RI PRESIDENT'S MESSAGE

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help clubs attract new members regardless of gender, race, religion, age, or other factors. This will help us speed up the change we all want and need. The selection of Jennifer E. Jones as Rotary president for 2022-23 — the first woman to lead our organisation — is another step in this direction.

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multi-district Information Organisation and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our communities and take action where others feel paralysed by the size and scope of a problem.

Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?

As a diversity, equity, and inclusion consultant, I help organisations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every woman or man reminds you of your mother or brother, you start seeing the world differently.

We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?

I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.

We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. Rotary Opens Opportunities through diversity.

Holger Knaack
RI President 2020-21

DISTRICT GOVERNOR'S MESSAGE

Dear Friends

Rotary Greetings

The year 2020-21 has begun with lots of hurdles but with the grace of God and great support and enthusiasm by you all, we have successfully completed four months.

During these four months, we have **chartered 4 new clubs** in our District, so now our **membership growth is 350**. We have started **one new Rotaract Club**, and **two new Interact Clubs**, along with **four new RCC Clubs**. We have created one new Endowment fund on name of **late Smt Binota Kalyan Banerjee Endowment fund of 25000\$** For Rotary foundation. We have opened Total **18 Swaman Stores**, inaugurated **one new blood donation van** and **one Mammography van** for the District. Our District is continuously at **1st position in zone-4** since last four months for doing highest number of projects. Through our "Teachers Training Program" we have given training to **total 5219 Teachers**.

We still have time to achieve more on our dream projects, and now we can see that, effect of COVID-19 is diminishing so fear is less and the risk factor is low. I think we should come back with our regular schedule slowly. We can start doing regular club meetings with lesser number of members, by choice member can attend or else they can attend meeting online, and who are attending the meeting should be protected with mask, sanitiser and should maintain social Distance.

Friends, we have already completed OCV of 32 clubs. The clubs those who are having membership of less than 30 members, even they had enjoyed OCV with lots of fun. I have personally instructed each member of the club, I wish that they will follow these instructions. In our District, 2-3 clubs are just running with less than 10 members, I have told those clubs that rather doing any activity please increase your membership and try to reach on strength of 20 members as soon as possible.

Many clubs still have incomplete accounts for the year 2019-20, I am requesting those to please be ready with your club accounts during OCV. If any club is having a trust, then please keep clear accounts of that too.

Many of our DSs, AGs and Presidents were COVID-19 Positive, now I too have joined them and I was positive but your prayers and support were tremendous and I am back again with full of energy. I am grateful to all of you.

Through the GML we will catch after Diwali

So, Happy New year and Shubh Deepawali to all of you. May new year brings peace and prosperity in our lives.

-Prashant Jani
District Governor

MESSAGE FROM THE PRESIDENT

Greetings Rotarian Friends and Family Members,

It gives us immense pleasure to publish this SPECIAL EDITION which is to commemorate our Rotary Foundation Month-cum- Diwali Edition. Each Rotary year the Rotary International President pins a "motto" for the Rotary year. There have been many great ones, some short and some long, yet all that sum up the vision of Rotary.

As far as this Special Issue is concerned, this issue is being published for you all Rotarians especially for the 30 New Members who due to Pandemic have had no acquaintance with the existing Rotarians and Hence they are mostly dormant members and these Rotarians need to know what Rotary is all about. So, this issue is going to be helpful to all the existing as well as the new members. As this Bulletin will be sent to other Rotarians also, the information given in this issue shall be very helpful to all those who read or go through this bulletin.

While mission statements guide the organization in its day-to-day operations, visions provide a sense of direction for the long term — the means to the future. Visions are quite often the simple part, with the hard part being the execution—turning the vision into reality. A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion.

COVID-19 Pandemic: The speed, alacrity and heart with which the entire Rotary world, particularly Rotarians in India, and especially our Rotary Club of Chikhli River Front responded to the COVID-19 pandemic is heart-warming. Without any nudging from anybody, India Rotarians quickly reached relief in terms of critical hospital equipment, sanitisers, masks, PPEs, Food Kits, Groceries and cooked meals to lakhs of impoverished migrant workers, daily wagers and homeless people across the country. These are times when organisations' core values are tested, and during this horrific pandemic Rotarians proved Rotary's central motto — Service Above Self — is more than mere words.

It required a tiny virus to bring our arrogance down several notches and give back some place and privileges we had usurped to other forms of life on our planet. The real test will come when this pandemic is behind us, as it is bound to be. Hopefully a better clone of the arrogant, selfish human being will emerge when we slowly begin to come out of our homes... and along with physical freedom, our locked down brains, hearts and souls will emerge free too.

Be yourself. Dismiss superfluous advice that seeks to change who you are. As a Rotarian, you have your own special skills and talent, education and grasp of important issues. Remain your own person to spread cheer in the world.

As you learn more about Rotary perhaps you, too, will discover a passion for helping others. It may be supporting our Rotary Foundation in general or designating Funds for a specific program. Let us know if you have a vision for our Club.

We at RCCRF have continued working during the pandemic and have never looked back. By the time this issue reaches you we may have performed more than 35 service projects, which itself is a major achievement.

We have applied for Global Grant to acquire Mobile Cancer Detection Unit, which is in the advance decision-making stage. We need to work hard towards implementation once our grant is approved. We shall need co-operation of all the Rotarians and Clubs to make this Project a very big success and try our best to save lives.

HAPPY DIWALI WISHES AND HAPPY NEW YEAR TO ALL OF YOU

HAPPY READING TO ALL OF YOU!

Yours sincerely

HASSAN ISMAIL MAYET

PRESIDENT 2020-21

MAKE A CONTRIBUTION, BE THE DIFFERENCE

The **Rotary Foundation** transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace.

Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

GUIDING PRINCIPLES – The 4-Way Test

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand. **The Four-Way Test**, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.

THE FOUR WAY TEST
OF THE THINGS WE THINK, SAY OR DO

FIRST
IS IT THE TRUTH?

IS IT FAIR
TO ALL CONCERNED? SECOND

THIRD
WILL IT BUILD GOODWILL
& BETTER FRIENDSHIPS?

WILL IT BE BENEFICIAL
TO ALL CONCERNED? FOURTH

What is the 4-Way Rotary Test?

The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
5. Why is the Rotary Four Way Test relevant today?

The **four** brief questions in The **Four-Way Test** are not based on culture or religion.

They transcend generations and national borders. They are as **relevant today** as they were 75 years ago because the issues of morality and ethical behaviour that existed then still exist **today**.

Who wrote the Rotary 4 Way Test?

Herbert J. Taylor. The author of the 4-Way Test is Herbert J. Taylor. He was a member of the Chicago Rotary Club and a prosperous businessman. Interestingly, Herb originally wrote the test, not for Rotary, but for a troubled business that he had taken over.

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The second tenet of the Four-Way Test, "Is it fair to all concerned", serves as a beacon to Rotarians worldwide.

NOVEMBER IS

HISTORY OF THE ROTARY FOUNDATION

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

GROWTH OF THE FOUNDATION

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

NOVEMBER IS

Why is Rotary called Rotary?

The members chose the name Rotary because initially they rotated subsequent weekly club meetings to each other's offices, although within a year, the Chicago club became so large it became necessary to adopt the now-common practice of a regular meeting place.

EVOLUTION OF FOUNDATION PROGRAMS

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: The PolioPlus program was launched to eradicate polio worldwide.

1987-88: The first peace forums were held, leading to Rotary Peace Fellowships.

2013: New District, Global, and Packaged Grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion.

Rotary Foundation receives highest rating from Charity Navigator for 11th year

For the 11th consecutive year, The Rotary Foundation has received the highest rating — four stars — from **Charity Navigator**, an independent evaluator of charities in the U.S.

The **Foundation** earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency.

“We are extremely honoured to be recognized,” says Foundation Trustee Chair Ron Burton. “It represents the hard work and dedication of countless Rotarians throughout the world. They know their gifts will be used for the purpose for which they were given and that they will, indeed, make a real difference.”

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

WE INVITE YOU TO JOIN ROTARY AND BE A PART TO HELP OTHERS, FOR DEVELOPMENT AND HUMANITY
WISHING YOU ALL A VERY HAPPY DIWALI AND A PROSPEROUS NEW YEAR

Top 10 Reasons to Join a Rotary Club

Professional Networking: A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business, community and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of the community's owners, executives, managers, political leaders, and professionals – People who make decisions and influence policy.

Service Opportunities: Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfilment that comes from giving back to the community.

International Awareness: With more than 34,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship: Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. Club members enjoy the camaraderie with like-minded professionals, and club projects offer additional opportunities to develop enduring friendships. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship: Weekly Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivated to make a difference.

Youth and Family: Rotary sponsors one of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service activities.

Entertainment: Social activities give Rotarians a chance to let loose and have fun. Every Rotary club and district hosts parties and social activities that offer diversions from today's demanding professional and personal schedules. Conferences, conventions, assemblies, and social events provide entertainment as well as Rotary information, education, and service.

Ethical Environment: Encouraging high ethical standards in one's profession and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. In their business and professional lives, Rotarians abide by The Four-Way Test:

Of the things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it BUILD GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

**DO YOU LIKE MAKING
A DIFFERENCE?
THEN IT'S TIME TO JOIN ROTARY**

Leadership Development

Rotary is an organization of successful professionals. Team building, fundraising, public speaking, planning, organization, and communication are just a sampling of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others. Members can participate in the three-day Rotary Leadership Institute courses offered at various times during the year.

Rotary's classification system ensures that a club's membership represents a variety of the community's professional men and women, including leaders in business, industry, the arts, government, sports, the military, and religion. Rotary clubs are non-political, non-religious, and open to all cultures, races, and creeds.

**DECEMBER
 DISEASE
 PREVENTION
 AND
 TREATMENT
 MONTH**

Rotary is dedicated to fighting and preventing disease. Disease Prevention and Treatment is one of Rotary's Six Area of Focus. Disease and illness result in pain and injury. Prolonged severe illness may result in loss of employment and income. It affects families. It affects quality of life. Rotary and Rotarians are committed to helping people to live healthy lives. Our signature project in this area is Polio Eradication. But polio is not the only disease or aspect of healthy living on which Rotarians have expended energies.

Rotary's top priority is the eradication of polio, but our members take on far greater responsibilities to fight disease. They set up health camps and training facilities in undeveloped countries and in communities struggling with HIV/AIDS and malaria. They also design and build the infrastructure for doctors, nurses, governments, and partners to reach the one in six people in the world who can't afford to pay for health care.

December is Family Month: It is often said that children are the future of the world. Healthy and happy children are key to achieving Rotary's goal of building international understanding and peace in the world. There is no better place to nourish a young mind than in a family whose basic needs have been met and who can spend time together.

The world relies on Rotary to tackle these global challenges, and to set an example for others to follow.
