Dist Governor, RID 3142, 2024-25

Dear Awesome President and Members of the Rotary Club of Dombivli Winners,

As we are on the threshold of the sixth month of what has, indeed been an Awesome Rotary Year, thus far, we need to keep the momentum going. One way of keeping the momentum going is to have constantly greater goals.

Momentum is akin to riding a bicycle. You get to stay upright and move forward so long as you keep the momentum. Your Club has been doing yeoman service to the community service and you have been participating in District Projects and events with great enthusiasm and it is my humble request to you, to keep the momentum going.

I urge you to take up projects in all the areas of focus of Rotary International. December is designated "Disease Prevention and Control" month. If you haven't already, do take up a project in this sphere. I believe in encouraging Clubs to Think Big. You do not have to start by being an expert. Remember, the expert in anything was once a beginner. People with momentum can get so much done. Momentum begets momentum and the best way to start is to Make A Start. As a wise man, once said, "Success does not come to you, you've got to go to get it".

So, Jyoti joins me in urging all you Awesome Rotarians to keep up the momentum and create the Magic of Rotary for the community at large.

Thank you for your unwavering commitment and service.

Yours in Rotary Service,

DG Dinesh Mehta

Awesome District Governor

Rtn. Kishor Mulay

President, Rotary Club of Dombivli Winners - 2024-25

RCD Winners President words

Dear Fellow Rotarians,

As we approach the end of the year, it's the perfect time to reflect on the remarkable achievements and challenges we have faced together as a club. December, the month of joy, giving, and togetherness, reminds us of Rotary's core values of "Service above Self" and the impact we make in our communities.

This year, we have demonstrated the power of teamwork and commitment through projects that have touched countless lives. From community outreach programs to international service initiatives, we have continued to embody the spirit of Rotary.

The holiday season also provides an opportunity to express gratitude. I want to personally thank each of you for your dedication, passion, and hard work. Our collective efforts have made a tangible difference, and for that, I am incredibly proud.

Let us use this season to spread kindness and fellowship. Whether through small acts of service or grand gestures of generosity, every effort counts.

As we prepare to enter a new year, let's continue to build on our successes, tackle new challenges, and strengthen the bonds within our Rotary family. Together, we can achieve even greater heights in our mission to serve humanity.

Wishing you and your families a joyous holiday season and a prosperous New Year!

Awesome President

Article on Creating a Fundraising Plan

Creating a fund raising plan

Before hosting a fundraiser, you should create a plan that:

- ✓ Identifies your fundraising needs
- ✓ Establishes a budget
- ✓ Considers and addresses local laws for fundraisers
- ✓ Determines available resources in your community
- ✓ Outlines the event's logistics (such as selecting the location, ordering supplies, and arranging for set up and tear down)
- ✓ Describes how volunteers will be organized
- ✓ Considers how to publicize the event
- ✓ Provides ways to measure its success

What are other ways to fund my project?

In other cases, you'll need to turn to outside sources to fund your project, such as those listed below.

- ✓ Individual donors
- ✓ Businesses
- ✓ Foundations (including The Rotary Foundation)
- ✓ Nonprofit or non governmental organizations
- ✓ Government agencies
- ✓ Other Rotary clubs

How can I get funding through Rotary?

The contributions you make to The Rotary Foundation make possible a variety of grants to help fund your local and international projects and activities. Find one that's right for you at Explore Grants.

What are the benefits of fund raising for The Rotary Foundation?

When you give to The Rotary Foundation, you help advance communities, improve health, and promote peace. Your support is essential to make grant-funded humanitarian projects, scholarships, and activities, such as vocational training teams possible.

What's more, the money you raise for the Foundation benefits you, your club, and your district. Here's how:

Annual giving

When you donate to the Annual Fund-SHARE, a portion of those funds becomes available to your district each year through the District Designated Fund. At the end of three years, your district can use this money to pay for Foundation, club, and district projects.

Help your fund grow by participating in the Every Rotarian, Every Year fund raising effort. Learn more about Foundation funding.

Major giving

When you make a gift of \$10,000 or more, you are providing crucial support for Rotary. If you give to the Endowment Fund, you are ensuring a strong future for the Foundation by providing a continuous stream of income to fund Foundation grants and activities.

Learn more about Rotary's Endowment Fund and Planned Giving opportunities.

Matching gifts

Thousands of companies match gifts to The Rotary Foundation. Find out if your employer does and double the amount of money you donate - and receive in return - to fund Foundation projects and activities.

You can set and track your Foundation giving goals in Rotary Club Central.

Donor recognition

The Rotary Foundation is grateful for the generous support of its donors. Learn about donor recognition opportunities for individuals and clubs.

History of Rotary

On 23 February 1905, Paul P. Harris, Gustavus Loehr, Silvester Schiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris' desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship. Each of the first four Rotarians, and Harry L. Ruggles, who is often called the "fifth Rotarian," brought different professional perspectives to the organization.

Paul Harris, age 28, in 1896.

Hiram E. Shorey as a young man.

Rotary's founder, Harris, was born in Racine, Wisconsin, USA, on 19 April 1868. He was raised by his paternal grandparents in Vermont and attended the University of Vermont, Princeton, and the University of Iowa. Harris, a lawyer, was Rotary president from 1910 to 1912 and a member of the Rotary Club of Chicago until his death on 27 January 1947. Loehr, a mining engineer, was born on 18 October 1864 in Carlinville, Illinois, USA. He was a Rotarian for only a few years, never holding office at the club or international level. But that first Rotary meeting was held in his office, Room 711 of the Unity Building in downtown Chicago. He died in Chicago on 23 May 1918.

Shorey, a merchant tailor, served as recording secretary during the club's first year. He was a Rotarian for only a few years, too. He was born in Maine,

USA, in August 1862 and died in March 1944. Silvester Schiele. Before December 1945. Harry L. Ruggles, October 1912.

Schiele, a coal dealer, served as the Chicago club's first president in 1905 and Rotary International's treasurer from July to December 1945. Born in Terre Haute, Indiana, USA, in June 1870, Schiele attended Terre Haute Business College and served in the U.S. Army during the Spanish-American War. He was president of the Schiele Coal Company from 1902 until his retirement in 1939. He and Harris became lifelong friends and lived near each other on the South Side of Chicago. Schiele died on 17 December 1945 and is buried near Harris at Mount Hope Cemetery.

Originally from Michigan, Ruggles was a graduate of Northwestern University in Evanston, Illinois, and joined Rotary at its second meeting. He was treasurer of the Chicago club during its first year, club president from 1908 to 1910, and a Rotary director from 1912 to 1913. He is known for having introduced singing to Rotary club meetings. His printing company, H.L. Ruggles & Co., printed the first issue of *The National Rotarian* and the first Rotary songbook. He died on 23 October 1959, an honorary member of seven clubs in addition to his home club, the Rotary Club of Chicago.

When the Rotary Club of Chicago published their member roster in October 1905, the club had grown to 21 members, including two honorary members.

Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
