मुझे यह जानकर अत्यंत प्रसन्नता हुई कि रोटरी क्लब उदयपुर हैरीटेज मासिक पत्रिका **Horizon** के प्रथम संस्करण का जुलाई माह में प्रकाशन करने जा रहा है। इस प्रकाशन के लिए मैं क्लब अध्यक्ष डॉ. दीपक शर्मा जी, सचिव डॉ. शैलेन्द्र सोमानी जी, **Horizon** के संपादक रोटेरियन रविन्द्र पारीख जी एवं रोटरी क्लब उदयपुर हैरीटेज के सभी सदस्यों को हार्दिक बधाईयाँ एवं शुभकामनाएँ प्रेषित करती हूँ।

इस मासिक पत्रिका के प्रकाशन की परिकल्पना क्लब का एक सराहनीय प्रयास है। इस पत्रिका में प्रकाशित विभिन्न परियोजनाओं, गतिविधियों और निदेशिका की विस्तृत जानकारी से न केवल क्लब के सदस्यों को लाभ मिलेगा अपितु **RI District-3056** के अन्य सदस्यों को भी जानकारी एवं प्रोत्साहन मिलेगा।

मैं आशा करती हूँ कि रोटरी क्लब उदयपुर हैरीटेज वर्ष 2024-25 में अपनी नई-नई कार्ययोजनाओं के जादू से इस वर्ष की थीम **The Magic of Rotary** को सार्थक करने का प्रयास करेगा और **RI District-3056** के आभामण्डल में अपनी चमक बिखरेगा।

आपका यह प्रयास सफल हो एवं आने वाला वर्ष **Magic** से परिपूर्ण हों, इसी आशा के साथ एक बार पुनः आप सभी को बधाई और बहुत-बहुत शुभकामनाएँ!

## Presidential Theme 2024-25

**Stephanie A. Urchick**

RI President, 24-25

**July 2024**

RI President Urchick announced that the 2024-25 presidential Theme is Magic of Rotary and called on members to recognize and amplify the organization's power to save lives. Urchick told incoming district governors at the Rotary International Assembly on 8. "It's up to you. You create the magic with every project completed, every dollar donated, and every new member."

Urchick said she saw the magic of Rotary on display when she was helping install water filters in the Dominican Republic. Two boys were watching as dirty water entered the filter, then ran out clean at the other end. "One of the boys grabbed my sleeve and said, 'Show me the magic again,'" she said. "Obviously, the water filter wasn't magic. We worked hard to transport those filters, install them, and work with community leaders in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life."

### Prioritizing Peace

Urchick urged members to champion Rotary's Action Plan, find a balance between continuity and change, and work for peace.

"The Rotary Peace Fellowship began more than 20 years ago to equip peace and development professionals from communities around the world to become effective catalysts for ending and preventing conflict," Urchick said. In addition to emphasizing peace building, Urchick reiterated Rotary's commitment to eradicating polio. She urged the incoming governors to join or initiate PolioPlus Societies in their districts and do all they can to help end the disease. "Contact elected officials and other government leaders. Remind them that polio is still a threat. Push them to support polio eradication," she said. "Polio remains our top priority and requires our fullest commitment, but there is so much important work to do."

### Balancing Continuity and Change

Urchick also underscored the necessity of balancing continuity and change, both of which animate Rotary's Action Plan. "The plan is all about building on our best ideas, not abandoning them," she said. "We face a tough balancing act. We must change ourselves and stay true to who we are." One way to make positive change, she said, is to embrace the principles of diversity, equity, and inclusion within clubs. "I hope you'll join me in opening your arms to future people of action, even if – and in some cases, especially if – they don't look or act like the typical member of your local club," she said. "With DEI, it is easier to be united in a common purpose. It's in those moments when we are committed and focused that we are the most effective and relevant."

## From the desk of President

**"Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together."**

- Paul Harris

Dear Members,

The primary objective of Rotary is to encourage and foster the development of acquaintance as an opportunity for service. In today's corporate world, core competence is the new mantra. The era of mega corporations with diverse activities ranging from aircraft engines to movies, from telecom to ship building, is over. Management gurus advocate focusing on core business to foster growth. Similarly, the concept of competence should be applicable to service organizations like Rotary as a whole and its entire constituent clubs.

The essence of Rotary is service. It is the fundamental reason for Rotary's existence. It is therefore pertinent to examine our activities and focus on core areas where our members can contribute most effectively. The activities we have executed recently and those planned for the future highlight our potential to act as catalysts and persuade others to initiate vital activities benefitting the larger undeserved community.

It is also important to integrate our own families into the family of Rotary. We need to arrange activities along with the family members and friends to foster this spirit of togetherness and one family.

I invite suggestions and contributions for more meaningful and impactful activities through RC Udaipur Heritage for the current Rotary Year. In July 2024, we have already organised our Board's Installation Ceremony, Investiture Ceremony of Interact Club MDS UTTHAAN and MDS HERITAGE in glittering events witnessed by eminent personalities representing Rotary and the society at large.

Yours in Rotary
