September is Basic
Education & Literacy
month

From Editor's desk...

September resonates with a theme that is close to many hearts – Basic Education and Literacy, a cornerstone initiative of Rotary International. In a rapidly evolving world, the significance of education and literacy cannot be overstated. The ripple effects of these fundamentals not only empower individuals but also uplift entire communities.

From President's desk...

We started this month by supporting Gamon Bridge Friends Club for conducting Football Tournament.

Our first board meeting was held this month. We have six new members to induct out of which two were our former members.

Teacher's day was celebrated and Nation Builder Award was presented to six eminent teachers. New members were inducted.

September is the month of the biggest festival Durga Puja. We distributed saree to women of our community at Uttar Purbanchal Puja Mandap on the eve of Saptami and shared happiness with them.

How Your Donations to Foundation Make an Impact....

Together, we are working toward a more equitable world where all children get a quality education and adults have lifelong learning opportunities that equip them with vital numeracy and literacy skills.

The Rotary Club of Panamá Norte, Panama, continues addressing the country's digital divide with a large-scale project that began as a simple backpack drive and now equips interactive digital classrooms. During the pandemic, club members noticed that schools lacked the technology they needed to keep students learning. So they began to offer them high-tech resources and teacher training that has now been integrated into the country's education system.

The Rotary Club of Cardiff Bay, Wales, hosted a teacher from Japan who used a global grant scholarship to study how to help her students improve their English.

The Rotary Club of Knysna, South Africa, met with local partners and with Rotary clubs in the United Kingdom and Germany in 2019 to ask what it would take to ensure that all children in Knysna could get a good early education by 2025. The resources they mobilized through Rotary projects empowered women in underserved communities to open 50 early childhood centers to serve 4,000 children and reach over 5,000 parents in a campaign to improve early learning and offer economic development opportunities.

Dear Rotarians,

Thank you for giving to The Rotary Foundation!

Your generosity helped us reach several milestones in 2024-25 that will bring hope, resources, and sustainable solutions to more communities around the globe.

Together, we raised more than US\$569 million in the Rotary year that just ended! These funds are more than just donations — they are the means that allow the Foundation to support service projects in communities close to home and around the world.

And together, we reached an incredible goal of surpassing US\$2.050 billion for our Endowment. This achievement dramatically enhances the long-term resources available for members to undertake life-changing initiatives far into the future.

Thanks to you, we've been achieving meaningful change. In 2024-25 The Rotary Foundation was able to:

- Award 1,424 global grants, 468 district grants, and 74 disaster response grants
- Renew our agreement with the Gates Foundation, recommitting to the fight to end polio
- Award the Programs of Scale grant to an initiative that works to build peace in Colombia
- Partner with Symbiosis International University to create a Rotary Peace Center in India

Because of you, Rotary members are able to address the world's toughest challenges. This means helping people access clean water, education, health care, and disaster relief, while working steadfastly to eradicate polio.

Doing Good in the World starts with people like you. Thank you, Moushumi, for your generosity.
Sincerely,
The Rotary Foundation
