**THE RCLD DECEMBER**

## From the President's Desk

Rtn. Rajashekar Vodela

Dear Rotarians,

December was a fulfilling month that beautifully showcased the balance between fellowship, service, and learning at our club. The warmth of togetherness experienced through our fellowship activities strengthened our bonds and reminded us that meaningful relationships are the backbone of impactful Rotary work.

Our service initiatives during the month reflected care, consistency, and compassion—touching the lives of children, the elderly, students, and the larger community. Each project, whether focused on environment, health, or well-being, carried a sense of purpose and collective responsibility.

What gives me great confidence is the spirit with which our members came forward—working quietly, selflessly, and with genuine intent to make a difference. I am equally encouraged by the active involvement of our Rotaractors and the emphasis on continuous learning through engaging discussions and speaker sessions.

As we conclude the year, I thank every member for their time, trust, and commitment. Let us carry this momentum forward into the new year, strengthening our impact and living Rotary's ideal of Service Above Self in everything we do.

Warm regards,

Rtn. Rajashekar Vodela

President, 2025-26

Rotary Club of Lake District, Moinabad

## DESIGNATED DAY – STRESS MANAGEMENT – 13 Dec 2025

RCDLD, in continuation of the Manogna series, organized a Stress Management Workshop, for students of 9th and 10th grades. The session was primarily focused on exam-related stress and the pressure students face ahead of their upcoming board examinations. The workshop was facilitated by Dr. P. Renu, who engaged the students through a well-structured PPT presentation followed by an interactive discussion. The students listened attentively and participated actively, raising thoughtful and genuine concerns related to time management, mobile distractions, peer pressure, family expectations, and the constant need to perform well. Many of the questions posed were insightful and thought-provoking, reflecting the real challenges faced by today's students. Dr. Renu and Dr Sunita patiently addressed each query, offering practical guidance and reassurance.

## Rtn. Dr. Tanuja's Continued Service

Rotary Club of Lake District Moinabad proudly acknowledges Rtn. Dr. Tanuja for her continued commitment to community service. In continuation of her dedication, she visits MAA Hospitals twice every month, offering free consultations to expecting mothers and specially-abled children.

This selfless act reflects her deep compassion and unwavering sense of responsibility toward those in need. Through her time, care, and professional expertise, Dr. Tanuja continues to touch lives and truly embodies Rotary's enduring spirit of Service Above Self.

## CHRISTMAS WITH KIDS – 20 Dec 2025

RCLD celebrated Christmas with the Special children and students of Speech n hearing institute in a joyful and festive atmosphere. The afternoon was filled with laughter and cheer as Santa distributed goodies, the young ones happily participated in cake cutting, and gifts were given to every child. The excitement and smiles on the children's faces beautifully captured the true spirit of Christmas—love, kindness, and sharing. The event was attended by Rtn Dimple, Rtn Shivani, and Rtn Sunita. We extend our heartfelt thanks to MAA Hospitals for giving us this opportunity and for spreading happiness and creating cherished moments for these young hearts.

## TREE PLANTATION – 24 Dec 2025

## Secretary's Note

Dear Rotarians

The month of December truly reflected the spirit of friendship, fellowship, and meaningful service at Rotary Club of Lake District, Moinabad.

We began the month with a wonderful movie fellowship for our members through a private screening, which saw enthusiastic participation and turned into a fun-filled evening of bonding and camaraderie. Our fellowship continued when we were invited by the Rotary Club of Hyderabad Deccan for a well-organized treasure hunt followed by lunch. Many of our members participated, making it a memorable and joyful day. We thank the Rotary Club of Hyderabad Deccan for the warm invitation and hospitality.

On the service front, December was equally impactful. We successfully completed the district tree plantation project by planting around 100 saplings in a park at Yusufguda and the neighboring colony. It was heartening to see the residents come forward and take responsibility for nurturing the plants.

We celebrated Christmas with special children at the Maa Institute, spreading joy through festivities, goodies, and shared moments of happiness. Our continued support to SR Old Age Homes also went on, with the supply of monthly medicines and food requirements, reaffirming our commitment to consistent service. We also marked International Day with activities focused on celebrating and empowering young minds.

In continuation with the Manogna series, we organized a stress management session at a Government School in Ameerpet for students of 9th and 10th standards. The session focused on exam stress, and the interaction was extremely engaging, with students openly sharing their concerns and receiving meaningful guidance.

We also had an enriching speaker meeting with Sandeep Gantori who spoke on wealth management and the growing influence of AI, offering valuable insights to our members.

Overall, December was a power-packed month filled with fellowship, service, and learning. As we step into the new year, we look forward to continuing our journey with renewed energy, enthusiasm, and a shared commitment to service above self.
