### Message from District Governor

**Dear Presidents,**

In a unique event in this Rotary year, three Rotary Clubs have got together to organize their joint Changeover Ceremony! This reflects a spirit of goodwill and camaraderie amongst the members of your three Clubs – Calcutta Centenary, Calcutta Renaissance and Kolkata Urbana!

Deepali joins me in congratulating you individually, as you assume the leadership of your respective Clubs. Taking up any responsibility is always a challenge and I am confident that you all will rise to the occasion!

I would thank your outgoing Presidents and all your Club members for the committed service rendered by your Club during Rotary year 2022-23 as we Imagined Rotary!

Our world leader for 2023-24, Rtn. Gordon R. McNally has given us a dynamic theme “CREATE HOPE IN THE WORLD”. His vision is that Rotary should exist everywhere in a style to suit everyone who has the desire to be part of Rotary and to help us Rotarians do good in the world. His goal is to restore hope to help the world heal from destructive conflicts and to help achieve lasting change, emphasizing the need for peace and continuity, including working toward diversity, equity and inclusion, while not neglecting our mission to end polio!

I consider myself EXTREMELY fortunate to have the opportunity of working with him! Continuing with a major initiative introduced by our own Rtn. Shekhar Mehta and followed by Rtn. Jennifer Jones – “Empowering Girls” will remain as Rtn. Gordon’s focus area also, his other two focus areas being Mental Health and Building Peace Through Virtual Exchanges.

Rotary, my friends is a unique journey! Rotary gives us colossal opportunities to make new friends, strengthen our bonding with existing friends and together - we get the opportunity to serve mankind to the best of our abilities!

We are Creators of Hope in our Communities and in the World! Let us capture the attention of the world and lead the way toward possibilities far beyond our expectations to Create Hope in the lives of mankind!

Let’s Enjoy Rotary and Make Rotary Enjoyable for Everyone!

Best regards,

*Yours in Rotary Service*

# MESSAGE FROM RI PRESIDENT

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

**Gordon R. McInally**

# ROTARY CLUB OF CALCUTTA CENTENARY

## EDITOR'S REPORT FOR INSTALLATION ROTARY CLUB OF CALCUTTA CENTENARY

**District 3291 Club ID 90740.** The Rotary Club of Calcutta is a name that invokes a lot of pride in fostering and promoting fellowship and service. To celebrate its 100 years of existence, the Centennial President, Mr Purnendu Roychowdhury came up with an idea to take a leap of faith. To commemorate the Centennial Anniversary of RC Calcutta he wanted to promote a Focused Action Club that inculcates fellowship and business networking amongst the professionals and at the same time keep up the spirit of service. Thus, it happened. The genesis or foundation of The Rotary Club of Calcutta Centenary was took place on the 26th of September, 2019 at the Rotary Sadan, Calcutta. Blessed by the presence of Past Rotary International President Kalyan Banerjee, Past President of RC Calcutta Rtn. Vinay Nevatia, and DG's Representative Past President Sanjeeb Gandhi along with Centennial President Purnendu Roychowdhury and Secretary Anasua Das the journey started and the foundation was laid for the club. The Club formally received the Charter from RI President Mark Daniel Maloney at Rotary Sadan on 15th February 2020 during the Rotary India Centennial Summit. Presently, the club proudly represents 21 members who are people of action from myriad spheres of society.

"Rotary", the very coinage denotes a motion and notion that is circular and hence, dynamic. A global organisation networking 1.4 million Samaritans, friends and leaders who visualise and ideate a world where people unite and take action to perennial change, Rotary is indeed the ideal platform for philanthropy and a change for better across the globe, in our communities, and in ourselves. No wonder, in its truest essence, Rotarians are "People in Action" who venture to hope and "create hope in the world" by working for peace and mental wellbeing. Attuning to this call from President R. Gordon R. McNally (2023-24), we, the members of Rotary Club of Calcutta Centenary also vow and look forward to proceed with aspirations to touch our dreams and spread those in our surroundings with rays of hope.

## PRESIDENT'S MESSAGE – 2022-23

Dear All,

Rotary Club of Kolkata Urbana (RCKU) has completed its glorious journey of another year (22-23) with meaningful and versatile activities. As a part of the District 3291 of Rotary International, RCKU, in its short tenure, has endeavored to contribute to the community in all the areas of focus of Rotary.

With the major focus on three areas- Environment, Basic Literacy & Education, Health & Fighting Diseases; RCKU has implemented a number of projects to touch beneficiary lives directly. We have completed 40 projects in the last one year catering to the needs of the community around us.

Of special mention is our signature HAPPY SCHOOL Project, by transforming a school with 240 students in a village by giving benches, books, note books, school bags, safe drinking water, sports materials, painting of the entire school, plantation, etc and finally inaugurating it by our Hon'ble DG.

I am indeed privileged and proud to lead RCKU as President 2022-23, which boasts of a bevy of efficient Past President, Secretaries, Office Bearers, Chairs and Members; whose contribution has been invaluable to take the Club to new heights.

I am grateful to our beloved members and their partners for their whole hearted support in executing the Club activities and fantastic projects. Members & their spouses are the true assets of our club and I am sure that with their honest and sincere efforts; RCKU will achieve its goal in all areas of our activities.

We emphasize on "Every member to Lead at least one project" to involve all members and their partners in our activities.

RCKU has achieved many milestones and accolades, and with our consistent commitment; we hope to touch new pinnacles of service.

Wishing RCKU to Grow More under new leadership and the new team and Do More in Service above Self.

## SECRETARY'S MESSAGE

**Dear Members**

Rotary Club of Kolkata Urbana completed the Rotary Year 2022-23 successfully on June 30th 2023. After successful completion of almost three years of existence, RCKU rolled over to another new Rotary year in July 2023.

This year, we started with installation of our new board and team in presence of our District Governor Rtn. Ajoy Kumar Law and other distinguished district officials and with a roadmap and calendar rolled out. As usual, throughout the year, the involvement of all our members and their family members, the encouragement to participate actively in executing more than 40 projects that our club have been able to complete, has been outstanding and overwhelming, to say the least.

Our focus has been to choose more local projects to serve the needy in and around Urbana while continuing our projects at Sundarbans with our RCCs paved ways to create a happy school at Bantala, a village situated only a few kilometres away from where we live, a sewing machine skill development centre at Mundapara, situated just next door, helping a local orphanage, Universal Smiles with various projects, Distributing cloth bags to replace plastic bags to the staff, vendors and workers at Urbana etc. Some of the ongoing projects started for cervical cancer awareness program, hosting medical camps, publishing RCKU Rotary Calendar and "RCKU-Cyclothon" and many awareness programs with our Urbanite neighbors and family members has been very well appreciated by the community members and district officials.

While we present our closing accounts now, I would take this opportunity to sincerely thank each and every member of our RCKU family for all their selfless support and friendship and contributions and donations for many projects, without which it would be impossible for us to perform. Needless to add here that because of the extraordinary work done in last three years by RCKU members, our club has now been recognized as a one of most active clubs of our district, within a short period of its existence within our district and this year also, we have won awards and accolades from the district officials. I take this opportunity to thank our President, Treasurer and Board Members 2022-23 and all other members for providing all the necessary support to me during the entire year, at the same time also welcome our new RCKU President Rtn Jayanta Guha, and his team and wish them all the very best for the upcoming year as RCKU continues its journey to grow and flourish as an organization based on the Rotary values of 'Service over self' and continue to make positive differences in the lives of those who are less privileged around us.

## PRESIDENT'S MESSAGE 2023-24

Today marks a new beginning as we enter a new Rotary year with new hopes, a renewed pledge, and fresh set of ideas.

A fresh chapter will be written in the annals of our club which we fondly refer to as RCKU. We will continue to build on the foundation that has been built over the past years and we would join hands to Create Hope in the World.

Friends, am humbled and privileged to take over the baton from Susanta da and to lead an exceptional group of members. I take this opportunity to acknowledge and thank Susanta da, Ashis da, the BoD for 22-23 and all our members for yet another outstanding Rotary year and I commit to do my best to lead our club to further glory.

All of us who are part of this movement called Rotary have already made a commitment - a commitment towards humanity. I know you will step up each time we come together to make a difference, each time we embark to create an impact, each time we would ignite hope. I seek your support in whichever way you can to create a vibrancy that surpasses our

individual aspirations and which reverberates much beyond in our community.

We create magic when we join hands, we create hope when we collaborate and I am delighted to celebrate our changeover with two vibrant clubs - Calcutta Centenary and Calcutta Renaissance. I wish Amitava and Rupa and their respective club members, the very best for the Rotary year.
