A large, stylized graphic of the years "1941" and "2025" in a 3D perspective. The numbers are rendered in a vibrant, multi-colored gradient (blue, yellow, red, purple) with a textured, wood-grain-like pattern. They are set against a dark, textured background that appears to be a night sky with stars.

The Rotary club of The Nilgiris entered its 85th year on the 25th of November 2025. The charter day was celebrated in the presence of the District Governor Rtn AKS Dhanasekar and other luminaries.

President's Message

Dear Fellow Rotarians,

This November, our hearts swelled with pride as we marked our Charter Day alongside the District Governor's Official Visit — a union of legacy and purpose. Chartered on 25 November 1941, the Rotary Club of The Nilgiris stands as one of the oldest and most respected institutions in our hills. For 84 years, generations of Rotarians have upheld the ideals of Rotary with grace, commitment, and an unwavering sense of service.

It was a privilege, therefore, to welcome our District Governor Rtn. AKS. B. Dhanasekar, First Lady Rtn. Amudha Priya, District Coordinator Rtn. MD Adv. S. Loganathan, Regional Coordinator Rtn. MPHF Dr. R. Aravindh Karthikeyan, and Assistant Governor Rtn. PHF Kamlesh Kataria to the Coonoor Club on this historic day. Their presence added distinction to an evening that celebrated both our current efforts and the long, steady path carved by those before us.

The ceremony — from the procession to the adorning of collars and the evening's formal agenda — was conducted with the precision and dignity that reflects our Club's traditions. Our Secretary's detailed report showcased the work we have undertaken this year, and I was grateful to see our District leaders acknowledge the dedication of our team.

A deeply emotional highlight was the felicitation of our senior Rotarians, the pillars on whose shoulders our Club stands even today. To honour Dr. Chhabra, at the remarkable age of 99, was a moment that touched every heart. The District Governor's personal visit to his home to greet and recognise him spoke volumes about the respect Rotary extends to its elders and the values they represent.

As President, I am constantly reminded of how fortunate I am to serve in a Club shaped by such stalwarts. The wisdom, guidance, and mentorship I receive from our senior members humbles me every single day. Their stories, their service, and their unwavering commitment continue to inspire me and strengthen my resolve to carry forward their legacy with sincerity.

This month also reminded me, personally, of the strength of our fellowship. After my surgery, when I rejoined the Club on 4th November, I was overwhelmed by the warmth and prayers of my fellow Rotarians. Your support uplifted me more than I can express. Shortly after, I was honoured by my promotion from Deputy Area Commander to Area Commander in the Home Guard — another reminder that service in all its forms is a privilege.

I was honoured by my promotion from Deputy Area Commander to Area Commander in the Home Guard — another reminder that service in all its forms is a privilege.

As we look ahead, I remain committed to leading from the front, ensuring that we execute impactful and meaningful projects that reflect the values our Club has upheld for over eight decades. My heartfelt thanks to Secretary Rtn. Daksha for her tireless dedication and to Treasurer Rtn. Vaishnavi for her quiet, steady strength — together, they reinforce the foundation of our team.

With deep gratitude for our past and a determined vision for our future, I look forward to serving alongside each of you in the months ahead.

Warm regards

Rtn. PHF Harikrishnan H

From the Editor's Desk

Dear Fellow Rotarian,

We live in a time of constant communication, where messages fly back and forth at lightning speed. On this high speed connectivity highway somehow real life connections are getting weaker and weaker. Loneliness is increasing. The World Health Organization recently declared loneliness a global public health threat. Loneliness is not just an emotional issue, it affects our physical health, productivity, and even our lifespan.

The current day problem is that connectivity has been confused with connection. Just because we are wired doesn't mean we are linked where it really matters! Real connection goes deeper than sharing online messages and responding with emojis.

True connections are formed when we listen being fully present, with empathy and with concern. It is the difference between merely liking a post and asking someone how they really are and being actually interested in the answer. It means showing up and putting connections before convenience.

We need to reclaim our connections before they dwindle and disappear.. At home, it may be about putting the phone down and engaging face-to-face. Outside the home, it may be about choosing compassion over cynicism. And everywhere, it's about listening to others tell their stories and understanding where they come from.

Strong human connections build communities that can withstand disagreements. A connected community can keep us grounded when the world feels chaotic. Connections strengthen mental health and physical well being.

Human beings are social creatures. Without connections, we fray. The solution is simple, reach out. Call instead of text. Listen more than you speak. Show up for others and for yourself. Attend your Rotary meeting! Because, no amount of high speed wifi can replace what we lose when we stop truly seeing each other.

Yours in Rotary
Daksha Bhat

District 3203 Cultural Event

Twelve schools, 180 Interact students participated in the event. Multiple parallel competitions; Debate, Dance, Drawing, Essay writing and Mime were held. Students competed enthusiastically and delivered some exceptional performances.

The event was led by District Interact Co-Chair Rtn Sunil Goyal with the help of Rtn Gayathri Raman, Secretary RC Ootacamund. The principal of St. Antony's HSS, Bro. Thomas supported the event providing the premises, hall, sound systems, changing rooms, and graced both the inaugural and valedictory sessions. Our Rotarians, Anns, and members from neighboring clubs, pitched in to make the event a grand success.
