President, Rotary Club of Dombivli Winners - 2025-26

Dear Rotarians,

As we embark on our TiTEN year, starting July 2025, I am thrilled to take on the role of President of Rotary Club of Dombivli Winners. Last year, as Secretary, I witnessed the incredible dedication and passion of our members, and I am excited to see what this new year brings. Along with my secretary and PE Ujwal lets all work together for betterment of society.

Under the able leadership of Awesome President Kishor, I would like to say, It was indeed an **Excellent** way of doing things, bringing **Smile** on every face, with **Fabulous** results, Kishore has completed the last year **Awesome**. Kishor's has a tag line - Think Big Think Fast and indeed he used to act accordingly and proved it. Our club is also blessed with an exceptionally dedicated member, our own Rotarian PP Nilesh Sonawane who is always a call away. His experience and expertise advice has always proved the best for the club.

Membership plays a vital role for District. Also, on DG Harsh Makol's installation the chief guest RID K.P Nagesh emphasized on growing membership. In Awesome year we were just 20 and we grew to 100%. This year we have a super enthusiastic membership director Rtn. Siddhi Pendharkar. She is good in work assigned to her and we have confidence that membership growth shall be better this year too. She is truly working for it and has 10 prospective members coming in the following month.

The 2nd part of Rotary is TRF. Here too we have a dashing young and energetic gentleman Rtn. Harish Poojary who has already showed his metal to us. He had been very generous in giving to our various projects and also to TRF. He has declared that he shall do our club an EREY club this year.

This year, I want to emphasize the importance of participation from every single member. We have talented, passionate, and dedicated individuals in our club, and I believe that each one of you has the potential to make a significant impact. To make this year truly memorable and impactful, I encourage each of you to take ownership of at least one project. Yes, you read that right! I want every member to come forward and be a project head of at least one initiative.

As Rotarians, we are committed to making a difference in our community and beyond. By taking on a project, you will not only contribute to the betterment of society but also:

- Develop new skills and expertise
- Enhance your leadership and management abilities
- Build meaningful relationships with fellow Rotarians

“WE ARE WINNERS.. AND ALWAYS WILL BE!!”

- Experience the joy of giving back to the community

While projects and service are at the core of our club's activities, fellowship is equally essential. This year, I want to prioritize building stronger relationships among our members. Let's make an effort to know each other better, share our experiences, and have fun together. Whether it's through social events, informal gatherings, or simply reaching out to a fellow member, let's nurture our bonds and create lasting memories.

We have a wide range of project areas to choose from, including:

- Education and literacy
- Health and wellness
- Community development
- Environmental conservation
- Youth empowerment

If you're unsure about what project to take on, don't worry! Our experienced members and I are here to guide you. We can brainstorm ideas, provide support, and help you every step of the way.

Let's Make This Year Unforgettable

As we embark on this new year, I am filled with excitement and anticipation. With your participation, enthusiasm, and dedication, I am confident that we will make **TiTEN** year a remarkable success. Let's work together to create a positive impact, build meaningful relationships, and have fun along the way.

Stay tuned for upcoming events, project launches, and fellowship activities. We will share the calendar of events and project details in the coming weeks.

Thank You

I would like to express my gratitude to our Immediate Past President Kishor Mulay and the entire team for their tireless efforts and dedication. Your legacy has set the bar high, and I am committed to building upon the foundations you have laid.

Let's Get Started!

If you have any project ideas, suggestions, or questions, please don't hesitate to reach out to me or any member of the team. We are here to support you.

Thank you for your enthusiasm, energy, and commitment. Let's make **TiTEN** year a year to remember!

A New Dawn of Service and Fellowship

Dear Fellow Rotarians and Friends,

It is with immense pleasure and a heart full of optimism that I welcome you all to the new Rotary Year, 2025-26! A new year brings a fresh chapter, new opportunities, and a renewed promise to uphold our motto of **"Service Above Self."** As we close the book on a successful year, we open a new one, ready to be filled with stories of impact, friendship, and community transformation.

This year, we are privileged to be led by our dynamic President, **Rtn. Bobby Pinto**. With a deep-rooted passion for service and a clear vision for our club's future, President Bobby Pinto is set to guide us with tremendous enthusiasm and dedication. His focus is to strengthen our bonds of fellowship, enhance our community outreach, and create a lasting legacy of positive change.

Embracing the Rotary International theme, **"Unite for Good"**, and our District's special tenth-anniversary theme, **"Titen"**, our club is gearing up to translate these powerful messages into meaningful action.

Building on the achievements of the past, we are excited to leverage a significant milestone from last year. Our Section 8 company, the Dombivli Winners Association, was successfully registered in RY 2024-25. With all paperwork complete, we enter this new year poised to attract CSR funds, enabling us to aim for bigger, more impactful, and sustainable community projects. This is a game-changer for our club, opening up a new horizon of service possibilities.

We have an exciting calendar of projects and fellowship gatherings planned, spanning health, education, environmental sustainability and vocational support.

However, the success of our club rests on each one of you. Your active participation, innovative ideas, and unwavering support are our greatest strengths. I urge you to engage wholeheartedly, attend meetings, and volunteer for projects that resonate with you. Let us unite as a team, combining our skills and resources to amplify our impact.

As we embark on this journey, let us reaffirm our commitment to the idea of Rotary. I am confident that together, as the Winners we are, we will make the Rotary Year 2025-26 a truly memorable and impactful one for our club and our community.

Dear Rotarians,

As I pen down these thoughts as the Immediate Past President of our beloved Rotary Club of Dombivli Winners, I am filled with immense pride, gratitude, and joy. The Rotary year that went by was not just a period of leadership-it was a journey of collective impact, lasting friendships, and unwavering dedication to "Service above Self."

Looking back, our club accomplished several meaningful projects-from health camps and educational drives to environmental initiatives and youth empowerment programs. These achievements were not possible without the wholehearted support and enthusiasm of each member of our Rotary family. You all inspired me every single day to lead with humility and purpose.

I also want to express my heartfelt thanks to the Board and the core team who worked tirelessly behind the scenes to turn our vision into reality. Together, we built bridges-not just in our community, but in the hearts of those we served.

Now, as we embark on a new Rotary year under the capable leadership of our incoming President, Rtn Bobby Pinto, I am confident that our club will reach even greater heights. I extend my full support and encouragement to the new team and urge every member to continue contributing with the same passion and commitment.

Let us not just celebrate the past but also embrace the future with renewed energy. Our service is a journey, not a destination.

Thank you for the opportunity to serve.

Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation.

We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
