*From Editor's desk...*

Paul Harris said, "Whatever Rotary may mean to us, to the world it will be known by the result it achieves." Undoubtedly the singular Foundation programme that got the world to sit up and take notice of Rotary was the polio eradication campaign. In 1979, Rotary undertook a project to immunise six million children in the Philippines. This success led to launch of PolioPlus in 1985 on a global scale. There are many stories about TRF's work in various avenues.

*From President's desk...*

November is Rotary Foundation month. I express my gratitude to all my responsible fellow Rotarians who generously contributed in TRF. Interactions in District TRF Seminar were very effective and messages were shared with fellow Rotarians.

We conducted blood donation camp at Barjora. Bijoya Sammilani was organised after Board meeting. Children's Day was observed with children's of our students of Adult Literacy Centre. Sweet boxes were distributed.

Our Adult Literacy Class is going on and we expect our students will be able to sign their names soon.
