In These 7 Areas Of Focus

November is Rotary Foundation month. It is the month that Rotary Clubs and districts remind and educate Rotarians about the remarkable and significant programmes of our foundation and seek the financial contributions required to make the world a better place to live and making life of community easier.

From President's desk...

We have taken up a programme to provide study kits and tiffin for weekly classes for children of Anandapur Nabaprayas NGO. This programme will be continued.

A road safety awareness programme followed by distribution of helmets to bikers was arranged in association with Durgapur Traffic guard. Senior Police Officers were present in the programme. We have a plan to continue such programme to address problem of road accidents.

We joined all clubs of Zone II to felicitate IFMR K2K motobikers and enjoyed their companion.

Our two senior Rotarians have attended District Foundation seminar held at Malda.
