A New Chapter Begins – Installation Ceremony 2025–26 Rotary Club of Surat Tapi

With hearts full of pride and hands ready to serve, we marked a memorable beginning to the Rotary Year 2025–26 at our grand Installation Ceremony.

Our newly installed President **Rtn. Dipak Bhatt** and the vibrant Board of Directors were officially welcomed with warmth, blessings, and boundless energy.

We express our deepest gratitude to:

Installing officer District Governor RY 2025-26 - **Rtn. Amardeep Singh Bunet**

District Governor **Rtn. Tushar Shah**

Assistant Governor, fellow Presidents & Secretaries, dignitaries, guests, and our ever-enthusiastic Rotarians & families - your presence made the evening truly special.

Here's to a year filled with service, smiles, and meaningful change under the spirit of "Service Above Self."

Let's create impact. Let's create memories. Let's serve together.

Rotary Club of Surat Tapi had the honour of attending the Installation Ceremony of District Governor 2025-26 Rtn. Amardeepsingh Bunet at Ankleshwar, hosted graciously by Rotary Club of Bharuch.

In a symbolic and heartfelt moment, our very own District Governor 2024-25 Rtn. Tushar Shah exchanged the prestigious collar with DG Amardeep Singh Bunet — a powerful gesture of continuity, commitment, and leadership in Rotary District 3060.

As a mark of fellowship and goodwill, we proudly presented the Home Club Banner of DG Rtn. Tushar Shah to the Rotary Club of Bharuch

Together, we continue to celebrate leadership, unity, and the timeless spirit of Service Above Self.

:: Service Above Self ::

A success operation was conducted by Dr Bhavinbhai Patel at SVNM hospital. The student of std 2 of C.S.Vidya Bharti English School Primary section suffered from CATARACT in both the eyes. With minimum expenses the operation was conducted.

The Parents and Staff of the school are Very much Thankful to Dr Bhavinbhai and Viralbhai for taking initiative.

Avoidable blindness in real sense.

:: Awards ::

Yay! We did it... district award ceremony held on 28th June at Rajkot

We congratulate Dr.Viral Gondaliya invited as a guest speaker on International Service E-talk Rotary E-club of One Kuala Lumpur, Malaysia

We're proud to share that Rotary Club of Surat Tapi distributed 3,600 notebooks to the deserving students of Hem Ashram Shala in the Dharampur area on 5th July, 2025.

These much-needed educational supplies will go a long way in supporting the learning journey and growth of these bright young minds. A heartfelt thank you to all the Rotarians and volunteers who made this impactful initiative possible!

Successful Joint Blood Donation Camp!

We're proud to share that a Joint Blood Donation Camp, organized by Rotary Club of Udhna, Rotary Club of Surat Tapi, Rotary Club of Surat Riverside, Rotary Club of Surat Seaface, Rotary Club of Surat, and Rotary Club of Surat West in association with NJ India on 10th July, 2025 and we collected an incredible 185 units of blood!

This impactful initiative was graced by the presence of:

- AG Nehal Shah
- AG Bankim Vashi
- IPDG Tushar Shah

A heartfelt thank you to all the donors, volunteers, and supporters who made this noble cause a success. Together, we're saving lives!

Appeal for Used Spectacles – Give the Gift of Vision

Rotary Club of Surat Tapi in association with Swami Vivekanand Netra Mandir Trust (SVNM) is collecting used spectacles – even older-spec models – that are still in good and usable condition.

These glasses will be refurbished and provided free of cost to people in need, especially in rural areas and underserved communities who cannot afford proper vision care.

If you or your family have any unused spectacles at home – whether prescription or reading glasses – please consider donating them. Your small act of kindness can bring clear sight and a better life to someone in need.

We appeal to maximum people to come forward and contribute your old spectacles. Let's make a difference – one pair of glasses at a time.

Members, please bring them in meeting.

Eye Checkup Camp Initiative – A Year-Round Project:

Rotary Club of Surat Tapi is proud to launch a year-round Eye Checkup Camp project across Government Schools in the Surat area, in association with Swami Vivekanand Netra Mandir (SVNM).

Targeting maximum schools and students in need, this initiative aims to provide free vision screening and distribute spectacles to those requiring correction – ensuring that no child's education is hindered due to undiagnosed vision issues.

A heartfelt thank you to IPP Rtn. Nidhiben for spearheading this impactful initiative. Your dedication continues to guide and inspire us.

Last year, with the support of SVNM, we successfully screened around 5,000 students.

This year, we aim even higher!

Let's bring clarity and confidence to every child's eyes – one pair of spectacles at a time!

Rotary Club of Surat Tapi – First Club Meeting of RY 2025-26:

The Rotary Club of Surat Tapi kicked off Rotary Year 2025-26 with a vibrant and joyful fellowship meeting. Members gathered to celebrate the start of a new Rotary journey with an evening full of music, singing, and lively dance. A talented singer kept the energy high, and the fun atmosphere had everyone on their feet.

Adding to the monsoon vibes was a delightful bhajiya party — a seasonal favourite that brought warmth, flavour, and plenty of smiles. It was truly a memorable evening of bonding, laughter, and togetherness, setting a cheerful tone for the year ahead!

Rotary Club of Surat Tapi Organizes Successful Blood Donation Camp

The Rotary Club of Surat Tapi, in collaboration with Khwaja Garib Nawaj Trust and Surat Health Care Foundation (Lokhat Blood Bank), successfully organized a blood donation camp on 20th July, 2025 where they collected 51 units of blood.

This noble initiative reflects the spirit of community service and the shared commitment to saving lives. We extend heartfelt thanks to all the donors and volunteers who contributed to making this event a success. Together, we make a difference.

Medical camp was organized at Sherimal Primary School of Dharampur taluka in collaboration with Gopal Charitable Trust, Lokmangalam Charitable Trust and Rotary Club of Surat Tapi on 18 July 2025

Rotary Club of Surat Tapi Presents

“हवे हुं मौन तोडीश” – **Now I Will Break My Silence**

What an inspiring, eye-opening, and life-changing evening we had on 25th July. Where Dr. Bijal Gandhi (MPT) took the stage not just as a specialist – but as a voice for millions of silent women. From urinary incontinence to endometriosis, from PCOS to pelvic floor dysfunction – taboo topics were unlocked, understood, and embraced. With grace and clarity, Dr. Bijal helped us break barriers of shame and silence, empowering women to reclaim their health, confidence, and dignity.

A heartfelt THANK YOU to Dr. Bijal Gandhi for simplifying the science, speaking the truth, and making every woman in the room feel seen and heard. Your words were more than knowledge – they were healing. This wasn't just a session. It was a movement. A revolution in whispers turned into voices.

To all the women who came with questions and left with strength –
You are not alone. Not anymore.
Be there. Be aware. Break the silence.

Sustainable Impact in Action

On July 27th, the Rotary club of Surat Tapi Rotary Club of Surat Tapi, in partnership with Lokmangalam Charitable Trust - Khoba - NGO & Gopal Charitable Trust achieved a key milestone in sustainable rural development — distributing 1,000 Kesar Mango saplings to tribal farmers in Khapatia, Dharampur.

Each sapling is a seed of opportunity, representing long-term income, climate resilience, and environmental renewal.

Cost per Sapling: Rs.100/-

Location: Khapatia, Dharampur

Every tree will be cared for until it bears fruit — ensuring lasting impact. This initiative reflects our commitment to creating shared value through meaningful CSR and community collaboration.

Thank you to every donor and volunteer involved — together, we're not just planting trees; we're planting prosperity

#ServiceAboveSelf #RotaryFoundation #ProudMoment"

Heartiest congratulations to DG Rtn. Tushar Shah for achieving a phenomenal milestone of \$1.922 million contribution to The Rotary Foundation! Your leadership and dedication are truly inspiring – setting a shining example for all of us in Rotary.

My RYLA Experience: A Journey to Remember by Jahanvi Dipen Shah

On the 31st of May, I embarked on a truly memorable journey as I participated in a two-day RYLA (Rotary Youth Leadership Awards) program. Hosted at the Statue of Unity, the program was not just a break from routine life - it was an experience packed with learning, fun, exploration, and personal growth.

As soon as I arrived at the venue, there was a sense of excitement and energy in the air. I was excited to meet new people and get along with them. We were allotted with rooms after reaching the venue and after freshening up we reached seminar hall where we were welcomed by Kumkum tika and chocolates by Rotary club of Ankleshwar. After our welcome ceremony the Introduction session of RYLA was conducted by President of Rotary club of Ankleshwar Mr. Sunil Neve Sir. In that session he gave us insights about what is RYLA and why should one attend RYLA. He filled all the students with so much energy for the next sessions. After such energizing session, District RYLA Chair Mr. Rakesh Kannada Sir gave his best wishes and blessings to all the participants. After the introduction session was over, we all were allotted with different teams, we sat with our team members introduced ourselves and after that we attended the interactive sessions led by insightful speakers who shared their experiences and valuable knowledge. First session was conducted by Mr. Vedvyas Dwivedi Sir who shared his knowledge about Astronauts, space and Grahass with us. Second session was conducted by Mr. Dinesh Sevak Sir who is a professional trainer for IAS and IPS students. These sessions were both inspiring and thought-provoking, helping us reflect on our own lives and ambitions.

After the sessions, we had lunch with our fellow participants. After we were done with lunch we visited the world-famous Statue of Unity, a moment that left all of us in awe. Standing in front of the towering statue of Sardar Vallabhbhai Patel was humbling—it made us reflect on the strength and vision of the Iron Man of India. We clicked pictures against the stunning backdrop and captured memories we would cherish forever.

As night fell, we witnessed the laser light show at the Statue of Unity. The display was vibrant, artistic, and full of storytelling. It was an emotionally powerful moment, reminding us of our shared heritage and the values of courage, unity, and sacrifice.

Back at the hotel, we had a delicious dinner and then we engaged in various fun games and bonding activities. Laughter echoed around the lawn as we played, competed, and learned to cooperate. These games were not just entertaining; they taught us valuable lessons about teamwork, patience, and creativity. I also got the chance to connect with fellow participants, many of whom quickly became close friends.

The next morning began early with us trekking at the beautiful location around the statue of unity walking through the beautiful landscape with nature around us and taking in all the fresh air we could. The trek was both refreshing and challenging, helping us build endurance while appreciating nature. We took more photos to freeze those moments in time, and each view was more breath-taking than the last.

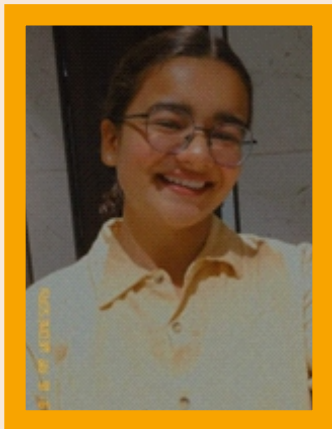

After returning to the hotel and getting freshened up, we all gathered for another round of engaging and motivational sessions. Second day's First session was taken by Mr. Saday Joshi Sir with asking all the participants about what they have learnt in these two days. Every participant had different answer, some said time management some said team work and like this the engaging session with Mr. Saday Joshi was over, after that Mr. Sacin Neve Sir

- took a interactive session about verbal and non-verbal Communication. Where we learned different types of communication and different types of body languages. And after that we had Mr. Kamlesh Thakkar Sir with another power packed and interactive session where he taught participants easy tricks to memorize studies and how to achieve our full potential during exams. These discussions encouraged us to think deeply about our goals and our roles as future leaders. We shared our thoughts openly, and it was amazing to hear different perspectives from people of different backgrounds.

Before leaving, we had a final group lunch and took group photos to celebrate our short yet unforgettable time together. There was a mix of emotions—joy, nostalgia, and a touch of sadness that it was already coming to an end. Saying goodbye was hard, but we all knew we were leaving with something special: memories, friendships, and inspiration to carry forward.

Attending RYLA was one of the best experiences of my life. In just two days, I learned so much—not just from the sessions, but from every person I met and every activity I took part in. From leadership lessons and team-building games to trekking, sightseeing, and the friendships I built, every moment was filled with purpose and joy. RYLA helped me grow not just as a student, but as a person. I am truly grateful for this opportunity and will carry the lessons and memories with me for a long time. And I will always look forward to attending RYLA.

Thank you.
