## ..... President's Message .....

Dear Fellow Winners,

March has been a month that reflects Rotary's commitment to care, awareness, and community empowerment. I am proud of how our members have come together with enthusiasm and dedication to create meaningful and lasting impact.

### **A Month Focused on Health and Awareness**

We marked Women's Day with a fruit distribution drive at Shastrinagar Hospital, supporting new mothers during a crucial recovery phase. We also organized a Women's Health Awareness Program, where expert sessions on menopause and breast cancer encouraged preventive care, early detection, and open dialogue.

### **Empowering Through Knowledge**

Our Will Education session on 28th March provided valuable insights on succession planning and inheritance rights, especially benefiting senior citizens and promoting informed decision-making.

### **Engagement and Fellowship**

Members actively participated in the Membership Seminar and leadership training programs. Our regular meeting helped review progress and plan ahead effectively. We also celebrated achievements within our Rotary family through felicitation events.

As we move forward, let us continue to combine service with purpose and fellowship with impact. Thank you for your continued support and commitment.

Yours in Rotary,

**Rtn. Bobby Pinto**  
President  
Rotary Club of Dombivli Winners
