"Every new member is a new opportunity to change the world."

Every Rotary journey begins with an invitation. August, our Membership and Extension Month, reminds us that each new member brings fresh energy and every new club widens our circle of service. Membership is not just about numbers—it is about belonging, connection, and impact. Let's celebrate this month by sharing the gift of Rotary and continuing to be People of Action, creating lasting change.

FRIENDSHIP DAY CELEBRATION AT HOTEL YATRIK

CERVICAL CANCER AWARENESS PROGRAM AT TAMANAH INSTITUTE OF ALLIED SCIENCES

MATERNAL N CHILD HEALTH CAMP AT JAGRITI

DISTRIBUTED FOOD PACKETS FOR FLOOD RELIEF

A PROUD MOMENT

A DIVINE JOURNEY TO AMARNATH

My visit to Amarnath in July 2025 was an unforgettable spiritual experience. We began our yatra on the very first day of Sawan, and the atmosphere was truly divine. Our group, Prayagraj Pacers, proved to be more like a family than fellow travelers—each member offering support, encouragement, and companionship throughout the journey.

The sacred pilgrimage felt safe and well-organized, with nature itself blessing us. The weather remained pleasant, making the challenging trek more manageable. Along the way, we relished langar and sang devotional bhajans that uplifted our spirits. Although the steep climb up and down the mountains tested our endurance, the joy of being amidst the Himalayas and the divine energy of the yatra made every step worthwhile.

We chose the Baltal route, beginning our spiritual journey with darshan at Mankameshwar Mandir in Allahabad, before traveling onward to Srinagar and Baltal. At dawn, we set out on the trek, surrounded by breathtaking landscapes. The campsite itself was picturesque, offering a serene space for rest and reflection before resuming the journey.

Reaching the holy cave and having darshan of Lord Shiva was the ultimate blessing, one that filled our hearts with peace and devotion. The Amarnath Yatra was not just a pilgrimage—it was a journey of faith, unity, and divine grace that will remain etched in my memory forever.

From the Editor's desk -

"When we grow Rotary, we grow hope."

Every new member and every new club extends Rotary's reach—bringing light to more communities, solutions to more challenges, and hope to more lives. Growth in Rotary is not just expansion; it is multiplying opportunities to serve, to inspire, and to create lasting change. As Rotary grows, so does the promise of a better tomorrow.
