Rotary Club of Faridabad Heritage

President – Rotary Club of Faridabad Heritage (2024–25)

“

Dear Fellow Rotarians,

As we enter the final stretch of this Rotary year, it's a moment to reflect and take pride in the impact we've created together. From driving the Zero Waste City movement to caring for stray animals, our actions have embodied the true spirit of Rotary—service with purpose and compassion.

The Zero Waste initiative has sparked meaningful change in our city, encouraging sustainable habits and cleaner surroundings. At the same time, our work for stray animals has brought hope and healing to the voiceless.

This year's theme, The Magic of Rotary, reminds us that real magic lies in our unity and service. Let's stay inspired, stay involved, and continue making a difference—one thoughtful act at a time.

Thank you for your dedication. Together, we are creating a legacy of kindness and change.

Warm regards,

Rtn. Anshu Gupta

Youth Service Month – May 2025 Rotary Club of Faridabad Heritage

“

Dear Fellow Rotarians,

As we welcome May, we celebrate Youth Service Month—a time to recognize and empower the next generation of leaders. Our youth programs—Interact, Rotaract,

RYLA, and Rotary Youth Exchange—are powerful platforms that help young individuals grow through service, leadership, and global understanding.

Now more than ever, your involvement matters. Mentor a young Rotarian, support a RYLA event, or engage with an Interact club. Invite youth participants to our meetings and collaborate on projects—they bring fresh energy and ideas that enrich our mission.

At its heart, Rotary is about mentorship and values. Let's continue to guide, inspire, and invest in the leaders of tomorrow. Their passion will carry forward the legacy we build today.

Thank you for your continued support.

Warm regards,

Rtn. Vikas Gupta

“The Garden That Grew Hope”

A story about people coming together to bring real change

There was once a piece of land in the middle of a neighborhood—empty, dusty, and forgotten. It had become a dumping ground over the years, filled with garbage, broken bottles, and dry weeds. People passed by every day, shaking their heads, thinking, “Nothing will ever change here.”

But one day, a small group of people decided to do something about it.

They didn’t wait for help or funding. They simply rolled up their sleeves, brought a few tools, and started cleaning. Bit by bit, the land began to clear. Word spread, and more people joined in. Children came with painted stones. Elders offered to plant saplings. Some brought benches, others came with paint for walls and fences.

Week after week, the place slowly changed.

That dirty, forgotten patch of land is now a beautiful green space. There are flowering plants, benches under shady trees, and even a little area where kids can play. In the mornings, people come for yoga. In the evenings, you’ll find children reading or painting. It has become a space full of life, laughter, and peace.

But the most beautiful part? It brought people together.

Neighbors who had never spoken before became friends. Young and old worked side by side. And most importantly, people started believing again—that real change is possible, if someone is willing to take the first step.

This story is a reminder that you don’t need big plans or big money to make a difference. All it takes is a little courage, a little kindness, and a few helping hands.

Because when we come together to serve, we don’t just fix places—we heal hearts

Inspiration and Reflection

at Rotary Club of Faridabad Heritage

On 18th April 2025, during a special gathering of the Rotary Club of Faridabad Heritage, our dedicated Club Trainer, Dr. Rakesh Gupta, delivered an inspiring session that truly resonated with everyone present.

Dr. Gupta warmly introduced all the new members to the Rotary family, sharing the values, vision, and legacy that bind us together. As part of his session, he posed a deeply meaningful question to the group:

“Why are we in Rotary?”

This question served as a powerful moment of reflection — encouraging each member to think about their personal journey in Rotary, and the purpose that drives our collective efforts in service, fellowship, and positive change.

The session was greatly appreciated by all attendees, leaving a lasting impression and reigniting the passion for service in both new and existing members.

We are proud to be part of a club that continuously inspires, uplifts, and stays committed to making a difference.
