Bulletin Editor, Rotary Club of Dombivli Winners - 2025-26

My Dear Winners,

I am extremely delighted to handover November 2025 edition of our popular bulletin Vijete. Winners had an active month of October month with a lot of fun and activities. We inducted two new members to our family, Mr. Austin Fernandes and Mr. Satish Tanpure. I heartily welcome both of them. October was a month with two important festivals, Dassara and Diwali. Both were celebrated with lot of enthusiasm, fun and friendship.

For Diwali we had planned Diwali Pahat with all members and families. It was a grand celebration. In addition our club handled many interesting projects during the month. I would like to thank the project leaders, sponsors and participating members for their time, enthusiasm and dedication towards club activities.

I am delighted to mention few projects of October 25 as below: Taking review of trees planted in July. E-waste collection. Our club collected over 200 Kg of e waste from 5 different locations. Rotarian Lalit Manik visited our club and spoke on his favourite subject Spices. He is an authority on the subject, with his profound, in-depth knowledge, he delivered an interesting lecture. All attendees enjoyed the session. Our club distributed Sarees to Adivasi women in Bhadsanagar and sanitary pads to school girls. In short it was an eventful month.

Now we are walking tall in November. This is Rotary foundation month. Which gives emphasis on highlighting importance of Rotary foundation that promotes donations to support global projects.

Let's focus on donating. Wishing you all the best & Happy reading my friends.

Yours sincerely with Warm regards,

Rtn. Vidyadhar M. Kulkarni

President, Rotary Club of Dombivli Winners - 2025-26

Dear Fellow Rotarians,

As we reflect on the achievements of our club in October, I am filled with pride and gratitude. The month kicked off with a bang our very own Netrutva Series I on 7th October, which set the tone for a fantastic month of service and fellowship.

Our environmental efforts were highlighted by a highly successful E-waste Project, where we collected over 200 kgs of e-waste from 5 different societies. This initiative not only contributed to a cleaner environment but also raised awareness about the importance of responsible e-waste disposal.

We also had the opportunity to make a difference in the lives of our future leaders by distributing sanitary napkins to the needy students of Bhatsanagar Nagar Prakalp Vidyalay at Bhatsanagar Nagar. This small gesture will go a long way in empowering these young girls.

I am delighted to welcome two new members to our Rotary family – Austin Fernandes and Satish Tanpure. We look forward to their contributions and enthusiasm.

Our meetings were enlightening, with Mr. Lalit Manik sharing his expertise on the importance of spices in our daily lives, and our Twin Co-president Akshay Gorule shedding light on the energy around us.

I would like to extend my congratulations to Srijit Poothen on his election as DG for the year 2028-2029 – a well-deserved recognition of his dedication and service.

Last but not least, I would like to thank all members for making our Diwali Pahat celebration a memorable one. It was a first-time experience for our club, and it brought us closer together.

Here's to a fantastic October and an even more promising November!

Warm regards,

Bobby Pinto

Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation.

We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
