Reach the Unreached

President's Message

Rtn. Priti Sheth 2022 - 2023

Dear Rotarian friends, Anns & Rotakids,

This is my last communication to everyone as the 7th President of RC Miramar.

Indeed for me, personally it has been one of the most eventful period throughout. Rapid succession of projects and situations, at times challenging but on the whole, the most rewarding experience. Today it is not my intention to list out all that we have accomplished. I believe our projects speak for themselves & we have touched all the areas of focus in Rotary. Any designation demands commitment & discipline, above all being positive. I appreciate all those who were besides me and also for being **Warriors** (yes, I'll call them that). Sometimes it's difficult to spend that kind of time on projects or back-end admin work, but those who were there without fail cannot go unnoticed. All have seen and will surely know their level of commitment to Rotary.

During my Acceptance speech on 8th July 2022, I had said that my focus is Environment (Sustainability, Reduce, Reuse, Recycle, let me add Restore & trash to Treasure) along with Youth and Basic Education. This was very well observed by AG Rtn Yogish Kulkarni who remarked about the same on seeing the Presentation during DG Visit. What he brought to our notice took us gladly by surprise. Being in the **7th** Year, RCM has donated to the school computer lab equipments also "**7**" in number and later it couldn't stop us from noticing, that the bills came starting with figure **7** _____. RCM has adopted this school too. RCM chartered a New Interact Club at Jnyan Vikas School this year.

RCM totally "DIL SE" says Umpteen **THANK YOU** to DG Rtn Venkatesh

Deshpande, District Secretariats & Grants Chair Rtn Pratima to receive District Grants of Rs 4,00,000/- for the computer Lab project in the remote school at Pednem. AG Rtn Yogish Kulkarni, IPDG Rtn Gaurish Dhond who supported throughout the year with their Motivation plus always being reachable. '**Imagine Rotary**' is definitely a magical theme- Just Imagine & everything else follows. **God has been kind.**

Let me start by saying a **BIG THANK YOU** to all 6 Past Presidents & Advisors, Rtn. Pratima (Grants Chair), Rtn. Mohite (Membership Chair), Rtn. Manisha (TRF Chair), Rtn Bhavna (Vocational Dir), Rtn. Kamlesh, Rtn. Snehalata (IPP), each **GUIDED** me well, like navigation lights. The fellowships have been rocking with enthusiastic duo Club Service Director 2, Rtn Siddharth and fellowship Chair Rtn Megha, participation of all the Members with "sahh Parivar". The Fund raiser chairs Rtn. Vijay Melvani (year after year), Rtn. Pammi Bilochpura (with a heart of gold), supporting members all together helped us carry out the year very smoothly, "**Much much Gratitude**". You all know without funds 130+ projects would not be possible. All the Members & Well-wisher's who have sponsored & supported many projects or brought sponsorships. Rtn Manisha for doing fabulous TRF collection for Global support. The Avenue directors Rtn Sonia, Rtn Siddharth, Rtn Shreyas, Rtn Bhavana have performed exceptionally well. I am luckiest to have them on these posts, "**DILSE Gratitude**". EVERY project is special to me because we put our heart & soul into them and most of all touched the hearts of thousands more. All the Rotarians friends (you all know who you are) present in project, meetings, sports and fellowships. All the members who were always responding in

affirmation, chairmen, facilitators, and coordinators, "**Sabko DILSE Shukriya**". Our Sergeant at arms Rtn Sandesh gave wonderful year round coordination & supported meetings inspite of this being his debut in the board, "**Dev Bore Karu**" Treasurer Rtn Anshul who from the start of the year dhamkaud to resign & who was also giving similar ideas to Secretary Rtn Nikita in front of me. Well, I would prefer not to think at this stage what must have been going on behind my back. All's well that ends well, they lasted so "**DIL SE DHANYAWAAD**". Last but not the least Editor Natasha for giving us brilliant bulletins in spite of her pregnancy, showcasing every project on Social Media and being committed to the post, **Love & hugs**, God bless. As I look back I can positively say I have created beautiful memories better than "**I IMAGINED**".

I wish Good luck to the new team leaders of 2023-24 lead by Rtn Sonali & Rtn Bhushan with their Rotary Theme being "**HOPE**".

We have the much-desired **Rotary Pink Rickshaw Project** falling in place. With complete satisfaction I sign out from the Chair, but never from your heart.

I could not have asked for a better Closing.

Gratitude Always,

Rtn Priti Rajesh Sheth
President 2022-2023.

LIFE IS AN ECHO,
EVERYTHING COMES BACK TO
YOU...THE GOOD, THE BAD AND
THE TRUTH.
GIVE THE WORLD THE BEST, THE
BEST WILL COME BACK TO YOU!!

2022 - 2023

My Dear Friends, Fellow Rotarians and my dear Ann's,
As I sit to pen down my last editorial note, I am but filled with emotions, and memories come flooding to me of what a wonderful this past year has been under the guidance of President Rtn. Priti Sheth & team.
This past year we have had such wonderful projects that have been undertaken and activated by the team! We've had some real insights

through all the flag exchanges, fellowships and the active participation of most of our members for the various projects executed through the year. Collectively we've managed to create some great public outreach and visibility through the various projects undertaken. We've had some great sports fellowships, member engagements that have brought a sense of team spirit in members. I would also like to congratulate the

incoming team and wish them the best to carry on the baton for the next year as we leap into the New Rotary Year.
Let us pledge to continue to 'Imagine Rotary' and put forth our motto of 'Service above Self' in every endeavour that we may take up.
Signing off,
Mog Asu,
