## From the President's Desk

Rtn. Rajashekar Vodela

Dear Rotarians,

April has been a month of meaningful service, inspiring fellowship, and impactful collaborations for Rotary Club of Lake District Moinabad. From insightful speaker sessions to community-driven initiatives, the month reflected our shared commitment to service and social responsibility.

We had the privilege of hosting distinguished speakers whose experiences and knowledge inspired our members. Our fellowship gatherings strengthened bonds within the club, while initiatives such as health camps, environmental drives, autism awareness programmes, and the Mission 100 Toilets project created lasting community impact.

A proud milestone this month was the installation of the rooftop solar power plant at Bhagwan Mahavir Dialysis Centre, supporting sustainable healthcare through renewable energy. Our collaborations with partner clubs, CSR organizations, schools, and healthcare institutions continue to expand the reach of Rotary service.

As we move forward, let us continue to work together with dedication and purpose, creating meaningful change and upholding Rotary's spirit of Service Above Self.

Rtn. Rajashekar Vodela

President, 2025–26

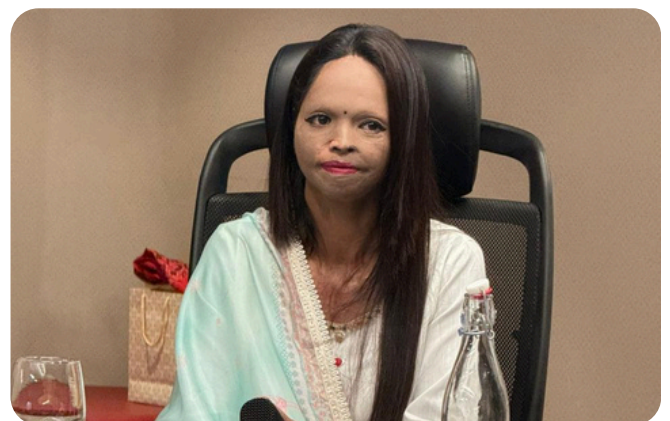

Rotary Club of Lake District Moinabad

## Monthly Speaker Meet – Laxmi Agarwal, 10 April 2026

Rotary Club of Lake District Moinabad hosted a deeply inspiring speaker session on 10th April featuring Laxmi Agarwal, renowned acid attack survivor and social activist. She shared her remarkable journey of courage, resilience, and determination, reflecting on the challenges she faced early in life and how she transformed adversity into strength and purpose.

During the session, she spoke about her mission to support and empower acid attack survivors through her organization, creating awareness and advocating for dignity, rehabilitation, and social acceptance. Her experiences offered powerful insights into perseverance, inner strength, and the importance of compassion in overcoming life's hardships.

The session was highly emotional and impactful, leaving a lasting impression on all members present. Her inspiring story deeply resonated with the audience, making it a memorable and meaningful meeting. The session concluded with a small token of appreciation presented in gratitude for her presence and powerful message

## Monthly Social Fellowship – 18 April 2026

Rotary Club of Lake District Moinabad hosted its April Monthly Social Fellowship at the residence of Girish and Veena, bringing members together for a relaxed and enjoyable evening of bonding and fellowship.

The gathering featured a warm and welcoming atmosphere, complemented by lovely music, engaging conversations, and fun-filled games that kept everyone entertained throughout the evening. Members had the opportunity to unwind, connect, and strengthen friendships beyond regular club activities.

The evening was filled with laughter, camaraderie, and memorable moments, making it a delightful fellowship event that reflected the strong spirit of togetherness within the club.

## Monthly Speaker Meet – Mr. R. Siva Kumar, 24 April 2026

Rotary Club of Lake District Moinabad conducted its monthly speaker meeting on 24th April at ITC Kohenur, featuring Mr. R. Siva Kumar, President of Zetatek Technologies Pvt. Ltd. President Rtn. Rajashekar Vodela warmly welcomed the guest speaker and introduced him as a pioneer in indigenous defence and aerospace technologies.

Mr. R. Siva Kumar shared valuable insights on India's progress in defence innovation and the growing importance of self-reliance in advanced technologies under the Make in India initiative. The session was informative and engaging, offering members a deeper understanding of the evolving aerospace and defence sector in India.

# Installation of 60 kW Rooftop Solar Power Plant – Bhagwan Mahavir Dialysis Centre - 01 April 2026

With the generous CSR support of Premier Energies, Rotary Club of Lake District Moinabad successfully installed a 60 kW rooftop solar power plant at the Bhagwan Mahavir Dialysis Centre, King Koti. This initiative promotes clean and renewable energy while ensuring a reliable and uninterrupted power supply for critical dialysis treatments.

The inauguration was graced by Harichandana Dasari, District Collector, Hyderabad, as Chief Guest, along with DG-elect Rtn. Uday Pilani as Guest of Honour. The project will help reduce electricity costs and improve operational efficiency, further strengthening the dialysis centre's mission of providing free treatment to patients in need.

## World Autism Awareness Day Programme - 02 April 2026

On the occasion of World Autism Awareness Day, the MAA Foundation in collaboration with Rotary Club of Lake District Moinabad organized an awareness programme promoting inclusion and early intervention for children with Autism Spectrum Disorder (ASD). The event featured engaging activities designed to encourage confidence and self-expression among children.

The programme was graced by Chief Guest Dr. Tanuja Khurana along with distinguished dignitaries. A special felicitation was presented to Dr. Tanuja in recognition of her dedicated free services to children with disabilities and her continued contribution to their well-being.

## Joint Service Project - Bicycles and Sewing Machines Distribution - 05 April 2026

Rotary Club of Lake District Moinabad joined hands with the Rotary Club of Warangal for a meaningful service initiative, successfully distributing bicycles, sewing machines, and chairs to support education, livelihood development, and community welfare.

The programme was conducted in the presence of Chief Guest Rtn. Uday Pilani, DGE 2026-27, along with Guests of Honour PDG Dr. C. Sharat Babu and Rtn. Sandasani Naresh (AG). This collaborative effort reflected the shared commitment of both clubs toward creating sustainable impact and empowering communities through service.

The initiative was well appreciated and highlighted the spirit of Rotary collaboration, bringing together members with a common goal of making a positive difference in the lives of beneficiaries.

## Annadan - SR Old Age Home - 11 April 2026

Rotary Club of Lake District Moinabad continues its committed support to the SR Old Age Home by providing a monthly supply of ration, medicines, and diapers. The home cares for around 100 elderly residents, nearly half of whom are bedridden, making regular medical and nutritional support essential.

## World Earth Day Celebration – 25 April 2026

World Earth Day was celebrated by the MAA Research Foundation in collaboration with Rotary Club of Lake District Moinabad on 25th April 2026. The event featured an awareness walk involving children with cochlear implants, children with autism, parents, Rotary members, CSR partners, and students and faculty of MAA Institute.

## Mission 100 Toilets – Toilet Block Inauguration at ZPGHS, Ananth Sagar, 18 April 2026

Rotary Club of Lake District Moinabad, in collaboration with Rotary Club of Chandanagar and Rotary Club of Sadashivpet, successfully inaugurated a new toilet block at ZPGHS, Ananth Sagar under the Mission 100 Toilets initiative, with CSR support from EPE Process Filters and Accumulators.

This project marked a meaningful milestone, as it was completed after nearly two years of overcoming technical challenges. The successful execution reflected the power of Rotary collaboration and collective commitment toward improving sanitation infrastructure for students and the community.

## Designated Day - Health Camp, 25 April 2026

Rotary Club of Lake District Moinabad, in association with KIMS Hospitals, Gachibowli and Radha Group, organized a comprehensive health camp on 25th April 2026 at Mahaveer Radiance, Kavuri Hills, Hyderabad.

The camp offered a wide range of medical consultations including Cardiology, Pulmonology, Neurology, Gastroenterology, Oncology, Dental, Ophthalmology, and General Medicine. Various diagnostic services such as ECG, 2D Echo Test, BP, GRBS, Eye Screening, Dental Check-up, CBC, Urine Routine Test, and other preventive health investigations were also provided.

The initiative aimed to promote preventive healthcare and provide accessible medical screening and specialist consultation to the community, reinforcing Rotary's commitment to health and wellness.

## Lake Clean-Up Drive at Peerancheru Lake - 12 April 2026

The Interact Club of Glendale Academy, under the aegis of Rotary Club of Lake District Moinabad, organized a lake clean-up drive at Peerancheru Lake. Around 35 students, along with the principal and faculty members, actively participated in this meaningful environmental initiative.

The drive focused on promoting cleanliness and creating awareness about the importance of protecting natural resources. The activity encouraged young minds to take responsibility towards environmental conservation and reflected the spirit of community participation and sustainable action.

## Leadership Lecture Series on Financial Literacy - 21 April 2026

The Interact Club of Glendale Academy, Suncity Campus, organized an insightful Leadership Lecture Series on Financial Literacy. The session was conducted by finance expert Mr. Sailesh Kumar Mulleti, who shared valuable perspectives on money management, financial awareness, and the importance of early financial education.

The interactive session encouraged students to develop responsible financial habits and highlighted the importance of financial literacy at a young age. The initiative reflected Rotary's commitment to empowering future leaders through knowledge and learning.

## Secretary's Note

Dear Rotarians,

April was an active and engaging month filled with meaningful programmes and strong member participation. The club successfully conducted several impactful initiatives, ranging from health and awareness programmes to environmental and youth-driven activities.

The month featured inspiring speaker sessions, including interactions with renowned personalities who shared valuable insights and experiences. Our fellowship evening created a relaxed space for members to connect, while service initiatives such as the health camp, autism awareness programme, Earth Day celebration, and collaborative community projects reached diverse sections of society.

We were also pleased to see active involvement from our Interact clubs through leadership sessions and environmental drives, reflecting the importance of nurturing young changemakers. Each activity carried forward Rotary's mission of creating positive and sustainable impact.

Thank you to all members, partners, and volunteers for their continued support and dedication in making April a successful and memorable month.

Rtn. Shivani Tibrewala

Secretary, 2025-26

Rotary Club of Lake District Moinabad
