Rotary Club of Pollachi - December 11

The Governor's Visit to RC Pollachi was a well-coordinated event, commencing with the Bhoomi pooja for the club's Rs. 36-lakh CSR project to construct new classrooms at the Panchayat Union Middle School, Vazhaikombu.

Later, in his interaction with the club, District Governor Rtn. AKS B. Dhanasekar shared updates on district-wide CSR and Global Grant initiatives for 2025 - 26. Many Rotarians remarked that this was the first time they had gained such a comprehensive understanding of the work being undertaken by clubs across the district.

Senior Rotarians appreciated the Governor for introducing a first-of-its-kind initiative to honour long-serving members, in recognition of their years of service.

The District Governor commended President Rtn. Sathish Chandran and Secretary Rtn. Sreekanth for their capable leadership and acknowledged the club's signature Global Grant project, Mission Sparkle, aimed at constructing 10 school toilets at a project value of Rs. 60 lakhs. A notable moment of the evening was the pledge by Rtn. Balaji and Rtn. Hari Rajan as Major Donors, extending their support for the cause. The visit also featured the launch of the PET Bottle Plastic Booth Drive and the presentation of Nation Builder Awards to distinguished contributors from the community.

A highlight of the event was the presence of Charter President Rtn. Dr. B. K. Krishnaraj Vanavarayar, who warmly appreciated District Governor Rtn. Dhanasekar's visionary initiative of delivering service projects worth Rs. 100 crore across the district.

January Theme: Vocational Service - Service Through Skill and Purpose

A noteworthy initiative is that of Rotary Club of Pollachi, which enabled skill - based, eco-friendly vocational training for parents of special children from underprivileged backgrounds. By introducing innovative green vocations such as areca leaf product manufacturing, banana fibre utility and handicraft products, microgreens cultivation, and other sustainable income-generating eco-enterprises, the club beautifully combined livelihood creation with environmental consciousness.

Message from Our President

Happy Greetings Rotarians, Friends & Families

It is with immense pride and purpose that I take on the mantle of President of the Rotary Club of Pollachi for the year 2025–26. As one of the shining stars of Rotary District 3203, Rotary Pollachi is not just another club — we are a legacy in motion.

What makes Rotary Pollachi different?

We are an organisation rooted in rich heritage and driven by impactful action. Chartered in the year 1985 by the visionary Dr. B.K. Krishnaraj Vanavarayar, our club has been at the forefront of landmark community projects — the Rotary Community Centre, Rotary Crematorium, Rotary Library, Rotary Dialysis Centre, and the initiative of Coconut Research Station in Aliyar. These aren't just projects — they are lifelines, built with dedication by our members and sustained by service.

Our theme for the year, "UNITE FOR GOOD," captures the essence of Rotary's enduring values — unity, action, and purpose. With one unified voice and shared commitment, we aim to create tangible change — nurturing peace, promoting harmony, and serving humanity.

Rotary Pollachi doesn't just follow the path — we define it. With every initiative, we reaffirm our commitment to service above self, standing tall and distinct among the many.

Let's unite, let's serve, and let's make 2025–26 a year of legacy and transformation.

Rtn. Dr. S.V. SREEKANTH
Secretary
Rotary Pollachi

Message from Our Secretary

December 2025 stood as a powerful reflection of Rotary’s values in action at the Rotary Club of Pollachi. Through projects across all Avenues of Service, we reinforced the core principles of compassion, inclusion, sustainability, youth empowerment and responsible citizenship.

Our month began with extending dignity and hope to underprivileged and tribal children through the distribution of clothes and school uniforms by supporting quality education with the Bhoomi Pooja for new classroom construction.

By recognizing Unsung Nation Builders, we upheld the value of gratitude and respect for those who silently serve society every day.

Environmental responsibility was strengthened through the Plastic Collection and Awareness Drive and the large-scale Tree Plantation Initiative, emphasizing our commitment to a cleaner and greener future.

The World Record Yoga Dance by special children beautifully highlighted the Rotary belief that ability is stronger than disability, promoting inclusion, confidence, and equal opportunity.

Youth development was empowered through career guidance and skill awareness programmes, nurturing leadership, entrepreneurship, and sustainable livelihoods.

Public safety initiatives on traffic rules and helmet awareness reinforced discipline, care for life, and social responsibility.

I extend my heartfelt appreciation to all Rotarians, partners, volunteers, and supporters whose dedication made these projects impactful.

Together, we demonstrated unity in service and truly lived the Rotary ideal of Service Above Self, making December 2025 a proud milestone of purpose-driven action.

PRESIDENT'S MESSAGE

More than job training

In a garage outside Salinas, California, young people who are learning to restore classic cars are doing more than developing a skill — they are reclaiming their futures. This training programme provides mentorship and, for some, a path away from gang involvement toward meaningful employment. Graduates leave with certifications, practical experience and hope.

This is what Rotary's Vocational Service Month celebrates each January — the power of bringing together people with unique skills to do good in the world. It reminds us that integrity isn't just about our actions matching our words. Integrity is in everything we do.

The California automotive programme has been such a success because it was built on integrity. Members of the Rotary Club of Carmel-by-the-Sea didn't assume they knew what the community needed. They listened. They learned there was a shortage of skilled mechanics as well as a large number of young people lacking job training. They recognised that technical skills alone wouldn't be enough, so they partnered with Rancho Cielo, a nonprofit offering counselling and support services alongside vocational training.

That is The Four-Way Test in action. Those four simple questions help us not judge others but guide us toward genuine, effective service.

Consider our commitment to ending polio. For nearly 40 years, we have promised the world's

children we will eliminate this disease. Despite obstacles, we persist, and today we are closer to defeating the virus. Keeping this promise is the very definition of integrity.

The same integrity must drive our vocational service. With 1.2 billion young people in emerging economies reaching working age in the next decade and only 420 million jobs projected, we face a critical gap. Communities long excluded from economic opportunities need our support.

But support doesn't mean imposing our will. It means listening to local needs, building partnerships, and designing projects that communities can sustain themselves.

You have knowledge that can transform lives. Whatever your profession, your expertise combined with Rotary's values creates lasting change. The question isn't whether you have something to offer, it's how you'll use your skills to serve.

This January, I encourage you to ask how your club can address vocational needs in your community. What skills do your members have that could change someone's life? How can your networks open doors for young people? What partnerships can create sustainable jobs?

Let integrity guide you. Let The Four-Way Test light your path. And let the young people in California and the multitudes worldwide who need job skills remind you why vocational service matters.

Let us celebrate putting our professional skills to work for humanity with integrity at the heart of everything we do.

Francesco Arezzo
President, Rotary International

District Governor's Message

Dear Rotary family,

"Coming together is a beginning, staying together is progress, and working together is success."

- Henry Ford

These words beautifully reflect the spirit of Rotary. We are together here because of Rotary, united by a common purpose and shared values. Let us always remember that we are not small. Our organisation, our reach, and our potential are immense.

We have the needs before us.

We have the resources within us.

We have the greatest opportunity to act.

Above all, let me reaffirm that you have the district's full and unwavering support in every meaningful effort you undertake. I urge our clubs to think bigger, bolder, and better, and to take up impactful signature projects - projects that reach the unreached and turn ambitious dreams into tangible reality. True service lies not merely in intention, but in ensuring that essential facilities and support reach those who need them most.

Reflecting on our December theme, I recall the profound words of Jonas Salk, the creator of the polio vaccine. When asked who owned the patent for his vaccine, he simply replied,

"Could you patent the sun?"

This powerful reminder tells us that life-saving service belongs to humanity, not profit. A polio-free life is not accidental, particularly for those of us born after 1970. It is the result of Rotary's sustained commitment, fundraising, and awareness. For this, we remain deeply grateful to Rotary, whose dedication made polio eradication possible for our generation.

Interaction with DG on Rotary Foundation

An interactive session was held with the District Governor as part of the Official Visit to engage in meaningful discussion on District-level projects and Rotary's long-term vision. The DG elaborated on key ongoing and upcoming District initiatives, highlighting their impact, sustainability, and the vital role of club participation in achieving larger service goals.

Special emphasis was laid on the importance of contributing to The Rotary Foundation (TRF), describing it as the backbone of Rotary's global humanitarian efforts. Members were encouraged to view Foundation giving as an investment in lasting change across the focus areas of Rotary.

The session inspired strong commitment from members, during which Rtn. Hariraj and Rtn. Balaji proudly announced their decision to become MAJOR DONORS (MD), each pledging USD 10,000 towards TRF. Their gesture set a powerful example of leadership and generosity, motivating fellow members to actively support the Foundation and strengthen Rotary.
