EDITORIAL

Since in the Year 2023-24, we had been focusing on creating 'HOPE' surrounding us through our passion, energy and contribution which actually prepared us to create the Magical impacts in this Rotary Year 2024-25 to light-up those who have held their hearts tightly with strong hopes to see the Magic, to see the transformation, to feel the long-lasting change in their lives.

'We', the highly passionate members of Rotary Club of Calcutta Centenary, enjoyed the Rotary Year of Hope (2023-24) thoroughly by fulfilling our commitments towards Rotary vision and were capable to establish the difference in many lives through our leadership and actions by addressing the community needs and to align with the purpose of Rotary to build Hope within our global community to make a better tomorrow for us and GenZ.

In serving the purpose, in bringing the smiles on the faces that allowed and trusted on us to make their life better, was not possible without the active support of the other Rotary clubs who had come forward willingly to join hands in making the events more meaningful, colourful and adding value to the needs. We sincerely thank our immediate Past District Governor, Rtn. Hira Lal Yadav for his contribution, support and co-operation to our Calcutta Centenary Club throughout the 2023-24 rotary year. Our motivation to do more for the society, make it far more better also comes from the recognition and accolades that district has made us proud and this has inspired us to take the pledge to continue the legacy in coming days in many more touched & untouched fields so far. Our heartfelt sincere thanks to the Immediate Past President, Rtn. Amitava Banerjee for successful completion of Rotary Year 2023-24 with utmost efficacy level. The decision to work on Eazy School Projects & Literacy to support continuing education for those children and youngsters who are not so privileged, Eye & Health Check Up Camps for children, Women & senior citizens, Mental health initiatives etc have become milestones for making strong footprints of the club. And, slowly but steadily with small steps, it has reached to its 5th Rotary Year by adding experiences. We all are in actions to make some magical wonders in this Rotary Year 2024-25 with a meticulous attention to mental development, support young minds to nurture and help in building their mental growth through various stunning sports equipment set-ups in various school grounds, organizing inter-school & intra-school competition events, awareness on health issues and significance of cervical cancer vaccination for women and organizing camps for the same at different places for different age level of women. Adding to all these, we are in action to explore opportunities through plantation to active and indirect participation in our most global challenging problem of climate change and it's criticalities thereof...

KEY ATTRACTIONS ON JULY 2024

STEPS TOWARDS BUILDING MENTAL DEVELOPMENT | EAZY SCHOOL PROJECT 'SIT & DRAW III' | HEALTH CAMP

Rotary Club of Calcutta Centenary has started taking initiatives to help young minds to further develop their talents through some indoor games which can take them to showcase their talents at state and national level platforms without limiting themselves within the four walls of their schools. It has already installed both the boards at Bijoygarh Balika Vidyapith and our quest to extend such facilities to several other schools are already in the active pipeline...

Rotary Club of Calcutta Centenary has organized to inspire enthusiast youngsters to engage through Sit & Draw competition and response was truly overwhelming, total 350 nos of children showcased their creativity through their vibrant talents. It was focused to encourage the children to express themselves through their pen & colours, indirectly to build-up the bright and vibrant future...

As we all are aware of the growing importance of the CCTV Cameras in schools, by means of which concerned authorities can effectively monitor and keep track of active places to capture any untoward movement of intruders or offenders. So, realizing the necessity and requirements of Bijoygarh Vidyapith, Centenary Club has taken the initiative to organize and install the CCTV Cameras inside and surrounding the school premises as a safety measure
