MONTHLY BULLETIN

July 2025 | Issue no 1

*"A new year, a new journey – together, we step forward to serve, inspire, and transform lives."*

**30**  
YEARS

service to Society

Cari amici,

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life comes fast, but so often, it brings us exactly where we're meant to be.

We begin this year with a clear message: Unite for Good. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met – there are two things that matter most: friendship and trust.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead—not through titles or applause, but with humility, humanity, and heart. But let me be honest with you—this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. Let us reflect on the full vision of Rotary:

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

That last part is essential, because transformation doesn't start with strategy. It starts with character and the way we treat one another. It starts with how we listen, how we support, and how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big—but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision.

Let us remember our key priorities: membership, polio, and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made to the children of the world. And as for peace—Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

I joined Rotary as a young professional, eager to help but terrified of public speaking. My fellow Rotarians believed in me and encouraged me to take on new roles, and in doing so, Rotary changed my life. It gave me courage and purpose, but above all, it gave me you: my friends, my team, my family around the world.

So now, my friends... take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's Unite for Good—for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.

With gratitude and affection,

Francesco Arezzo  
President, Rotary International, 2025-26

## President's Message

Dear Members, dignitaries, and well-wishers,

With deep humility and a profound sense of responsibility, I take this opportunity to formally assume the position of 30th President of our esteemed club ROTARY TIRUPUR METAL TOWN for the year ahead. I am both honored and energized to lead this vibrant organization that stands committed to service above self, impact through action, and unity through leadership.

I am proud to announce the installation of our new team of office bearers and core committee members, a dynamic group of individuals who bring energy, expertise, and unwavering dedication to the causes we champion. Together, we are determined to build upon the legacy of our predecessors and push the boundaries of community service and civic leadership.

In the short time since assuming office, we have already embarked on meaningful projects that reflect our mission and values:

### Government School Upliftment Project:

We proudly carried out a transformative project at the 15 Velampalayam Government School, where we provided much-needed benches and desks, completed wall paintings. This initiative is a reflection of our belief that education is the cornerstone of a better future.

### Friday Food Scheme:

We have initiated a weekly food donation drive, where nutritious meals are provided every Friday to physically challenged individuals at the Tirupur Collectorate. This ongoing program seeks to uphold dignity, care, and inclusiveness for all members of our community.

### Celebrations of Service and Sacrifice:

On July 1st, we commemorated two noble professions by celebrating both Chartered Accountants Day and Doctors Day. It was a heartfelt tribute to the professionals who tirelessly uphold ethics, service, and the well-being of society.

### Student Stationery Support Drive:

In our continued commitment to education, we distributed pens and pencils to the students of Angeripalayam Government School, ensuring they have the basic tools to pursue their studies without hindrance.

These are only the first steps in what we envision to be a remarkable year of purpose-driven action and compassionate service. I invite each one of you to actively engage, participate, and collaborate in our upcoming projects and events.

Together, let us write a new chapter of positive change—one that reflects our shared values, resilience, and the power of community.

Thank you for your trust, support, and dedication.

Yours in Service,

**Rtn.MPHF.S.Boopathy**

## Message from Past District Coordinator - Rtn.MD.Ben.V.G.Anandram

*Dear Rotarians*

*Rotary is a platform where compassion meets action, and service transforms into hope. As the Chairman of the Rotary IMA Blood Bank Tirupur Trust, I am proud to witness the selfless contributions of Rotarians and the life-saving impact we create through organized and consistent blood donation drives. Blood is a gift that cannot be manufactured – it can only be given, and our donors are the unsung heroes who make this possible.*

*As the HEAL Coordinator, I am also privileged to lead Project HEAL – High Awareness, Early Detection, Affordable Treatment and Low Mortality - a mission rooted in early detection of cancer. One of our proudest initiatives is the Mobile Cancer Screening Van designed specifically for early detection of cancer among women. With cancer being one of the leading causes of mortality among women in India, this mobile unit is not just a vehicle – it's a moving symbol of hope, awareness, and proactive care. By taking screenings to the doorsteps of rural and underserved communities, we are enabling timely detection and, more importantly, saving lives. This project is a testament to what Rotary can achieve when vision meets execution, and service meets science.*

*Let us continue to serve not just with our hands but with our hearts – because every drop of blood donated and every life screened brings us closer to a healthier, safer society.*

*Yours in Rotary Service,*
