## WHO WE ARE

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves.

Membership is the lifeline of Rotary. In District 3120, we have always believed that every new member is not only an addition to our family but also a new possibility for service, leadership, and fellowship.

Membership growth is not about numbers alone—it is about nurturing diversity and talent. Each member brings a unique perspective, a fresh approach to problem-solving, and a personal story that enriches the collective journey of Rotary. By welcoming more professionals, community leaders, women and youth into our clubs, we strengthen our ability to meet the evolving needs of society. Equally important is member engagement. A club truly thrives when every Rotarian feels valued, heard and involved. It is not enough to induct a member—we must integrate them into the culture of service, mentor them in leadership, and inspire them to take initiative. When members feel a sense of belonging and purpose, they become lifelong Rotarians. This year, I urge all clubs in RID 3120 to make membership a collective responsibility. Let us actively invite friends, colleagues and young leaders to experience Rotary. Let us also look inward—rekindling the passion of those who may have drifted away and re-engaging those whose participation has lessened. Every Rotarian has the power to bring one more, and in doing so, multiply the impact of our service.

Remember, membership is not about filling seats—it is about filling hearts with purpose and communities with hope. The stronger our membership, the louder our voice, and the deeper our impact. Together, let us continue to make RID 3120 not just a district of growth, but a district of inspiration, inclusivity, and service excellence.

## ROTARY PIN

Rotary pins are worn by Rotarians as a symbol of membership and affiliation with Rotary International. Here are a few reasons why we wear them:

- \*Identity\*:** The pin identifies us as members of the Rotary community, showing our commitment to the organization's values and mission.
- \*Unity\*:** Wearing the pin promotes a sense of unity and belonging among Rotarians worldwide.
- \*Service\*:** The pin serves as a reminder of our commitment to service above self and the Four-Way Test.
- \*Visibility\*:** It sparks conversations and connections, allowing us to share Rotary's message and make new friends.
