### ***Dear Rotary Family,***

October is a month of celebration and reflection on our mission of “Service above Self.” As we recognize World Polio Day this month, let's reaffirm our commitment to eradicating this disease and making our world a healthier place. Your contributions, no matter how small, are vital to this global effort.

Let's also take a moment to appreciate the incredible work happening within our club. Every member plays a crucial role, and together, we are a powerful force for good. I encourage each of you to share your experiences and inspire others to join us in our mission.

### **Service Above Self**

- ◆ Rotary was not long to recognize that fellowship alone would not keep a group together — there needed to be a purpose.
- ◆ First project was public restrooms in downtown Chicago.
- ◆ Rotary became the world's first “service club”.

## Dinesh Mehta

Dist Governor, RID 3142, 2024-25

October is the District 3142 Foundaon Month. We have surpassed our fundraising goals The TRF Seminars. This will take our 6 point District Projects in full swing. Our 4000 vaccine dosage for Cervical Vaccine is the key project.

Inauguraon of the RPL or IFCR and the inaugural Mental Health Seminar mark our significant strides. Every contribuon regardless of the size fuels such impacul projects.

This November consider joining the movement of Donate to TRF. Every Rupee Counts.

Thank you for your unwavering commitment and service.

Yours in Rotary Service,

**Dinesh Mehta**

Awesome District Governor

# समाजात वावरण्यासाठी स्मार्टपणा आणि समजूतदारपणा

समाजात वावरण्यासाठी स्मार्टपणा आणि समजूतदारपणा हे दोन्ही गुण अतिशय आवश्यक असून ते गुण मुलांमध्ये रुजवावे लागतात. हे गुण रुजवण्यासाठी पालकांनी काही प्रयत्न करावे लागतात. हे प्रयत्न म्हणजे नेमकं काय हे समजून घेऊन ते गुण मुलांमध्ये यावेत यासाठी काय करायला हवं पाहूया...

१. मुलांची उत्सुकता कायम ठेवायला हवी...मुलांमध्ये प्रत्येक गोष्टीबाबत खूप उत्सुकता असते. याच उत्सुकतेपोटी मुलं आपल्याला त्यांच्या वयाप्रमाणे आणि आकलनाप्रमाणे सतत काही ना काही प्रश्न विचारत असतात. पण काहीवेळी गडबडीत आपण त्यांच्याकडे दुर्लक्ष करतो किंवा त्यांच्या प्रश्नांची उत्तरे देणं टाळतो. पण असं करता कामा नये, त्यांच्याशी गप्पा मारुन त्यांच्या जास्तीत जास्त प्रश्नांची उत्तरे द्यायला हवीत.

२. सकारात्मक उदाहरण देणे... मुलांना आपण अनेकदा काही ना काही गोष्टी सांगत असतो. या गोष्टी सांगताना आपण नकळत त्यांना काही उदाहरणे देत असतो. ही उदाहरणे सकारात्मक असतील तर त्याचा मुलांवर चांगला परीणाम होण्यास मदत होते. मात्र त्यासाठी आपले विचारही सकारात्मक असायला हवेत. अशा सकारात्मक गोष्टी सांगितल्याने मुलांना आयुष्यात पुढे जाण्यास प्रोत्साहन मिळण्यास मदत होईल.

३. सामाजिक गुणांकडे लक्ष देणे...मुलं घरात भरपूर बोलतात किंवा दंगा करतात. पण सामाजिक ठिकाणी जेव्हा काही सादरीकरण करण्याची वेळ येते तेव्हा मात्र मुलं खूप घाबरतात. पण असे होऊ नये यासाठी मुलांमधील सामाजिक गुणांचा विकास करायला हवा. इतर मुलांशी बोलल्यावर आणि दबाव न टाकता हळूहळू त्यांना कम्फर्टेबल केल्यास त्यांची स्क्रील्स तयार होतात.

४. आव्हानात्मक गोष्टी करण्यास शिकवणे...आपण जसे मोठे होतो तशी आपल्या आयुष्यातील आव्हाने वाढत जातात. या आव्हानांचा सामना करण्यासाठी आपल्याकडे स्मार्टपणा असणे गरजेचे असते. यासाठी मुलांना लहानपणापासूनच लहान मोठी आव्हाने द्यायला हवीत. मुलांना एखाद्या गोष्टीत किंवा खेळात मदत करण्यापेक्षा त्यांना मार्गदर्शन करुन एखादी गोष्ट स्वतः पूर्ण करायला लावल्यास त्यांचा स्मार्टपणा वाढण्यास मदत होते.चला पालक म्हणून आपणही काही कामे करूयात.

# A Tribute TATA

## A Tale of Tata

From Strays to Stars

### “THIS WAS A MAN”

How do you pay tribute to a Titan of Industry, who has exhibited Steady resolve and motored beyond obstacles so give light be all that the TATA name and group stands for.

There are so many Ratan Tata stories that have flooded social media platforms and some of them are so endearing. Like a Captain of Industry calling up Zoheb and Naziya Hussain (The Aap jaise koi re singer from Qurbani) to request them to agree to produce an album for a TATA Recording venture or his love for Dogs and the fact that strays were welcome visitors to the TATA Headquarters at Bombay House.

Or his response to a young lady who asked him about his purported quote. “I don’t make right decisions. I make decisions and then I make them right.” He replied “I am sorry that I am going to upset you. It was Facebook or Twitter that made that statement. It was not made by me.

Some people think it is arrogant of you to make such a statement and yet you don’t get a chance to defend yourself and state you never said that and some people say it’s a great thing to say nad so you keep quiet”

Who can ever forget that when the TAJ at the Gateway of India, the Crowning Jewel of the Indian Hospitality Industry was subjected to a terrorist

attack, he was there amongst the battlements enquiring about Hotel staff.

He is a story of being considered someone not in the Premier League of TATA Leaders, then taking over the reigns, reigning in the satraps, ushering in a new genre of CEO’s new at the game but focussed on delivering results. He sought to be both the Alex Ferguson of old and the Pep Guardiola of today.

To sir with Love is a 1967 Film that deals with racial and social issues in an inner city school. Its signature song, voiced by Lulu, epitomises growing up in the TATA world. So how do you thank someone who has taken you from Crayons to perfumes or in this case, Salt to Software.

No finer tribute can be paid to Ratan Tata than that immortal quote from Shakespeare’s Julius Caesar “His life was gentle and the elements were so mixed in him : that Nature might stand up and say, THIS WAS A MAN”
