારા પ્રથમ વખત આપ સૌને મળતા મને અત્યંત આનંદની લાગણી થાય છે.

આંતરરાષ્ટ્રીય પ્રમુખ શ્રી Gordon R. McNally ના Let's create hope in the world ના થીમ સાથે નવા વર્ષની શરૂઆત થઈ ચૂકી છે. બહુમતી કલબોના પદગ્રહણ સમારોહ સમાપ્ત થઈ ચૂક્યા છે. સમગ્ર જુલાઈ માસ દરમિયાન વિવિધ કલબોના પદગ્રહણ વિધિ સમારોહમાં મને અને વૈશાલીને ઉપસ્થિત રહેવાની તક મળી. મને કહેવા દો કે સમગ્ર ડિસ્ટ્રિક્ટમાં નવા પદાધિકારીઓનો ઉત્સાહ તેની ચરમ સીમાએ છે. રોટેરિયન મિત્રોમાં જે ઉમંગ મેં જોયો છે તેને વર્ણવવા માટે મારી પાસે શબ્દો નથી. શિસ્ત બદ્ધ સૈનિકોની માફક તમામ કલબોના સુકાનીઓ પોતાના નક્કી કરેલા ધ્યેય તરફ આગળ વધવા મક્કમ છે એવું મને પ્રતિત થયું છે.

Service above Self ના

રોટરીના સિદ્ધાંતને અપનાવવા માટેની કટિબદ્ધતા પણ મેં સૌનામાં જોઈ.

સભ્યપદ વૃદ્ધિ માટે સૌ તત્પર છે, તો સાથે સાથે જે સભ્યો છે તેઓને જાળવી રાખવા માટેનો ઉપક્રમ પણ સતત અને નિરંતર મને દેખાયો છે.

રોટરી ફાઉન્ડેશનમાં મારે ક્યાંય પણ માંગવાની જરૂર નથી પડી. સૌ સામે ચાલીને, ફાઉન્ડેશનનું મહત્વ સમજીને મને સૌ આપી રહ્યા છે, તેને હું મારી જીવનની કેટલીક ધન્ય ઘડીઓમાંની એક ગણું છું. 'મારું મારું કરશો તો મરશો પણ તારું તારું કરશો તો તરી જશો' આવા સિદ્ધાંતને સૌ અનુસરી રહ્યા છે, જેનો મને વિશેષ આનંદ છે.

આનંદ ગ્રામ પ્રોજેક્ટમાં ગામોને દત્તક લઈને, જે તે ગામોની કાયાપલટ કરવાની દિશામાં સૌ કોઈ અત્યારથી જ લાગી ગયા છે, તે પોતે પોતાનામાં એક બહુ મોટી ઘટના છે.

મારા તમામ આયોજનોને સફળ બનાવવા માટે ડિસ્ટ્રિક્ટની ટીમ કટિબદ્ધ છે અને સૌ પોતપોતાનું પ્રદાન

ઉત્તમોત્તમ કરી રહ્યા છે ત્યારે મને આશા છે કે મેં સેવેલા અને ધોળે દિવસે જોયેલા સ્વપ્નાઓને સૌ સાથે મળીને અવશ્ય સાકાર કરી શકીશું.

GML ની ટીમના તમામ સભ્યો ખૂબ નિવડેલા મિત્રો છે અને તેમનો વિશાળ અને પરિપક્વ અનુભવ આપણને સૌને કંઈક નવી અનુભૂતિ જ સમગ્ર વર્ષ દરમિયાન કરાવશે તેવો મને વિશ્વાસ છે.

સમગ્ર દુનિયામાં નવી આશાઓ જન્માવવાની વાતો સાથે આપણે સૌ આગળ વધી રહ્યા છે તો તેની સાથે સાથે GML ના માધ્યમ દ્વારા પણ આપણે સૌ નવી આશાઓને જન્મ આપી શકીશું તેનો મને દૃઢ વિશ્વાસ છે અને મિત્રો, વિશ્વાસના આધાર પર જ આખી દુનિયા ટકેલી છે. GML ટીમના તમામ સભ્યોને અને તમામ કલબોના વિશાળ પરિવારને મારી અને વૈશાલી તરફથી હાર્દિક શુભકામનાઓ.

# From Shadows to Light

**Breaking the stigma:** One of the most significant barriers to addressing mental health concerns has been the stigma associated with seeking help. Media portrayal, cultural norms, and even well-intentioned but insensitive language contribute to the perpetuation of stigma. This leads to discrimination, social isolation, and fear of judgment, making them reluctant to seek treatment. They suffer in silence, which often exacerbates their conditions. Rotary has been sharing resources to de-stigmatize conversations and trying to educate, engage in conversations, empower, and celebrate stories of recovery of impacted individuals.

**Raising Awareness:** Providing accurate information about mental health, its challenges, and available resources can encourage early intervention. Open discussions, policy advocacy, endorsement by public figures, collaborations with organizations, media support and tailored awareness campaigns for different demographics can ensure that no one is left alone in their mental health journey.

**Increasing access and capacity:** Early detection and prevention of mental health issues require a comprehensive and multi-faceted approach that involves education, awareness, resources, and support systems. Rotary focuses on children and teens in this domain, helping with preventive behavioural health care, including early diagnosis and treatment.

Youth and parents receive toolkits with information and exercises to help manage mild symptoms and prevent escalation, while Paediatric primary care providers receive training and support from child psychiatrists. This helps increase the capacity for preventive and early treatment of paediatric populations.

In the symphony of life, our mental well-being is the precious note that resonates through every chord. Let us come together as Rotarians to rewrite the mental health narrative, fostering a world where empathy flourishes, understanding deepens, and lives find the harmony they deserve.

*"Extend a Hand, You can be a hope for someone,  
what can be more noble work in our life"*

Let's make a difference together! Our small contribution can bring a smile to someone's face.  
Provide hope, and be a part of positive change.
