**LAST MEETING:-**

Our Club fulfilling its social responsibility, installed a new water cooler at Government Senior Secondary School Nalvi for the convenience of students and school staff. This service project was sponsored by Aarush and Archit, sons of Mr. Sumit Garg and Mrs. Gunjan, who are residing in Boston, USA. The programme commenced with the inauguration of the water cooler by Mrs. Sudesh Gupta, wife of Rotarian C. P Gupta, and Mrs. Suman Kansal, wife of Mahindra Kansal, who jointly cut the ribbon.

During the programme, Rotary President Dr. R. S. Ghuman said that social service is the true identity of Rotary. He stated that during the summer season, the availability of clean and chilled drinking water in schools is extremely important for the health of students. With the installation of this water cooler, hundreds of students of the school will get relief during the summer and will have easy access to clean and cool drinking water. He added that Aarush, Archit, and their parents have set an inspiring example by contributing towards social welfare. School Principal Shama Mohal expressed gratitude to Rotary Club Shahabad Markanda and the Garg family, stating that this support would prove highly beneficial for the students. She said that better facilities can be provided to students through cooperation between social organizations and educational institutions.

**PROJECTS COVERED DURING LAST WEEK:-**

**NOTE BOOKS DONATION:-** Continuing its long-standing tradition of social service and promoting education, the Rotary Club Shahabad Markanda distributed notebooks to students at Khanewal Khalsa Senior Secondary School. On this occasion, Club President Rotarian Dr. R. S. Ghuman said that education is the true medium for building a bright future for children. He stated that the Rotary Club always remains committed to helping needy students. He encouraged the students to study with dedication and set high goals in life. Dr. Ghuman further said that every capable member of society should contribute towards education so that no child is deprived of learning due to lack of resources. He added that the Rotary Club regularly undertakes such service projects and will continue to do so in the future.

Project Chairman Rotarian Pripal Singh Dhillon said that connecting children with education and providing them with essential educational material is a highly commendable initiative. He stated that the purpose of distributing notebooks was to motivate students towards studies. He added that Rotary Club is reaching out to people through various service projects in different fields of society. He advised students to pursue education with discipline and hard work. He said that today's students are the future of the nation, and supporting their development is the responsibility of all of us. He also thanked the school management and staff for their cooperation.

School Principal Gurmmeet Singh expressed heartfelt gratitude to Rotary Club Shahabad Markanda and said that the work done by the club is highly inspiring and appreciable. He stated that such social activities create positive energy among students and encourage them towards studies. Praising the service spirit of the Rotary Club, he said that the club is continuously working for the welfare of society. He added that such support in the field of education would prove highly beneficial for the students.
