Greetings Rotarians and Guests!

HAPPY INDEPENDENCE DAY TO ALL OF YOU!!!

15 AUGUST is always a date which we all wait so eagerly for. How can we forget the freedom struggle and our freedom fighters who laid down their lives!!! To commemorate this special day, we at Rotary Club of Chikhli River Front have attempted to work towards making this special issue.

Probably here there is hardly anyone who woke up on the mid night of 15th August 1947 to hear India's tryst with destiny. We are born in an independent country and hence probably understand very little about insult of being governed by a foreign power. However, whenever we are away from the country, we observe that non-resident Indians celebrating Independence Day with more vigour than people celebrate in the country itself. Probably it is the feeling of an identity as Indians which is behind such emotions.

Each Rotary year the Rotary International President pins a "motto" for the Rotary year. There have been many great ones, some short and some long, yet all that sum up the vision of Rotary.

Every Rotarian should have a role to play in the multitude activities of Rotary. It is by engaging and immersing oneself in programs and projects along with fellow Rotarians that a bond of fellowship and camaraderie will develop. When every Rotarian shares the passion, goal and culture of Rotary, the change envisioned will automatically follow.

Visioning for leadership may be defined as the process of forming a mental image in order to set goals, make plans, and solve problems that guide the organization into the future. Thus, it is the first step in goal-setting. While mission statements guide the organization in its day-to-day operations, visions provide a sense of direction for the long term — the means to the future. Visions are quite often the simple part, with the hard part being the execution—turning the vision into reality. A popular saying, "If you can dream it, you can do it".

But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. It begins with only one Rotarian with a vision, and who then shares his or her vision with another Rotarian, who presents it at a Board of Directors meeting with specific needs and goals, and then the vision begins to become reality. Rotarians often find a particular program which becomes a passion. It may be to create a literacy program, build a library. build a home, assist in medical treatment, providing clean water etc.

As you learn more about Rotary perhaps you, too, will discover a passion for helping others. It may be supporting our Rotary Foundation in general or designating funds for a specific program. Let us know if you have a vision for our club.

Once again, Independence Day Wishes to you all!

Yours in Rotary,

RTN HASSAN MAYET & RTN SWETAL DESAI

Happy Independence Day

Independence Day: After being ruled by the British for years, India finally gained its hard-fought independence on August 15, 1947. “At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom,” Jawaharlal Nehru, the first Prime Minister of Independent India said on the night of August 15, 1947. Later, to commemorate the occasion, the Indian National Flag was hoisted above the Lahori Gate of Red Fort in Delhi, a gesture that became regular subsequently.

15th August

Happy Independence Day

On the eve of Independence Day, the President of India addresses the nation by delivering “Address to the Nation”. And on the next day on 15th of August, the current Prime Minister hosts the Indian Flag at Red Fort, Delhi. The Prime Minister in his speech highlights the important events of the past year & plans for the coming year. He pays tribute to the leaders who lost their lives during the Indian Independence Movement. The ceremony is followed by the national anthem “Jana Gana Mana”, The Indian Armed Forces and Parliamentary forces continue the event by their march past. Like every year, this year also Independence Day will be celebrated on 15 August. 2021 Independence Day will be the 74th Independence Day of India. This significant day will mark the day when India received freedom from the 250 years of British rule. Today we all are here to acknowledge our privilege of being born in a Free India and celebrate the 75th Independence Day of our country.

We need to ask those born before 1947, to know the pangs of anguish of being enslaved under a colonial rule. For every Indian in those days, it was indeed a Herculean task to fight against those powerful giants - the British. Those difficult times and struggles must not be allowed to fade away from our memories. Hence, every Independence Day, we not only celebrate our freedom, but we also pay tribute to the ones who fought for it, to the ones who held a vision for our country, and to the ones who sacrificed themselves for the same.

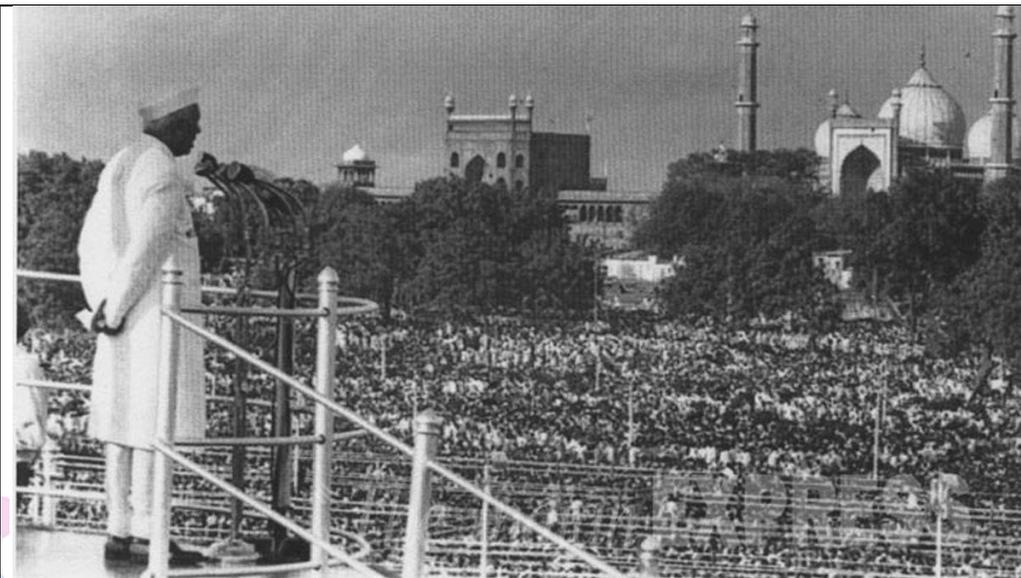

SERVE TO CHANGE LIVES

The idea of being an independent nation, where sovereign power lies with us to determine our future, places a huge responsibility on our shoulders. The significance of its beautiful story is that this nation has gained respect from the world for the democratic route chosen by it. We can proudly say that India has never invaded any country in its 10000 years of history.

On this occasion, our thoughts turn first to Mahatma Gandhi, the man behind our struggle for freedom and the martyrs who made the supreme sacrifice for our country's liberty. We are also reminded of the relentless struggle of our great patriots who liberated our motherland from colonial rule.

Pandit J Nehru delivering his speech, *Tryst with Destiny*, on the eve of India's First Independence Day

The Historic Speech from the rampart of Red Fort which has now become a tradition for all Prime Minister's 15 August Speech

Independence Day, in India, national holiday celebrated annually on August 15. Independence Day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. It also marks the anniversary of the partition of the subcontinent into two countries, India and Pakistan, which occurred at midnight on August 14–15, 1947. (In Pakistan, Independence Day is celebrated on August 14.)

British rule in India began in 1757 when, following the British victory at the Battle of Plassey, the English East India Company began exercising control over the country. The East India Company ruled India for 100 years, until it was replaced by direct British rule (often referred to as the British raj) in the wake of the Indian Mutiny in 1857–58. The Indian independence movement began during World War I and was led by Mohandas K. Gandhi, who advocated for a peaceful and nonviolent end to British rule.

Independence Day is marked throughout India with flag-raising ceremonies, drills, and the singing of the Indian national anthem. Additionally, various cultural programs are made available in the state capitals. After the prime minister participates in the flag-raising ceremony at the Red Fort historic monument in Old Delhi, a parade ensues with members of the armed forces and police. The Prime Minister then delivers a televised address to the country, recounting the major accomplishments of India during the previous year and outlining future challenges and goals. Kite flying has also become an Independence Day tradition, with kites of various sizes, shapes, and colours filling the sky. Also, to commemorate the day, government offices in New Delhi remain lit throughout the holiday, even though they are closed.

India remains one of the most ethnically diverse countries in the world. Apart from its many religions and sects, India is home to innumerable castes and tribes, as well as to more than a dozen major and hundreds of minor linguistic groups from several language families unrelated to one another. Religious minorities, including Muslims, Christians, Sikhs, Buddhists, and Jains, still account for a significant proportion of the population; collectively, their numbers exceed the populations of all countries except China. Earnest attempts have been made to instill a spirit of nationhood in so varied a population, but tensions between neighbouring groups have remained and at times have resulted in outbreaks of violence. Yet social legislation has done much to alleviate the disabilities previously suffered by formerly “untouchable” castes, tribal populations, women, and other traditionally disadvantaged segments of society. At independence, India was blessed with several leaders of world stature, most notably Mohandas (Mahatma) Gandhi and Jawaharlal Nehru, who were able to galvanize the masses at home and bring prestige to India abroad. The country has played an increasing role in global affairs.

Contemporary India’s increasing physical prosperity and cultural dynamism—despite continued domestic challenges and economic inequality—are seen in its well-developed infrastructure and a highly diversified industrial base, in its pool of scientific and engineering personnel (one of the largest in the world), in the pace of its agricultural expansion, and in its rich and vibrant cultural exports of music, literature, and cinema.

ROTARY INTERNATIONAL PRESIDENT – RTN SHEKHAR MEHTA MESSAGE - AUGUST 2021

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we *Serve to Change Lives*, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

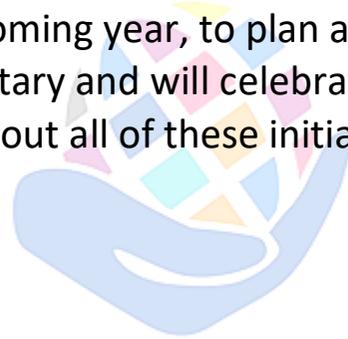

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you *grow more*, you will be able to *do more*. Let us keep *empowering girls* through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit rotary.org to find out more about all of these initiatives, along with other ways to *Serve to Change Lives*.

AUGUST 2021 MESSAGE

To my Rotarian Friends, and Friends of Rotary,

Beginning the New Rotary year with thanking all fellow Rotarians of my club for bestowing their belief in me to lead, as the 3rd President of our Club for Rotary Year 2021-22. I am so proud to be a Rotarian! So proud to be connected to such a positive force for good in the world. So proud to be the President of this wonderful and prestigious Rotary Club of Chikhli River Front. I have always wanted to help others. Connecting with Rotary has enabled me to do just that.

I extend my Heartiest Congratulations to IPP Rtn Hassan Mayet and his team on successful completion of Rotary Year 2020-21 and taking the club to greater heights in spite of the Pandemic lockdown constraints, I consider the work and services rendered by our club under his leadership as one of the most remarkable

achievement which will inspire me to work even better with two of our Past Presidents supports, co-operations and guidances.

The dedicated & passionate team of Directors and Members are my pillar of strength. We will endeavour to explore new avenues of opportunities in serving our communities. In this journey with my team, following the *“Rotary’s Ethical guide - the Four Way Test”*, we will create all possibilities to *“SERVE TO CHANGE LIVES”*, aligning with Rotary Theme of this year.

Friendship, bonding within Members & fellowship will be the top most priority to make the club one big family, where each member has the sense of involvement and togetherness. In this first message to you, my fellow members, I pledge that I start this journey seeking blessings, support and co-operation from all of you. This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, *let us Serve to Change Lives*.

Reminiscing my installation night, I ended my speech with a thought: ‘Let the miracle happen!’ I announced my dream to introduce an ambulance service which will be launched by Diwali, but the Miracle Happened! Within one week, we accumulated the fund through our generous donors and we inaugurated this Ambulance Service to commemorate *Kargil Vijay Diwas*.

I was overwhelmed that we celebrated Kargil Day with three events which will be in the coming pages. Hats off to you for your support, service, fellowship and friendship.

Soon we shall acquire Cancer-Detection-on-Wheels, which will be an ultimate test for all of us and with Almighty’s infinite mercies and blessings and support from all of you we shall prove that we can do it and shall do it with success and dedication. Thank You Everyone!!!

the 4 Way Test

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to ALL Concerned?
3. Will it Build GOODWILL and Better Friendships?
4. Will it Be BENEFICIAL to ALL concerned?

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test. The Four-Way Test is a nonpartisan and non-sectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings: The test, asks the following questions: Of the things we think, say or do Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

Rotary International - 4 Way Test

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test as a moral code for personal and business relationships. The test, which has been translated into more than 100 languages.
