Francesco Arezzo RI PRESIDENT 2025-2026

August is Membership Month, but our commitment to growth and connection is year-round. When we focus on growing Rotary, we grow our ability to serve, to lead, and to bring lasting change.

Membership growth isn't just about numbers. It's about opening doors. It's about inviting more people who are ready to give their time, talents, and hearts to a cause greater than themselves. When we welcome new members, we bring in fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure that Rotary continues to evolve with the world

around us. Remember, there is now great flexibility in fashioning nontraditional club models. I'm inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve.

In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, the close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around a shared interest — whether it's professional development or a passion for

service — and those connections deepen their commitment and their joy in being part of Rotary. And we've seen cause-based clubs thrive in regions as diverse as Southeast Asia, Africa, and Europe.

There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization. This spirit of innovation is also guiding our efforts to reach new communities. In places where there has never been a Rotary club — or where a club once existed and faded — Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities.

Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant. No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good. Let's prioritize membership growth — not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and Unite for Good.

If not us, who?
If not now, when?

THIS IS THE ROTARY SPIRIT.

Dear Anjana,
What a beautiful invite and refreshing thought around the recycled watches for kids. I am sure you and your team will rock this year. Manjoo is a renowned trainer herself so it will be champion stuff from day one! If I can be of any help, am just a call away.
Warm regards.

- Rtn. Ashok Naik

Congratulations Madam. Definitely this will be the best year under your leadership. Sorry I am unable to Join as I am out of town on that date. Best wishes to your team and RCHC members.

- Rtn Narinder Bariwal

Good evening, my dear Rotarians of the mighty and marvellous Rotary Club of Hubli Central – the powerhouse of womanhood! First and foremost, let me offer my heartfelt congratulations to the incoming President Rtn. Anjana Basangoudar and Secretary Rtn. Smitha Mahesh – two leaders I know not just from Rotary, but also from our legendary badminton matches!

And let me tell you, back then too, they were smashing – not just shuttles but also every stereotype that said women can't lead with power and grace.

This club may be just five years young, but trust me – it walks and works like a seasoned Rotarian warrior! You are not just a club; you're a movement of strength, style, and service. Every project you take up has the touch of compassion, creativity, and coordination. (And yes, I suspect a WhatsApp group that never sleeps!).

To the outgoing team of Rtn. Rajeshwari – thank you for keeping the Rotary flag flying high with all your accomplishments. And to the new team – get ready! You have shoes to fill, heels to click, and hearts to win. Rtn. Anjana – as President, may your reign be full of impactful projects, zero WhatsApp fights, and plenty of coffee-fueled planning sessions. And Rtn. Smitha – as Secretary, may your minutes be short and your memories long!

This year's Rotary theme is "Unite to Do Good", and I can already see this team turning that into a real-life mission. Whether it's community service, women's empowerment, youth engagement or health drives – I know this club will rise and shine, probably in colour-coordinated sarees too! Keep smiling, keep serving, and keep leading with heart.

Thank you and Jai Rotary!

Buzz & Tell

Charter Member Feature

Radhika Gokhale

Charter President

1 1. What inspired you to be part of forming this club?

I was a member of RC Hubli Mid-Town for 3 years and served on the BOD. However, the late-night meetings were difficult to attend as a woman Rotarian. That's when I felt the need for an all-women's club. Fortunately, Rotary International began encouraging women's clubs—and Rotary Club of Hubli Central was born!

2 2. What's your fondest memory from those early days?

The year 2020–21 was full of challenges due to COVID and lockdowns. But the fondest memory remains the donation of 25 oxygen concentrators to KIMS — a life-saving project that made a real difference. Another was donating 35 tablets to government students, empowering education during difficult times.

3 3. How have you seen the club grow or transform over the years?

We began with 19 members, and in just 5 years, we hit a century! It's a proud feeling to see not just membership grow, but also impactful service projects and strong friendships blossom. I'm especially proud that 3 members became Assistant Governors for RID 3170 in consecutive years. All 5 Past Presidents have won district-level accolades, with many now in key leadership positions.

4 4. What advice would you give to today's members and leadership?

Cherish and continue the legacy we've created. Let every member feel inspired and involved in Rotary's principles and spirit.

5 5. One word that describes your journey in this club? Why that word?

Gratitude — I'm deeply thankful to God for blessing me with the strength to start this club during my toughest times.

6 6. If you could dedicate a song or quote to the club's spirit, what would it be?

चलते चलते मेरे ये गीत याद रखना...कभी अलविदा ना कहना... कभी अलविदा ना कहना...
