PRESIDENT'S MESSAGE

Dear Rotarians and Anns,

As we complete the first quarter of Rotary Year 2025-26, I feel proud and grateful for our collective achievements. During July–September 2025, our club completed 69 service projects, 29 in Club Service, 30 in Community Service, 6 in Vocational Service, 3 in Youth Service and 1 in Public Image.

We also welcomed five new members, strengthening our Rotary family. Our members actively participated in all District 3204 programs and in the LEAD-25 conclave in Chennai where 15 of our members actively participated. Monthly Family Meets added warmth and fellowship to our journey.

These successes were possible only through the support and wholehearted involvement of every member and the Anns Forum. Let us continue to serve with passion and unity as we move forward, truly living Rotary's message of "Unite for Good."

With warm Rotary regards,
Rtn C. Raveendranathan
President 2025-26

The Five Avenues of Service: The Heartbeat of Rotary

“Service Above Self is not just a motto; it is a lifelong commitment to make the world better.”

The five Avenues of Service are the guiding paths that help Rotarians translate compassion into meaningful action. Every project, fellowship, and initiative of Rotary flows through these five channels of service:

1. **Club Service:** Builds friendship and teamwork within the club through meetings, fellowship and participation.
2. **Vocational Service:** Uses professional skills with honesty and integrity to serve society.
3. **Community Service:** Improves local life through health, education, and environmental projects.
4. **International Service:** Builds global goodwill and peace through humanitarian programs and Polio eradication.
5. **Youth Service:** Empowers young minds through Interact, Rotaract, and RYLA to lead with compassion.

“When all five avenues move in harmony, Rotary becomes a symphony of service.”
