

## Message from the President

“

Dear Friends,

There was once a woman who observed her husband, a renowned doctor, heading out every Friday evening for his Rotary meetings. At first, she didn't understand the significance of these gatherings. Curious, she attended one, and quickly realized Rotary was not just a meeting—it was a space where people came together to create real, meaningful change in their community and the world.

Before taking on the role of President, I too felt the same mix of curiosity and nervousness. Now, after eight months in this role, I feel a sense of satisfaction and hope, along with a renewed energy to deliver impactful projects in the remainder of my tenure.

This year, we will focus on projects that address all of Rotary's areas of focus, ensuring our club continues to meet the diverse needs of our community. While challenges are inevitable, I believe in the power of Rotary to adapt, innovate, and overcome them. Together, we will continue to make this a remarkable year. Thank you for your continued support. Let's keep working together to serve and create lasting change.

With appreciation,

**Anshu Gupta, President**

Rotary Club of Faridabad Heritage (2024-25)

”

## Message from the Director of Water, Sanitation, and Hygiene

“

Dear Rotary Members,

This March, as we focus on "Clean Water and Sanitation is a Human Right," we recognize how essential these basics are for healthier, more successful lives—especially for children. Access to clean water and sanitation can transform communities, improving health and education.

At Rotary, we go beyond building wells. We integrate water, sanitation, and hygiene into education projects, teaching children about disease transmission and hygiene. This empowers them to stay in school and share these lessons with their families, expanding our impact.

Aligned with this year's international theme, "The Magic of Rotary," we harness the collective power of our efforts to create lasting, positive change. Together, we can ensure that every child and family has access to the essentials that improve their lives.

Yours in service,

**Dr. Rakesh Gupta**

Director, Water, Sanitation and Hygiene

## Miyawaki Plantation

**Date:** 01st February 2025

**Venue:** Senior Citizen Club, Sector 21A, Faridabad

**Attendees:** 100 members

**Chief Guest:** Shri Vipul Goyal, Rtn Mahesh Trikha, AG Vipin Chanda

Rotary Clubs of Faridabad Heritage, RCF Aravali, and RCF Midtown Next proudly inaugurated a Miyawaki Forest at the Senior Citizen Club. This collaborative project aims to create a sustainable green space using the innovative Miyawaki method, which promotes the growth of dense, native forests that help combat climate change and enhance biodiversity.

### What is Miyawaki?

The Miyawaki method, developed by Japanese botanist Dr. Akira Miyawaki, involves planting native species to create fast-growing, high-biodiversity forests. These forests help reduce CO<sub>2</sub>, improve air quality, and restore ecological balance in urban spaces.

### Inauguration Ceremony Highlights-

The project was officially inaugurated by Cabinet Minister Shri Vipul Goel Ji as Chief Guest, with DG Mahesh Trikha Ji serving as the Guest of Honour. Their presence reinforces the importance of community-driven initiatives for environmental sustainability.

# Supporting the Environment

## Miyawaki Plantation

### Message from Rtn. Divyanu Gupta, President, RC Faridabad Midtown Next:

"With this Miyawaki Forest, we are planting the seeds of a greener, more sustainable future. Rotary believes in service above self, and this initiative reflects our commitment to the planet. Let's come together and build a cleaner, healthier world."

### Message from Cabinet Minister Shri Vipul Goel Ji:

"I congratulate the Rotary Clubs for leading such a valuable environmental project. This Miyawaki Forest is a great step toward creating a greener future for our community and the next generation."

# Supporting the Environment

## Miyawaki Plantation

### Message from DG Mahesh Trikha Ji:

"It's inspiring to see how Rotary is making a tangible impact on our environment. This Miyawaki initiative is a perfect example of how we can all contribute to a sustainable future. Let's continue this journey of growth and environmental care."

Together, let's nurture this green legacy for a cleaner tomorrow!

# DISEASE PREVENTION & TREATMENT

**Venue:** St. Peter's convent School, Sector-88, Gr. Faridabad

**Beneficiaries of the camp:** 1580 students

**Services provided in the camp:** Doctor consultation, Dental & Eye Check-up

# Celebrating Paul Harris Day

## A Call to Action for Peace and Understanding

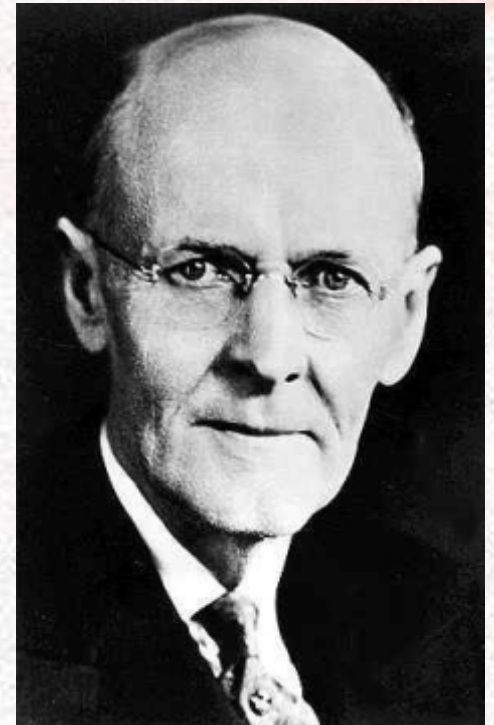

**Date :** 23 February 2025

**Venue:** Vanprasth Vridh Jan Sewa Samiti, Sector 28, Faridabad

**Beneficiaries:** 12 peoples

February 23rd is not just any date on the calendar; it marks Rotary's 120th Birthday and is celebrated worldwide as **Paul Harris Day**. It's a day to reflect on the legacy of Paul Harris, who, along with three friends, founded Rotary on this very day in 1905, meeting in room 711 of the Unity Building in Chicago. What they began that day has since grown into a global force for good, yet our journey toward achieving true goodwill, peace, and understanding among all people is ongoing.

This day is also recognized as **World Understanding and Peace Day**, a moment for us to renew our commitment to fostering peace and harmony across the globe. We are reminded that our work is far from complete – there is still much to be done to build a world where understanding and goodwill are paramount.

# Celebrating Paul Harris Day

## A Call to Action for Peace and Understanding

In line with Rotary International's vision, the Board of Directors encourages every Rotary Club to plan programs and activities on this special day to promote these values of peace and understanding. February is also a time to highlight and celebrate **Peace building and Conflict Prevention**, which aligns with our **Fourth Avenue of Service**. This is an opportunity for each of us to pause, reflect, and contribute toward creating a more peaceful and united world.

To celebrate this important day, our club organized a small activity by visiting an **old age home**, where we spent time with the inmates, shared meaningful conversations, and offered some fruits and snacks. It was a wonderful way to connect with our community, spread warmth, and make a positive impact, reflecting the spirit of goodwill and peace we all strive for.

Let's use this moment not just to celebrate, but to take action – through both small and large gestures – to continue our pursuit of peace, goodwill, and understanding among all people.
