Message from the President

“

Dear Rotarians,

As we celebrate the 7th edition of our Rotary Heritage magazine, I am filled with gratitude and pride for the journey we have taken together over the past seven months. Serving as president of such a prestigious club has been an incredibly fulfilling experience, and I am honored to lead a team so committed to making a meaningful difference in our community and beyond.

In January, we focused on strengthening our fellowship while also continuing our impactful community projects. Through a series of activities designed to bring us closer as a team, we've not only deepened our bonds but also enhanced our collective ability to serve. This balance of fellowship and service is the true spirit of Rotary, and I am proud of the work we've accomplished so far. Looking back, our efforts in service, fellowship, and community development have been nothing short of inspiring. Each project, each initiative, and each action taken by our members has exemplified Rotary's core values. I am confident that the coming months will bring even more opportunities for us to create positive change and foster lasting relationships.

As we continue to work together, I encourage each of you to stay engaged, share your ideas, and keep up the fantastic work. With your support and dedication, we will continue to thrive and live our motto of "Service Above Self."

Warm regards,

Rtn. Anshu Gupta

Message from the Director - Peace Building and Conflict Prevention

“

Dear Fellow Rotarians,

As we embrace February, a month dedicated to Peace building and Conflict Prevention, let us reflect on Rotary's core focus of fostering peace in our communities and the world. Peace is not simply the absence of conflict, but the presence of justice, equity, and harmony. As Rotarians, it is our duty to be architects of peace—building bridges where there were once walls.

This month, I encourage you to engage in initiatives that promote peace and conflict resolution, such as:-

Community Dialogue Sessions: Facilitate open discussions to foster understanding and resolve conflicts.

Youth Peace Workshops: Empower young people with skills for conflict resolution and leadership.

Cultural Exchange Programs: Promote tolerance and appreciation of diverse cultures.

Support for Local Peace Initiatives: Back organizations focused on peace building with resources and volunteer support.

Online Peace Awareness Campaigns: Use social media to spread awareness about peace and conflict resolution.

These actions, no matter how small, contribute to a global culture of peace. I urge you to participate in at least one of these initiatives this month, as together we can create communities where understanding prevails over misunderstanding.

Let's continue to be ambassadors of peace and pave the way for a harmonious world. Wishing you a month of peace, understanding, and meaningful service.

Yours in Rotary,

Rtn. Neelam Garg
