Obituary

Pankaj Roy, a renowned Rotarian...A man of integrity, hardworking responsible, empathetic..gentle, a true Rotarian in spirit. A complete gentleman, A dotting father, loving husband, responsible son, popular among colleagues and most amicable among Team Acropolis. His untimely demise is a Great loss for Acropolis family. We will miss him every moment. We stand rock solid by Shila his dear wife and Priyanka his daughter. Pray to Almighty for granting eternal peace to his noble soul. Om Shanti.

From daughter Priyanka to her Father

When we come to this world I believe God sends us with two angels and they are our father and mother. To me my parents are my entire world. I never mingled much with friends instead I always felt secured and independent when I am with parents. Today I don't get to speak to my father because he is busy with his work in heaven. But what I am confident about is that he is always with us showing me and my Mom the right way to success. He will always be my inspiration for everything in my life.....my guide, my mentor will always be my super hero. Bapi in this world you were always busy with your dedication and commitment but now I m sure you have enough time for leisure with your favourite cup of beverages in the other part of this world.
