Dinesh Mehta

Dist Governor, RID 3142, 2024-25

Dear Awesome President and Members of the Rotary Club of Dombivli Winners,

As we are on the threshold of the sixth month of what has, indeed, been an awesome Rotary Year, thus far, we need to keep the momentum going. One way of keeping the momentum going is to have constantly greater goals. Momentum is akin to riding a bicycle. You get to stay upright and move forward so long as you keep the momentum. Your Club has been doing yeoman service to the community service and you have been participating in District Projects and events with great enthusiasm and it is my humble request to you, to keep the momentum going.

I urge you to take up projects in all the areas of focus of Rotary International. December is designated "Disease Prevention and Control" month. If you haven't already, do take up a project in this sphere. I believe in encouraging Clubs to Think Big. You do not have to start by being an expert. Remember, the expert in anything was once a beginner. People with momentum can get so much done. Momentum begets momentum and the best way to start is to Make A Start. As a wise man, once said, "Success does not come to you, you've got to go to get it". So, Jyoti joins me in urging all you awesome Rotarians to keep up the momentum and create magic of Rotary for the community at large

Thank you for your unwavering commitment and service.

Yours in Rotary Service,

Dinesh Mehta

Awesome District Governor

Rtn. Kishor Mulay

President, Rotary Club of Dombivli Winners - 2024-25

RCD Winners President words

As we move through the month of November, a time of reflection and gratitude, I am reminded of the core values that unite us as Rotarians: service, fellowship, and leadership. November is a wonderful time to pause and appreciate the impact we make in our communities and the world.

This month, as we continue to serve, we recognize the importance of understanding and addressing critical global issues. From supporting education to ensuring access to clean water, the work we do is a testament to our commitment to building a better world. Our efforts, no matter how big or small, make a difference, and it is in these acts of service that we find our true purpose as members of Rotary.

In addition to our community projects, let us also take the time to reflect on the power of fellowship within our club. Our connections with one another create a support system that strengthens our work and our shared vision for the future. It is through our relationships that we can achieve lasting change and inspire others to join us on this journey.

November is also the month we celebrate **Rotary Foundation Month**, which allows us to highlight the incredible work of The Rotary Foundation. The Foundation's dedication to advancing peace, fighting disease, providing clean water, and supporting education embodies the spirit of Rotary. I encourage each of you to consider how you can contribute to our Foundation's work, ensuring that we continue to have the resources necessary to bring about positive, sustainable change.

Let us also remember to extend our thanks to our families and communities for their support of our endeavors. Together, we continue to live out the Rotary motto: *"Service Above Self."*

Wishing you all a month filled with purpose, gratitude, and service.
Regards,

Awesome President

Rtn. Kishor Mulay

Eye Checkup Camp Grand Success Story

Rotary Club of Dombivli Winners had organised a Eye Checkup Camp on Saturday, 16 November, 2024. This camp was held exclusively for the students of Radhabai Sathe High School, Dombivli East.

Rtn. Vicky Nagdev and his team did the eye Checkup. Students from 5 th standard to 10 th standard were benefitted. 178 students were present for the Camp. The camp started with Saraswati Pujan.

It was held from 10 am to 2 pm. Students with a clear vision were presented with 'Vision Champion' Certificate.

**Club President Rtn. Kishor Mulay,
PP & Project Head Rtn. Nilesh Sonavane,**

**Rtn. Siddhi Pendharkar,
Rtn. Hrishkesh Tembe,
Rtn. Purshottam Ranade,
Rtn. Rajesh Bhavne and
Rtn. Prashant Damle**

were present at the school during the Camp. Overall, Camp was a grand success.

Spandan 2nd TRF Seminar on 23Nov

Project: REGULAR MEETING on 26th Nov. 24 at Shubham Hall

Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Give With ROTARY
