#### Some numbers about Disease Prevention & Treatment

#### Initiatives of Rotary Club in India towards Disease Prevention:

Initiative	Description	Statistics
Polio Eradication	Rotary has been instrumental in the fight against polio in India.	India is declared polio-free. The last case of polio was on 13 Jan 2011. Rotary members have contributed \$2.1 billion+ and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease.
Blood Donation Centers and Temp Clinics	Rotary sets up temporary clinics, in communities struggling with health care access.	Rotary Blood Bank is India's largest blood bank, located in the Tughlakabad Institutional Area, New Delhi, India. In 2021, blood transfusion services collected a total of approximately 5.83 million blood units.
Infrastructure Development	Rotary builds infrastructure that allows doctors, patients, and governments to work together.	The National Infrastructure Pipeline (NIP), introduced in 2019 emphasizes social and infrastructure projects including energy, roads, railways, and urban development projects worth INR 102 lakh crores.
Health Education	Focuses on health education for hearing, vision, and Dental care.	Rotary and Tata Trusts announced a five-year collaboration to advance socio- economic indicators through multi-thematic interventions across India.

#### RCST's initiatives towards Disease Prevention & Treatment

Throughout the course of the past Rotary year, the Rotary Club of Surat Tapi (RCST) has consistently exhibited a high level of dedication and passion in promoting and actively participating in Disease Prevention & Treatment initiatives. Our collective efforts have yielded significant progress, and we remain wholeheartedly committed to the ongoing pursuit of these vital endeavors.

## Significant Progress and Ongoing Commitment

Moving ahead, our commitment remains steadfast, and we are enthusiastic about the opportunities that lie ahead. By fostering a culture of continuous improvement and community engagement, we aim to amplify our influence and enhance the effectiveness of our Disease Prevention & Treatment initiatives.

## Beneficiaries of RCST's initiatives

In conclusion, as we navigate the path forward, our dedication to advancing health and wellness in society remains unwavering. The RCST is poised to expand its impact and leave an indelible mark on the communities we serve.

## Theme Projects/Tour of our Initiatives & accomplished projects

#### On Dec 3rd:

The Rotary Club of Surat Tapi recently organized impactful health initiatives in the community. A dental check-up at Asra Vrudhasram, Vesu, focused on the oral health of elderly residents, examinations providing preventive care. Simultaneously, an eye check-up at A to Z Multi-Specialty Hospital, Sachin, catered to all ages, ensuring comprehensive vision care. These initiatives underscore the club's commitment to community wellbeing and accessible healthcare.

#### On 10th December

This Sunday, the Rotary Club engaged in heartwarming activities at Khoba Ashram School, creating unforgettable memories with the children. Laughter echoed as the youngsters participated in games, fostering a sense of community and camaraderie. To sweeten the day, cupcakes and Dairy Milk chocolates were shared, eliciting smiles and

spreading happiness.

Recognizing the importance of hygiene, the Rotary Club also distributed hand wash to the school, emphasizing the value of cleanliness for a healthier environment. This #SundayFunday was a testament to the club's commitment to not only bring joy but also contribute to the well-being of the Khoba Ashram School community.

## R.ANNET'S IMAGINATION

My favourite Subject: Drawing

favorite subject. Drawing is my feeling. When I do painting I feel happy. When I was 2 years old; I started drawing on walls of my house. I have drawn Chotta Bheem, Rainbow, many such things on my walls. When my mom saw that I was drawing on walls - My mother shouted at me. Then I joined drawing classes. Teacher Krishna mam, my teacher teaches my shapes coloring, combination color shading, sketching. My teacher teaches me very well. My teacher is the best.

#### Exploring R. Partners's Creativity

## Nature in My Imagination

"Imagination is a thought. Which keep going on in our mind only. But when its real form appears in front of us. Then it is very beautiful because it has come in the form of our dreams. Which we have completed.

To be honest, when I travel, only nature is in my imagination. It's experience is very loving. It feels like nature is talking to me. Nature wants to tell me something.

Just imagine, if these Trees, Plants, Mountains, Rivers, Clouds, Moon and Stars talked to us, how nice it would be, would'nt it? Be able to understand their feeling and know their preferences.

Yes, perhaps it is also possible that it talks to us, but we are not able to understand.

As if the trees and plants are expressing their happiness by making loud noises.

Just like river water flows in a strong stream, it pushes its challenges out of the way.

Just like big maintains say, I come touch my peak and tell me.

In my imagination the trees say' can you be happier than me?

#### Exploring R. Partners's Creativity Cond....

The river asks, can you enjoy life more than me?

And the mountains say, can you meet challenges like me?

Our nature is really so beautiful, we get to learn so many things from the Mother Nature,

But we cannot learn anything from it, can't hear what its wants to say.

#### I want to say a few lines from nature.

1)सुन्दर हो तुम सुन्दर ही रहना हम मनुष्यो के कारण अपनी सुन्दरता मत खोना, प्रकृति तुम्हारा हर मौसम है प्यारा चाहे वो हो गरमी या हो जाडा सुन्दर हो तुम सुन्दर ... 2)प्यारी सी है मुसकान तुम्हारी जैसे नदियों मे बहता पानी तुम रोती रो तो बादल भी आंखो से झलकाता है पानी सुन्दर हो तुम सुन्दर ही रहना...
