Rotary Club President's Message

Dear Friends in Rotary,

18 Projects and 9 Club Services, in just one month: Rotary Pilathara is Spreading Hope, Building Bonds and Changing Lives.

July 2025 has been a month of pride and gratitude for our club. Together, we have completed 18 projects that have touched hearts, eased burdens, and lit up lives in our community. Each project, big or small, carried with it the warmth of our collective compassion. From a smile on a child's face to relief in the eyes of the needy, we have witnessed the quiet miracles that service creates.

Equally inspiring is the vibrancy of our club's internal activities. We conducted 9 well-planned club service programs, ensuring continuous learning, fellowship, and member engagement.

I am deeply thankful to every Rotarian, Ann, and supporter who stood shoulder to shoulder in making these achievements possible. Your dedication is the reason our dreams for the community are turning into reality.

Let's keep our hands open to serve, and our minds open to new possibilities. The journey ahead is bright, since we walk it together.

With gratitude and pride,
Rtn. MPH F C. Raveendranathan
President, Rotary Club of Pilathara

Rotary Club Secretary's Message

Dear Rotarians

As I look back on my first one and a half months as Secretary of the Rotary Club of Pilathara, my heart is filled with pride and gratitude. In this short time, together we have successfully undertaken more than 20 projects, each one a testament to the dedication, compassion, and unity of our Rotarians and Anns.

These early achievements are not just numbers; they reflect our shared commitment to service above self. They inspire confidence that, with the same enthusiasm, we can accomplish many more meaningful initiatives across all key areas of Rotary before this Rotary year ends.

We are heirs to a shining legacy, the glittering milestones our club has achieved over the years. It is now our turn to keep that light burning brighter, to set new benchmarks, and to make Pilathara Rotary a beacon of hope and impact in District 3204.

Together, we have shown that service above self is not just our motto, it is our way of life. Let us build on this momentum to deliver even more projects across all key Rotary areas, keeping our legacy alive and our spirit vibrant.

With your wholehearted support, I am certain that we can, and we will achieve and surpass all the goals set for Rotary Pilathara.

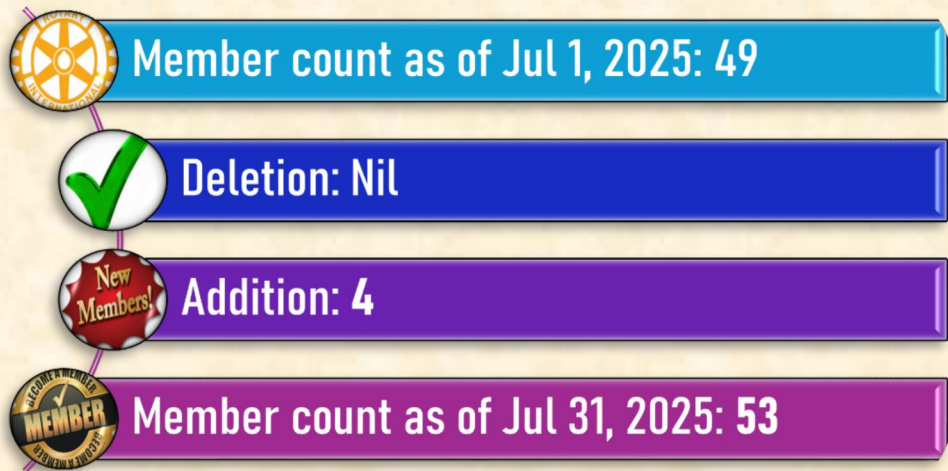

With warm regards,
Rtn. PHF M. Balakrishnan
Secretary, Rotary Pilathara
