Diwali celebration

Rotary Club members celebrated the Diwali Utsav with great enthusiasm on 17th October (Friday) at *Solitaire Inn, Meerut Road*. The evening was filled with joy, laughter, and togetherness, marking another memorable celebration for all.

The program began with a Ganesh Vandana, where Mishika Lohiya gave a beautiful dance performance that set a divine and graceful tone for the evening. The Sufi Band then began the event with a melodious bhajan, filling the atmosphere with positive energy and festive spirit.

The highlight of the evening was the Sufi Band performance, which created a soulful and vibrant mood. The celebration started with a fellowship at 7:45 PM, followed by the musical night

Members enjoyed lucky draws every 20 minutes, winning several silver coins and exciting prizes.

Later, the energy doubled with the Bollywood Tadka, where everyone danced, sang, and celebrated with full enthusiasm. Nidhi Sharma and Neera Sharma added a special charm to the evening with their melodious songs.

Hosts Sandeep Kuchhal and Ajay Bhargava handled the stage beautifully, engaging the audience with fun activities, surprise games, and an exciting Tambola session.

Delicious dinner was served at 10:30 PM, and special arrangements were also made for Ekadashi vrat food.

The event turned out to be a grand success, filled with music, devotion, and joy — a true celebration of the festival of lights.
