My Dear Winners,

I am extremely delighted to handover September edition of our buletin Vijete. Winners had a fantastic month with a lot of action on service projects and TRF front. While our club cohosted district TRF program one of our esteemed members, Shailesh Gor, became PHF by donating 1000\$. My personal thanks and congratulations to him.

Our club handled many interesting projects during the month. I would like to thank the project leaders, sponsors and participating members for their time, enthusiasm and dedication towards club activities. I have a pleasure to mention few projects of Sept 25 as below: Donation to “Satkarm Ashram”, “Navratna Awards” to deserving teachers, Thrust area project - PASHU RAKSHAK at PAWS Murbad, Good touch / bad touch for girls, and few others. In short Winners stole the show for first quarter of TiTEN year! Now we aggressively move in October.

This month scheme is Economic & Community development. Now we focus our commitment to empower individuals and community. In addition October is month of festivals. Two important festivals Dasara and Diwali will be celebrated in Oct 25.

I wish all the best for these festivals to all my colleagues. As a Rotary theme let us enlighten lives for few needy persons.

Dear Fellow Rotarians,

I am pleased to share the highlights of our club's activities for September 2025.

Our Rotarians have shown remarkable dedication and cooperation in serving the community through various projects. We donated a day's food, 30 kg of rice, and 30 kg of dal to Satkarma Ashram, Badlapur, providing essential support to those in need. On Teachers' Day, we celebrated and appreciated 9 teachers for their tireless efforts in shaping young minds.

Our Pashu Rakshak project at Murbad was a success, with donations of 100 kgs of rice and 17 kgs of dog food, supporting animal welfare. We also educated school students about personal safety through our Good Touch Bad Touch project and distributed notebooks at Abhinav School, Kalyan. Additionally, we donated wooden furniture, sofas, and chairs to Satkarma Ashram, enhancing their facilities.

I appreciate the active participation of our Rotarians in these projects. I encourage each one of you to continue contributing to our club's regular projects and initiatives. Your involvement is crucial to our success.

Let's continue serving the community with compassion and dedication.

Warm regards,

सगळ्यात आवडता पदार्थः

आजची ठरवलेली सगळी कामं पूर्ण करून "तो" घरी आला, त्यासाठीच सुट्टी काढली होती खास, की ही पुढे पुढे टाकलेली कामं आज मार्गी लावून टाकायची आज. ट्रेन ची गर्दी चुकली नाही सुट्टी घेऊन पण वडिलांचे काम दादर मध्ये आणि मुलांसाठीच्या वस्तु CST वरून त्यामुळे संध्याकाळ झाली सगळं आटपेपर्यंत घरी आला बेल वाजवली, मुलं धावत आली, "बाबा आमचं playstation आणलं का?" आणि त्याने हो नाही काही म्हणायच्या आत पिशवीतून ते उचकून बाहेर काढून खेचाखेची ला सुरुवात पण झाली. वडिलांची कागदपत्रे हातात ठेवली त्यांच्या आणि पाणी प्यायला गेला.

वडील: ते नाईक भेटले का रे? त्यांच्या मुलाला अमेरिकेत नोकरी लागली म्हणाले होते.

तो: नाही त्यांची भेट नाही झाली.

ती: अरे ते swimming च विचारलास का रे? नाहीतर ही दोघं सुट्टीत त्या playstation नी डोकं उठवतील

तो: ते काय जाऊन विचारता येईल नंतर पण आज नाही जमलं ही प्रश्न मालिका चालूच असते तिन्ही बाजूनी आणि तो त्याच्या परीने उत्तर देत राहतो. अशातच आतून एक आवाज येतो राजा सकाळचा बाहेर गेला आहेस, डबा पण नाही आज ऑफिस नाही तर, काही खाल्लं आहेस का? की नुसतीच वणवण केलीस? थांब मी तुला आवडते तसे गरम गरम पिठलं बनवते. दोन घास खाऊन घे आणि मग काय ते कर, चल पटकन.

ही जी भावना आहे त्याला कशाचीही सर नाही, आईचं मन फक्त या गोष्टीशी बांधलेलं राहतं. त्यामुळे देश फिरा नाहीतर दुनिया फिरा कितीही चवी ट्राय करा पण जिभेला चव कळते आणि मनाला भावना. मनाची तृप्ती चव नाही भावनेने मिळते. त्यामुळे कोणालाही विचारा सगळ्यात आवडता पदार्थ कोणता?

सगळ्यांचे उत्तर एकचआईच्या हातचे काहीतरी काहीतरी..

Hi all,

Teacher's Day NAVRATNA SANMAN On the prosperous occasion of the teachers day we celebrated a memorable event as we congratulated and offered gifts as a token of our affection to some of the respected teachers. In the society a teacher plays a vital role in nurturing and shaping the lives of students by educating them in a right manner. Keeping this concept in mind Rotary winners arranged an event that dignified this noble cause.

A glorious evening with venerated teachers along with their opinions and suggestions filled with lots of experience, never to be forgotten. There were 6 teachers who were present at that time to share their experience on this occasion. They also feel delighted while sharing their opinions. This event was organised by our Project head Mr. Prashant Damle with President Bobby pinto & secretary Ujjwal. Great Job done by RTN Prashant Damleji by visiting multiple times to their schools, taking teacher's appointment for almost a month. His sincere efforts are really worth while.

Regards,

Rtn. Hrishikesh

DAY 1 & 2 Well began is half done... With this saying we all witnessed very well structured and organised rooms along with their respective name tags and designation, pen n paper handy with bags. The sessions started on time and each session was concluded perfectly on time, so much appreciated the efforts by all the speakers. The content was appropriate and up to the mark. All the polished speakers maintained full grace, courtesy, and professionalism throughout the sessions. All the noteworthy speakers from different fields had explained the given topics splendidly well. They added multiple anecdotes to prove their point of view. They all had an excellent knack of handling people swimmingly well.

Here we all noticed one unique style of explanation on board by taking one person from the members, to make the sessions more interesting and interactive. They told us to see Rotary through a visionary Rotarian's Eye to get the precise Idea about it. The idea behind RLI is to motivate Rotarians for noble deeds. This is a totally purpose driven session to encourage and inspire everyone for TRF, Memberships as well as Individual Growth via multiple projects. In fact it's an educational, informative and interesting interactive session for all of us. There's so much to learn from it. We must say VALUE FOR MONEY & TIME AND WORTH ATTENDING. For those who missed out on these sessions for some unavoidable or unexpected reasons they really missed a very unique and fruitful meeting. Big Thank & High regards to RLI, HOST CLUB, ALL THE DIGNITARIES and CCL and Entire Team for making this 2 days session Power-packed.

Regards

Hrishikesh

OUR PROJECT

Annapurna Day at Satkarma Balkashram

Annapurna Day was celebrated on 6th Sept. 2025 at Satkarma Balkashram, an orphanage founded by Bedekar Guruji in 2000 at Badlapur, currently home to 23 boys aged 5–17 years. The institution runs purely on donations and follows a disciplined daily routine of yoga, studies, and activities. During our visit, the children welcomed us warmly with songs, powada, and storytelling. Their aspirations to become IPS officers, military personnel, and even a Chartered Accountant deeply inspired us. President Rtn. Bobby Pinto and Rtn. Rajendra Vakhare shared motivational thoughts, while Rtn. Shailesh, who celebrated his birthday, distributed sweets. Rotarians also sponsored food grains and funds for the cause. The joy on the children's faces during lunch and interaction was heartwarming. We thank all members and contributors for making this project a success and look forward to continuing our support for such noble initiatives.

Contribution at PAWS Centre

On 17 Sep 2025 we went to PAWS an organisation working for animal welfare. There were 60 dogs currently in this dog care centre. Dogs met with accidents, suffering from cancer, blind, handicap and many other different types of dogs health issues. These are stray dogs which are brought there and taken care of and again released back to the same place where they belonged. Those who are having health issues stays in this center for all the days of their life. They also have a cremation ground for these dogs and other animals. We donated 100 kgs of rice and some 16 kgs of dog food to these PAWS centre.

Why Rotary

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting Peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting Disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing Clean Water, Sanitation, and Hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving Mothers and Children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation.

We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
