ROTARY CLUB OF FARIDABAD HERITAGE

Message from President

“

Dear Rotary Family,

As the fourth president of the Rotary Club of Faridabad Heritage since its inception, I want to take a moment to reflect on the extraordinary work of my predecessors. Each past president has played a vital role in elevating our club's image within the district, and their dedication has set a remarkable foundation for us all.

This year, we embrace the theme "The Magic of Rotary," which truly encapsulates the transformative impact we can create together. When I assumed the presidency, I felt a mix of excitement and apprehension. However, over the past three months, I have been continuously inspired by the unwavering support of our members. Together, we have initiated impactful projects that embody this theme, making a real difference in our community. I look forward to achieving even more in the remaining months of my term.

I owe this success to each one of you and to my incredible supporting team. Your commitment and enthusiasm make our collective vision a reality. Let's continue to harness the magic of Rotary and work together to create lasting change!

Warm regards,
Rtn. Anshu Gupta
Current President
Rotary Club of Faridabad Heritage

Dear Rotarians,

Each month in Rotary is dedicated to a different theme, and for November, we are proud to celebrate Rotary Foundation Month. This is a time to reflect on the incredible work done by the Rotary Foundation, which helps fund life-changing projects around the world—from supporting education and promoting peace to providing clean water and fighting disease.

As we observe this important month, let's take a moment to recognize the impact the Foundation has on our global community and how we, as Rotarians, can continue to support its mission. Together, we can make a lasting difference.

Thank you for your continued commitment to Rotary and to the service we provide to those in need.

Yours in Rotary,

Rtn. Pradeep Sharma
(Director Rotary Foundation Chair)
