#WorldMentalHealthDay
#MentalHealthMatters
#EndTheStigma #SelfCare

Mental health matters just as much as physical health. This year's theme, "Mental health is a universal human right," highlights that everyone deserves access to support, understanding, and care, no matter who they are or where they live.

Let's take a moment to check in with ourselves and with those around us. A small conversation, a kind message, or simply listening without judgment can make a huge difference. 

Together, let's break the stigma and build a world where seeking help is seen as a strength, not a weakness.

Dear Valuable Readers,
Rotary Greetings to all!

Here we are with the October Edition of our
monthly magazine — RCF City Dazzles!

October brought festive cheer and meaningful
days together. With Dussehra celebrating the
victory of good over evil and Karwa Chauth
symbolizing love and devotion, joy filled the air
all around.

Diwali, the festival of lights, reminded us that
together we can remove darkness and be that
precious spark adding brightness to many
lives.

It was also a month that inspired care and
compassion — 10th October marked World
Mental Health Day, 13th October observed the
International Day for Disaster Reduction, and
on 24th October, World Polio Day, we renewed
our Rotary pledge to help End Polio Forever.

We celebrated the month with smiles, service,
and togetherness — reflecting the true spirit of
Rotary!

Kudos to the members of RCF City for their
enthusiastic participation in making this
journey truly memorable.

Warm regards,
Rtn. Sunita Vij

Whether it's community service, environmental action, or blood donation drives, every effort reflects our Rotary motto of Service Above Self.

It's truly inspiring to witness the growing camaraderie, active participation, and innovative ideas that are shaping our journey. Together, with the collective support and contribution of all our members — and under the able guidance and motivation of our District Governor, Dr. Ravi Gugnani — we are confident of taking RCF City to greater heights of excellence and service.

Let's continue this beautiful journey of learning, giving, and growing together — making every step count and every project shine with pride!

Supporting a bright student for a brighter future!

We contributed our share of ₹10,000, for Deepu's fourth semester. We have been supporting this initiative for the last three years, towards the education of a bright student pursuing his MBBS. Having cleared the medical entrance exam, he is now in his fourth semester, continuing his journey to become a doctor. Many Rotary Clubs of Faridabad have joined hands to support his education since the beginning — a true example of Rotary uniting for good, with a purpose.
