December month also saw club OCV for TiTan year. DG Harsh Makol and other district members reviewed the activities of our club and guided for next 6 months to our club. It was a very successful event. Related meeting like AGM was also very informative.

During the month as a part of fellowship, our members saw new Bollywood sensational movie "Dhurandhar". After seeing the impactful movie members are now dancing to the tune with Akshay Khanna!

We had a lovely eventful month of December and after seeing a great success we walk to new year and second half of RY. January is celebrated as Vocational Service Month in Rotary. Each year, Rotary International dedicates the month of January to celebrate the importance of vocational service as a part of Rotary's mission.

Our club has planed an Exhibition in January "Sankraman 3" I wish grand success for such event.

# President's Message

Dear Fellow Rotarians,

Warm Greetings!

I am thrilled to share with you the highlights of our club's activities for the month of December.

We had a fantastic month with 3 meetings, starting with our first meeting on 2nd Dec, where we welcomed Rtn. Abhay Kulkarni to speak on TRF donation. He did an amazing job, and we appreciated his presence.

Our second meeting on 16th Dec was a joint PRE-OCV and AGM, which was attended by our AG, who provided valuable guidance for our OCV. Speaking of which, our OCV was a huge success, with our DG Harsh Makol praising it as one of the top 3 OCVs he attended in 28 OCVs! This is indeed a feather in our cap.

We also had a fun-filled fellowship program, where 15 of us watched the movie DHOORANDAR together at Mirage Cinema on 22nd Dec. It was a great bonding experience!

Our members, IPP Kishor Mulay and Treasurer Rajesh Bhave, attended the 3-part RLI and graduated. Kudos to them!

We carried out several impactful projects, including:

- Vocational Guidance and Mobile usage lectures at Pundalik Mhatre School
- Furniture repairs at ZP school Sonarpada with Rtn. Nilesh Sonawane's help
- Annadan at ZP school Sonarpada, distributing 300 biscuit boxes donated by Rtn. Ashish Kulkarni
- "Chak De Exam" project at Tilak Nagar school MIDC, with Rtn. Rajesh Bhave leading the initiative
- Free dental check-up by Rtn. Dr. Tushar Avad at Pragati school, Apte gaon Titwala

I am proud to see our members taking ownership and contributing to these projects. Thank you all for your support, and let's continue to make a difference in our community!

Warm regards,

Bobby Pinto

# Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

## Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

## Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

## Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

## Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation.

We expand access to quality care, so mothers and their children can live and grow stronger.

## Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

## Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
