Free Study Material distributed to Rotary Children

To foster the education among the slum children Rotary club of Thathagat is running a non-formal school in the name of Rotary children. This is a mission carried over for the last 8 years. Under this project non-school going children are picked from the surrounding of Bihar Sharif and they are send to government schools. Apart from this these children are given one hour free education every day distributed the Study material likes notebook, bags, pen, pencil, shoes etc. to the slum children. According to the president this will help the needy children to change their path from rag picking to education.

Under the signature project “Chalo gaon chale ” Club has launched several projects in the new session

1st July 2024

Rotary Club Tathagata started its new Rotary year with many projects under the leadership of Rotarian Dr. Joseph TT and Rtn. Dr. Vibhash Priyadershi. Most of the projects were started in Kakariya village of Nalanda district. On the first day, the club honored doctors on Doctor's Day. 100 mango trees were planted in the village. Marathon was organized to create awareness about health among youth and children. Essay competition was organized among school students. Health check-up camp was also organized in the same village. About 17 senior doctors participated in the camp. A large number of Rotarians and Interact Club members were part of these projects.
