This marks the club's first-ever Global Grant Project, benefitting not just the hospital but also private healthcare providers and the broader community across the district.

This achievement is a testament

to the leadership of President Rtn. MD. Dr. Narayana Naik, who initiated the project with a generous personal contribution of ₹ 10 lakhs to The Rotary Foundation. The project was brought to life through the dedicated efforts of Rotary Kasaragod members, Rotary District 3204, and the Rotary Club of Cascavel Primavera, Brazil, with vital guidance and district-level support from District Governor Rtn. MD. Dr. Santhosh

Sreedhar, DRFC PDG Rtn. Dr. Rajesh Subash, and other senior Rotary leaders.

The formal handover took place on the hospital premises, with District Governor Rtn. MD. Dr. Santhosh Sreedhar presenting the van's key to Rtn. MPHF Dr. Janardhana Naik, Superintendent in Charge. The Project officially Inaugurated by Sri N. A. Nellikunnu, MLA Kasaragod. The ceremony, masterfully coordinated by

Rtn. MPHF Dinesh M. T., featured heartfelt speeches from dignitaries, including MLAs Sri N. A. Nellikunnu and Sri Adv. C. H. Kunhambu, praising the van's role in enhancing healthcare services in the region.

The event concluded with a Vote of Thanks by Secretary Rtn. PHF Hariprasad K., acknowledging the collective spirit and contributions that made this transformative project possible. This landmark initiative reaffirms Rotary Kasaragod's unwavering commitment to humanitarian service and community impact.
