PROJECTS COVERED DURING LAST WEEK:-

1 INTERNATIONAL NURSING DAY:-

International Nurses Day was celebrated on Tuesday the 12th May 2026 at Siddharth Hospital Ladwa Road Shahabad. On this day, selfless services of nursing staff with devotion and dedication throughout the world were recognized and appreciated. The nursing staff at Siddharth Hospital was honoured with beautiful gifts. Good number of members

and their staff attended the function. PP Rtn. Dr. Deepak Sharma was the Chairman of this project.

2. **INSTALLATION OF WATER COOLERS:-** Keeping in view the urgent need of the passengers as well as public at large to quench their thirst, One more Water Cooler

was installed at Bus Stand Shahabad Markanda on 13 May 2026 and another at Gurdwara Shri Mastgarh Sahib Shahabad Markanda on 15th May 2026. The inauguration of both the coolers was done by Rtn. C.P.Gupta.

3. TB AWARENESS AND MENTAL HEALTH CAMP:-

Under the joint aegis of Satluj Senior Secondary School and our Club, an awareness seminar on Tuberculosis (TB) and Mental Health was organized in the school premises on Monday the 18th May, 2026. During the program, students and staff members were administered a TB awareness pledge aimed at the eradication of tuberculosis. A poster-making competition was also organized for the students, in which they participated enthusiastically. The main objective of the program was to spread awareness among students and staff regarding important health-related issues.

The program commenced with an address by the School Principal and Rotary President Dr. R. S. Ghumman. On this occasion, he stated that along with physical health, mental health is equally important in today's time. He encouraged students to adopt a healthy lifestyle, exercise regularly, and maintain a positive attitude. He further said that diseases like TB can be completely cured through awareness and timely treatment. During the seminar, Dr. Dinesh elaborated on the causes, symptoms, and prevention of tuberculosis. He explained that persistent cough, fever, weight loss, and weakness could be major symptoms of TB. Nursing Officer Mrs. Raj informed students about ways to prevent mental stress, anxiety, and depression.

Additional SMO Dr. Kuldeep Raj provided information about healthcare services and various government health schemes. He especially highlighted the importance of the HPV (Human Papillomavirus) vaccine, stating that it helps protect girls from serious diseases, particularly cervical cancer. At the conclusion of the program, School Vice Principal Satbir Singh expressed gratitude to the doctors and Rotary Club members for their valuable presence and guidance.

BOARD OF DIRECTORS AND ADVISORY COMMITTEE MEETING:-

President elect Rtn. Vikram Gupta has planned to convene a meeting of board of directors and advisory committee for the coming Rotary year 2026-27 on Thursday the 21st May, 2026

at Markanda National College Shahabad at 08:00pm. He will put before the house his planning for the next year. In addition the strategies for the smooth functioning of the club including management of financial obligations will be discussed. Since this is an first important board meeting called by the President elect, all concerned members are requested to attend the same positively in time.
