**THE RCLD NOVEMBER**

## From the President's Desk

Rtn. Rajashekar Vodela

Dear Rotarians

November has been a remarkable month for Rotary Club of Lake District, Moinabad – a month filled with energy, purpose, and meaningful service. The RCLD Fitness League kept our spirits high, bringing together 52 members who participated with incredible enthusiasm, culminating in an unforgettable grand finale that strengthened our bonds as a family.

We also had the honour of hosting two major events – the Black Tie Dinner and the District Foundation Seminar – both graced by Rotary leaders including Dr. Mahesh Kotbagi. These events reinforced our club's culture of giving, learning, and leadership within the district.

Our service initiatives this month created a deep impact. Through our Global Grant, we supported 74 pediatric heart surgeries at Sri Sathya Sai Sanjeevani Hospital. We celebrated Children's Day with specially-abled children, empowered girl students with bicycles, donated hearing aids, enhanced school infrastructure, and continued our steady support through Heal A Child, Blood Donation drives, and various community outreach programs. A special note of gratitude to Rtn. Dr. Tanuja for her consistent visits to MAA E&T Hospitals, where she counsels young mothers with compassion and dedication. Her efforts truly reflect the heart of Rotary – Service Above Self.

We also fulfilled our commitment to the Blind Girls School, Malakpet, by completing a new shed that provides the girls with safer, more comfortable, and dignified living space.

During our visit, we were deeply impressed by the values instilled in the students—their discipline, cleanliness, and respect for their surroundings were truly remarkable. It was heartwarming to see how responsibly the children understood and upheld the importance of hygiene. Access to clean sanitation not only protects their health but also significantly improves school attendance, especially for girls. Good sanitation fosters confidence, restores dignity, and creates a safe space where children can learn, grow, and thrive without hesitation.

Dear Rotarians

November has been a truly power-packed month for Rotary Club of Lake District, Moinabad. With the RFL finals approaching, our 52 participating members showed tremendous enthusiasm through competitions, weekly activities, experience sessions, and even fun dance challenges.

We proudly hosted two major district events — the Black Tie Dinner celebrating Rotary's culture of giving, and the District Foundation Seminar graced by Rtn. Dr. Mahesh Kotbagi, Chair, Rotary Foundation India.

Our service projects continued with strong commitment. Through our Global Grant, we supported life-changing surgeries for children at Sri Sathya Sai Sanjeevani Hospital, Siddipet. We also fulfilled our promise to the Malakpet Blind Girls School by constructing a new shed, providing the girls with safe and accessible storage space.

Acts of kindness by our members continue to inspire us. Dr. Tanuja's weekly counselling sessions for young mothers at Ma E&T and Rtn. Raj's constant support to community initiatives truly embody Service Above Self. Our ongoing initiatives — Heal a Child, Blood Donation, Mental Health Awareness, and various outreach programs — also continued with great member participation.

November has been a month of impact, compassion, and meaningful service, reaffirming our club's commitment to transforming lives.
