Dear President & Members of Rotary Club of Pilathara,

It gives me immense joy to note that our club is bringing out the third issue of the monthly magazine "Ripples." A club magazine is not just a record of activities, but also a mirror reflecting the spirit of fellowship, service, and creativity of its members.

As a proud member of this vibrant club and serving as Zonal Learning Facilitator of Mid Zone RI District 3204, I feel privileged to witness the energy and commitment with which Pilathara Rotary moves forward. Each initiative you undertake is a step towards fulfilling Rotary's larger vision of "Service Above Self."

I sincerely appreciate the dedication of the editorial team in presenting the achievements and inspirations of our club in such a meaningful way. May Ripples continue to inspire, inform, and connect every Rotarian while carrying the message of service to the larger community.

Wishing the editorial board and the club great success in all future endeavours.

With Rotary regards,
Rtn. Surendranath P. V
Zonal Learning Facilitator Kannur Mid Zone
RI District 3204

Dear President & team 25-26,

Any word of appreciation will be insufficient to mark the way you go forward with activities fulfilling the demands set by RI and the district. I feel extremely happy to know that you are releasing the third issue of the club magazine 'RIPPLES'. Wish this month's issue would contain more articles to enrich rotary knowledge among our members. I wish all the very best to all for rest of the year too.

Yours in Rotary
Rtn MPHF K Aravindakshan
