② Career Guidance Session

Rotaract Club member Ankita Mittal addressing the children at MV Foundation
on 4th July 2024

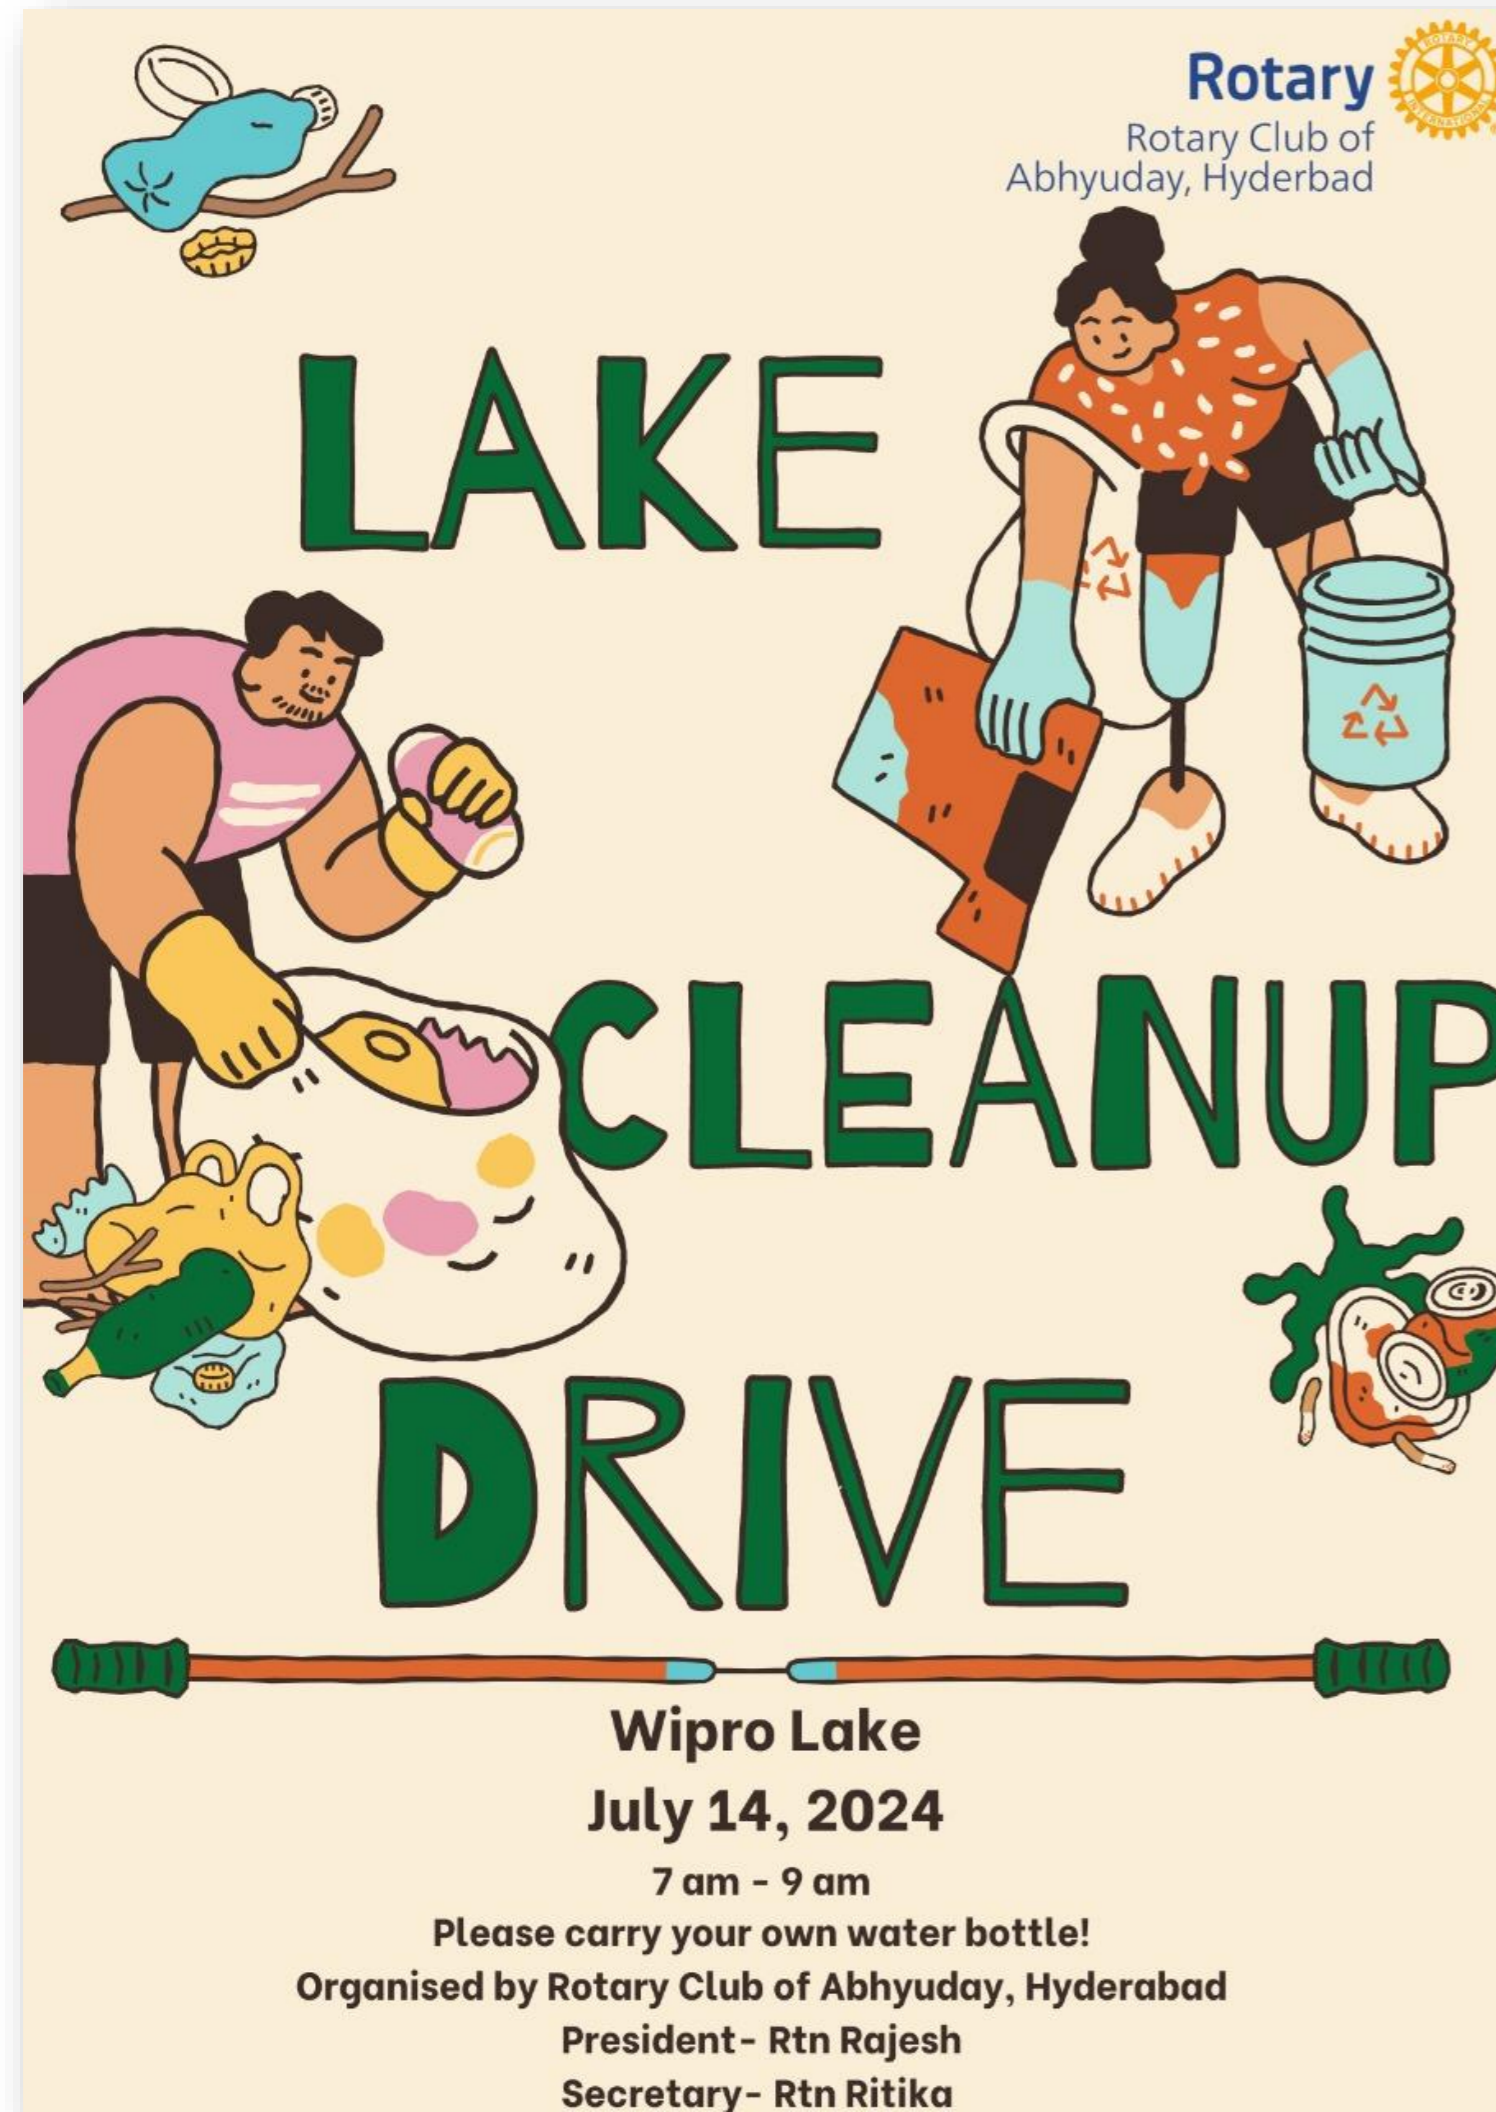

“The experience was incredibly fulfilling as I engaged with bright and enthusiastic young minds eager to explore their future career paths. I provided insights into various professions, shared personal anecdotes, and emphasized the importance of education and perseverance. The girls were highly interactive, asking thoughtful questions and expressing their aspirations with great enthusiasm.

As I interacted with these young girls, I felt a strong necessity to delve deeper into the topic of career planning and the critical role education plays in shaping one's future. I emphasized that education is not just a pathway to employment but a means to empower themselves, gain independence, and make informed decisions about their lives. I shared stories of individuals who, through sheer determination and the pursuit of knowledge, transformed their lives and achieved remarkable success. It became clear that these girls, with the right guidance and support, could also overcome any obstacles they might face and reach their full potential.

Their eagerness to learn and their dreams of making a difference in the world reinforced my belief in the transformative power of education. By the end of the session, I left feeling incredibly optimistic about their potential to achieve their dreams, knowing that the seeds of ambition and determination had been sown.

Thank you, Rtn Shailaja Ma'am for this opportunity” - Rotaract Club member - Ankita Mittal

⑤ Swasthya Siksha - a wellness workshop

Event Highlights

1. Swasthya Siksha - a wellness workshop at the Telangana Government run Sishuvihar Orphanage
2. The event focused on disease prevention through improved hygiene practices, emphasizing the importance of extra care in cleaning hands, clothes, feeding bottles, and food appropriate for different age groups. This is crucial in reducing disease impact and enabling early detection.
3. Dr. Karuna, a distinguished DNB pediatrician and James Gold Medalist, provided invaluable and highly practical information on enhancing hygiene to promote the overall health of infant babies. Her insights were well-received and will significantly contribute to nurturing a balanced mental and physical health for the children.
4. The event was attended by our Club members, Sishuvihar In-charge Ms. Santoshi, and approximately 35 dedicated child-caring staff, including team leads.
