Message from District Governor

Dear Magical President!
Dr. Anshu Gupta Ji

Greetings!

At the outset, Sujata and I congratulate you on two counts- first, taking over the reins of your Club, Rotary Club of Faridabad Heritage and secondly, taking out the first edition of your Newsletter 'Triumph'...

Rotary is all about leadership and as leaders cultivate a shared culture, promote an inclusive environment, find new ways of facing challenges and opportunities, implement creative ideas, build excitement for new ideas and encourage a flexible mindset. We have full confidence that by the 'grace' of your leadership, you will 'triumph' in all areas to create the 'Magic of Rotary'....

Warm regards,
