# VISION FOR ALL

## Cataract machine worth ₹26 lakh donated to OGH

The Hindu Bureau  
HYDERABAD

A cataract surgery machine worth ₹26 lakh was inaugurated at the Ophthalmology Department of Osmania General Hospital (OGH) here on Monday.

The equipment was donated under the corporate social responsibility (CSR) initiative of National Mineral Development Corporation with support from the Hyderabad Ma-

OGH doctors along with representatives from NMDC and Hyderabad Mavericks Rotary Club.

vericks Rotary Club. Hospital authorities said the machine would significantly improve the capacity to perform cataract surgeries, particularly for poor and needy patients who depend on free or subsidised treatment.

On 22 December 25, CSR-funded project (by NMDC) i.e. phaco-emulsification machine for cataract surgeries worth Rs. 26 Lakhs was handed over in a formal ceremony at the OGH. This machine symbolises "vision for all" under which it was donated to the Department of Ophthalmology in the Osmania General Hospital, Hyderabad.

The event was graced by distinguished guests - Rtn Bibo Srinivas, District Secretary; Dr. Raja Rao, Principal, Osmania Medical College; P. Shyam, General Manager (CSR projects), NMDC; Dr. Rakesh Sahay, Superintendent, OGH; Rtn Dr. Suresh Babu, President of RCHM, Dr. Atul Gupta, and Head of the Department of Ophthalmology, OGH. The District Governor Rtn Raam Prasad visited the department and complimented our club for this impactful project.

This initiative by Mavericks will significantly benefit countless patients by enabling successful and timely cataract surgeries. Heartfelt appreciation to N. K. Nanda for his tireless efforts and perseverance in steering this project to successful completion.

The event was attended by Rtn Ajay Kumar, Rtn Vanasri, Rtn Sekhar, Rtn Lakshminarayana, Rtn Seeta Anand, Dr. Bharat and Dr. Nanda.
