ROTARIAN, QUIZ THYSELF

*A 30-question survey
of your Rotary knowledge*

So you think you know all about Rotary? Maybe—and maybe not. Recent surveys indicate a serious lack of Rotary knowledge among Rotarians worldwide—an "information gap" that can have serious negative consequences within clubs and communities.

True, service, rather than knowledge of facts and figures, is the best measure of a Rotarian. But familiarity with basic Rotary information is important. Rotarians who don't know about Rotary cannot educate new members, nor can they speak knowledgeably about Rotary to the general public.

What better time to test your Rotary knowledge than January—Rotary Awareness Month? Match your wits against the questions on this page. Answers—if you need them—are on page 59. Enjoy yourself.
