**THE RCLD JULY**

## From the President's Desk

Rtn. Rajashekar Vodela

Dear Rotarians,

July has set the tone for what promises to be an exceptional Rotary year.

We began with a clear focus on aligning our service to Rotary's core areas — healthcare, education, and community development — with an emphasis on maximizing beneficiary impact. The energy and commitment shown by our members, especially the Service Projects team, has been outstanding.

A special mention to the July Fellowship Group, whose initiative at Saraswati Shishu Mandir is a shining example of how member-led action can spark long-term transformation. Their commitment to convert the school into a model Happy School over the year truly captures the multiplier effect of engaged Rotarians.

Each project this month reflected our shared vision — service with purpose, scale, and sustainability. Let's carry this momentum forward, with even greater participation and collaboration in the months ahead.

Yours in Rotary Service,

Rtn. Rajashekar Vodela

President, Rotary Club of Lake District Moinabad

## Secretary's Note

As we wrap up an eventful month filled with impactful service and meaningful dialogue, I extend heartfelt thanks to every member, volunteer, and partner who made it all possible. From health camps to thought leadership sessions, our collective spirit continues to shine through every initiative.

Each event — whether it was touching lives through maternal and child health, bringing AI insights to our business community, or offering free medical screenings to hundreds — reaffirms our commitment to Service Above Self.

Let's carry this momentum forward with the same energy, empathy, and excellence. Grateful to be on this journey with all of you.

Warm regards,

Rtn. Shivani Tibrewala
